# Potentate's Message

Robert Capen

Last month I and your Divan visited Shriners Hospital for Children on the official yearly "Hospital Divan Day". It was a great day as we toured the hospital, attended a luncheon where certificates were presented, and capped off in the afternoon by a presentation by hospital staff and our patient ambassador Conner Wright and his family. It was a moving story told by Conner and his mother Kathy. She told the story of the sleepless nights and constant worry of Conner's condition and if he would ever live a "normal" life. Conner was born with a cleft palate and serious facial issues. He has undergone several surgeries and now looks amazing. His goal is to be a national hospital ambassador for Shriners Hospital for Children. He is an inspirational young man. I tell you this story because it is a miracle that we are driving (the theme of my potentate pin... Driving Miracles). Conner and his family faced adversity, but have come out of stronger and Conner is determined to make a difference.

Tripoli, like Conner and his family are facing a challenge in our fraternal financial life. It is one that also causes worry and concern. How we face it is important. We cannot just brush it aside or hope it will go away. I have often stated that hope is not a strategy. We all will have to make some hard decisions and ask ourselves some tough questions. Why am I a Shriner? Is the legacy of our historical building important? Am I willing to make a difference like Conner? What can I do? Do I want to help? There is no right or wrong answer, but we will each have to look inward for that direction. Last month, I gathered our Divan to discuss the direction of our Circus, and it was decided that we would move our traditional date from February to May of 2020. It will be the weekend of Mother's day that year. It is our thought that this will move us away from the competition of other popular family events (Disney on Ice, Monster Trucks, etc.). It will also be at a time of the year where weather should not have a detrimental effect on our attendance. There has even been discussion of giving mothers free attendance to our Circus as a marketing strategy.

I also called together a meeting of our club presidents and unit heads to discuss our situation and map out a plan. It was a constructive meeting and I thank all of you for attending. We spoke about a lot of ideas to put us on a fiscally strong path. Again, not everyone liked what was proposed. Some Nobles will be satisfied with the plan, others will not. We understand that the course changes will be stressful for some. So here are some of the proposals that were discussed.

**Dues:** It is being proposed that we ask for a special onetime voluntary assessment of \$30.00 or more per Noble to help us bridge the shortfall caused by the poor performance of our circus. We are hopeful that some Nobles will be more generous than those that might not be able to support this request. It was also proposed that we raise our dues \$5.00 per year as a standard yearly increase. We will need to vote on this at our next stated meeting. Your Divan believes this is a reasonable adjustment to our current dues structure. We can cease this incremental increase if we so choose in the future. The last time we raised our dues was in the 1980's. I don't think it needs to be explained that a \$1.00 in 1980 doesn't go as far in 2019. Our current dues when you break it down (\$135.00...\$35.00 is per capita) is less than \$8.50 per month. What is the value of being a Tripoli Shriner? I believe most would think its priceless based on what we do to make kids' lives better and the fun and fellowship we enjoy as a fraternity.

**Red Fez:** It has been proposed to add \$10.00 to our dues to contribute to the Red Fez Fund of which all members of Tripoli belong. Red Fez is our organization that hosts and plans our annual "Bunny Brunch" and "Santa Breakfast" each year. It's what we do for creating fun for kids. Red Fez is also the entity that is responsible for supporting the infrastructure needs of our Temple...kitchen needs, furniture, banquet tables, etc. All the upgrades and replacements that might be needed over time. Our Scimitar Foundation can only address building structural needs or improvements. It is critical that we have a constant mechanism in place to fund these events and needs for our Shrine. We will need to vote on this at our next stated meeting.

**More Fundraising Events:** We discussed the need to have more fundraising events not just at the Temple level but club and units too. We are asking all clubs and units to give their financial resources to Tripoli. Or host new activities that will be fun and raise funds for Tripoli. We are now a member of the Shrine Fundraising Association. It is an association that has dozens of successful fundraising events that they will share with any group that wants to learn. Our own Feztival of Trees is one such event being utilized by many other Shrines. Our hospital system has an endowment of over 8.5 billion dollars. The hospital does not need the money. That doesn't mean we don't want to support our hospitals. We do, but we are going to support it with other fundraisers that will need your participation. Our annual golf outing June 24th (see flyer insert) which has a committee that is working hard to take it to a whole other level. We believe we can generate 10-20 thousand dollars at this charity event. And our new partnership with Locust Street Feztival on June 9th (see flyer insert) where we will be an active participant in helping to run the event with our volunteers. This event also has potential to raise tens of thousands of dollars for Scimitar Foundation. Both these events will give us high visibility in the public domain and raise awareness to who we are and what we do.

**Open House:** It was discussed that it was way overdue to do a spring cleaning at Tripoli. During the next month (May), we are asking all units to clean up their unit rooms and "spruce" them up. A large waste container will be provided to dispose of unneeded items or items of disrepair. If you have furnishings like sofas or chairs, we are asking you to bring them to the Scimitar Room for gathering. Other units may exchange for them. When the cleanup is completed, the Salvation Army will come and pick up all these items. This is what they do...fix old furniture and provide them for people that are in need. After all this is done, we want to host an Open House (food, appetizers, and drinks will be served) where we put our best foot forward and show off our beautiful building. It is the best asset that we have and we should be proud of it. We will advertise this in the Masonic Journal and we ask that you communicate it at your Blue Lodges. Membership is still a major focus and this will be an opportunity to invite Masons to our Unit rooms and Shrine.

## Official Publication of TRIPOLI SHRINE

**Temple Needs:** It was also discussed that we should create a list of needs for our Shrine. That there might be Nobles that would be willing to step up and provide for a specific need. I know my own church has done this and you would be surprised how many members would be willing to give when they know there is something specific that is needed. This has already been demonstrated when the need was expressed to replace our plate ware in the banquet business. A list will be prepared, but here are some items that were prepared by our trustees:

Fencing - \$4,500.00

New Cooler-Freezer (current one has issues and will not pass health inspection) - \$15,000.00

Pair of ovens - 15,000.00

20 ea. 8ft Rectangular Banquet Tables - \$75.00 ea.

20 ea. 6ft Rectangular Banquet Tables - \$55.00 ea.

20 ea. 72" Round Banquet Tables - \$165.00 ea.

20 ea. 60" Round Banquet Tables - 115.00 ea.

300 ea. Banquet Chairs - \$40.00 ea.

**Banquet Business:** Banquet business under Dave Bowen is getting better. It is a slow process, however as shared before, our website inquiries are improving monthly. Our SEO campaign is working and more and more people are visiting our awesome website. The activity level of use in our building is increasing. And the announcement of the DNC being hosted in Milwaukee should produce some great opportunities. We are also going to be more consistent in what we charge for all that use our facilities. We often are overly generous to our fraternally related organizations. We can no longer do this at a loss to Tripoli. However, we will be fair in our structure to these groups.

**Expenses:** Your finance committee is looking at all expenditures and cutting back where savings can be made. As you know, we did cut back on our office staffing as one of the areas where our costs were not in balance with our needs. This will be a constant endeavor. It was also noted that nothing can be purchased without board approval. This has always been the case, but we are being more rigid about this policy. A new budget has been structured and if followed, we feel we can weather this bump in our finances.

## OFFICIAL CALL OF THE POTENTATE:

Attest: Frank Foti, Recorder, Yours in the Faith, Bob Capen, Potentate

### MONTHLY STATED MEETINGS

**WED, MAY 8TH**  
**WED, JUNE 12TH**  
**WEAR YOUR FEZ!**

For the Purpose of Old and New Business  
Your Attendance is Urgently Requested  
Dinner: 5:30PM - Meeting: 7:00PM

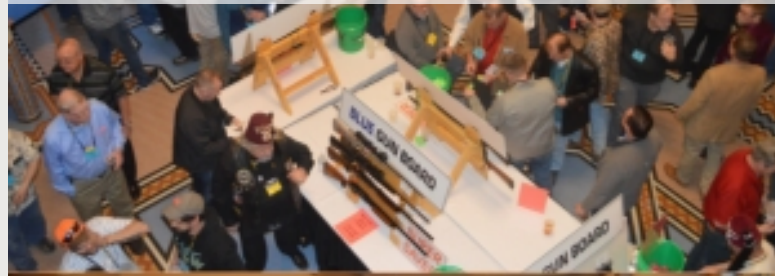

Much is still happening at Tripoli. We read another petition for membership at our stated meeting and obligated our newest Noble Brent Walden. Welcome Brent...we hope to see you at our next stated meeting. As I write this message, Tommy Guns has not occurred but I know that I can report that the performance was outstanding (saw it in Chicago) and attendance was good. Our May stated meeting (Ladies are invited and a program is planned for them) and it will reflect a Cinco de Mayo theme and there will be some fun as some lucky people will get to take some swings with a specially filled piñata. The Children's Dyslexia Center will also be hosting a Ladies Tea and Fashion Show on Saturday, May 4th (see flyer insert) and on Thursday, May 9th there will be a graduation ceremony for the students of that program. Let's support this as they are a great tenant and their mission to help kids fits well with ours. If you have never been to the CDC Graduation, you are missing something special. The kids that get up and give testimonials will inspire you.

I have shared a lot here and apologize for the lengthy message and lengthy stated meetings. I feel it is important that what is happening is communicated completely and thoroughly. This is our "Conner Family" challenge and I hope all of you will reflect thoughtfully and constructively as to what each of us can do. I know we all want the same thing which is for Tripoli to prosper and be there for future generations. In closing, I want to offer an apology to MWSGW Brother Ken Goergen on my conduct at the Masonic Unity meeting in Fond du Lac. My passion on improving our membership at Tripoli came across as offensive and that was not my intention. I was overzealous and apologize for that. And finally, Happy Birthday to my Lady Jan (May 6th).

Yours in the Faith,  
Robert Capen

This is a partial reprint of an article written long ago by a Tripoli Chaplain but the message is perhaps even more important in today's world.

“

The psalmist wrote, “so teach us to number our days that we get a heart of wisdom.”

This psalm carries a revelation of the significance of time that for us constitutes a warning. It is one of the gracious warnings from God, because it leads men to take heed and make wise preparations for what lies ahead.

The fact of the warning is that the days of our years are numbered, and we must learn to number them for ourselves. But it is hard for us to do because we don't know that number, and because we don't think about it, we forget they are numbered at all.

God would have you conscious of the realities of life and death, because good judgment depends on having good information. God thinks that we ought to know that some night; it will stay dark for good. The psalmist uses many metaphors to bring to mind the shortness of life. In one, He likens us to the grasses of the desert, which spring to life each morning green and fresh in the dew, only to dry and wither in the afternoon sun.

The value of a warning lays in the use to which it was put. This warning may be valuable in arousing the sluggish, or awakening the complacent. Fear indeed has its uses, and is God-given to prepare us for an escape to safety.

God's warning should be the Word that teaches us to apply our hearts to wisdom, here and now. What is wisdom in the face of numbered days? It is making the time count; it is remembering that in the end the things that count are the things that you can't count. You will find that the highest joy of our time comes in using it for eternal purposes.

Yes, the wisdom of this warning is gracious. God sends His grace to teach us to redeem the time, and to repossess it. So use it wisely.

Rev. Edward M. Smith

## Chaplain's Corner

Pay heed to the warning. We do not have unlimited time and one day tomorrow may not come. Make good use of your time here on earth. This Memorial Day, give thanks and remember those who gave the ultimate sacrifice in time of conflict to protect our Country and give us freedom to use our time and talents wisely.

Happy Mother's Day to all our Tripoli moms!

# Patient shares memorable moments at Shriners Hospitals for Children

Thursday, April 4, 2019

Spending time in the sun or going out with friends is typically what most kids want to do during summer vacation, but for Claudia, summertime often meant medical treatment at Shriners Hospitals for Children — Houston. She has been a patient at the Houston Shriners Hospital since she was 3, and to avoid missing school her parents tried to schedule her appointments during the summer.

Claudia and her parents made the trips from Tampico, Mexico, to Houston, where they trusted she would receive the best possible care.

“From the time they did the initial evaluation, we were very surprised with the care and all the help that they have provided for us. It has been fabulous. We are very happy,” said Jesus, Claudia’s father.

Claudia was born with a left forearm length discrepancy, which requires regular evaluations as she grows. She has undergone four surgeries and most recently received bone-lengthening treatment. The length of her hospital stays varied from a few days to a few months, depending on the treatment or procedure required.

In addition to orthopaedic services, Claudia also had regular check-ups for linear epidermal nevus, a skin condition that often goes untreated and requires regular monitoring for signs of progression.

Growing up, Claudia never set limits for herself. Throughout her school years she has done ballet and cheerleading, and has played different sports. Claudia is now 18 and said she likes to play the guitar and sing, but her main goal is to pursue a career in biotechnologies and genetics.

Looking back, Claudia and her family said the memories amassed at Shriners Hospitals for Children — Houston are many. From birthday cake surprises with the outpatient nurses to unique doctor-patient relationships, Claudia said she always felt at home.

“I’ve had amazing experiences at Shriners, and the one thing that I will never forget is my doctor, Dr. Gogola,” Claudia said.

Claudia and her family built meaningful life-long relationships with doctors, nurses and other staff members, something they said they will never forget.

## Director's Staff

The meeting was called to order at 7:34 pm by Vice- President Mark Norville. Mark also made and brought the food for our meeting, Homemade meat balls for sub-sandwiches and a macaroni salad. Very Good

He brought enough food for 30 but we only had 12 members present. Hard to know! Welcome back Jim Cleary, P.P.! The minutes were read and approved. Thanks Ken. They were followed by the treasurer's report, Thanks Joe.

Old Business: We talked about our SDA, the stunts needed and those we haven't made yet. Ed is planning on going, and most important, Gary will arrange for our liquor, Thanks Gary.

New Business: When you read this, the SDA is over, and we are back, hopefully with one award, that makes us AWARD WINNING too. We made a motion to donate \$100.00 in the name of Russell Prinz, a Past Director,

who just left us in April. We also discussed and voted on making a \$3,000.00 donation to Tripoli for a new walk- in freezer we disparately need. We challenge the other Award-Winning Units to do the same. Time to step up, guys.

We have several different fund-raising events coming this summer. Details will follow. The Onions are here. Sell...sell...sell!!! The meeting was adjourned at 8:40 pm followed by working on stunts and a wee bit of drinking.

Fraternally,  
Tom Schlicht P.P.

## DeMolay Unit

At the March meeting of the DeMolay Unit, Noble Dale Graven became a Life Member of the Unit. Welcome, Dale!

The DeMolay Unit — comprised of Senior DeMolay Shriners and other Shriners interested in DeMolay — will meet on Friday, May 24 at 6:30 P.M. in the Billiard Room at the Tripoli Shrine Center.

Following the DeMolay Unit meeting, the members will be attending the Craft Club (also sponsored by the Tripoli DeMolay Unit), which runs from 7 to 10 in the Billiard Room.

Nobles, this will be a great night to attend the short DeMolay Unit meeting for the first time and stay to support Tripoli Shrine.

Al Iding, Director

## Crusaders

Nobles and Sir Knights,

The Crusaders will meet before the June Stated Meeting at Tripoli on June 12th.

Additional details in the June edition. I hope to see you there.

Courteously,  
Michael Clinnin, Director

## Animals

I want to thank the members of the animal unit that showed up for the Bunny Brunch. It's always nice to have some of the shrine animals at these events for the kids. Now we must get ready for our parades this year. Nathan Devermann oversees the parade and will be sending out information on the parades.

## Legion of Honor

The Great Lakes Shrine Association-Legion of Honor convention is fast approaching. It will be held at the Brookfield Sheraton August 14-18. I will be needing help from the members of our unit to help me make this a success. Here is my list of jobs.

I will need people to man the registration table. Times are 1100-1700 on Wednesday and Thursday and 0800-0930 on Friday and Saturday. I will need 3 people for the Color Guard at the Friday opening ceremony starting at 1000. I will need 2 people for the Necrology service which will follow the opening ceremony, one to represent Tripoli and one to play Taps, don't worry, I will have a bugle that has a program in it to play the tune, and you will just need to look like you are playing.

Kathy and I are still working on the staff for the hospitality room which also brings up the next request. We will need snacks to keep everyone happy. Some of the items I would like to have donated would be cookies or snack bars, Chex Mix, Trail Mix, pretzels, cheese and sausage with crackers, candy such as M&Ms, jelly beans or licorice bites or anything else you think people would like. It was mentioned that popcorn makes too much of a mess so we will exclude that.

There will also be two luncheons for both Nobles and for their Ladies as well as the Saturday banquet. Pricing for that has not been finalized but if you want to attend I can give you the price when I have it.

# CLUBS

## Northwoods S.C.

The Northwoods Shrine Club represents Nobles and Ladies of ten different Shrine temples with members residing in four different counties of northern Wisconsin. When our members gather, our fezzes display the names of different temples; but, they are all red and we all proudly wear them for the same reasons.

The Northwoods Shrine Club meets the 3rd Thursday of each month at a different restaurant location. We proudly welcome all Shriners and Ladies, Masons, and friends of our philanthropies to join us for our meetings. Meetings start at 5:30 pm and dinner at 6:30 pm. Please call Bill Jacobs for reservations, 715-891-5574. Come join us for many laughs in the great Wisconsin Northwoods.

Our April meeting will be held April 18th, at Norwood Pines in Minocqua. Come join us!

The Northwoods Shrine Club plans to sell 1500 bags of Vidalia onions this Spring. The onions will be delivered to Eagle River, May 2nd @ 3:00 pm. Our club has been historically, very successful with the Vidalia onion sale due to a huge planning effort and participation of the entire club. We have also been very successful with selling salad dressings year around. Another wonderful way to support our precious hospitals for children.

Fraternally,  
Ross Borchardt, President

## Lakeshore S.C.

Once again, a reminder that all Nobles and their ladies are invited to our meetings. We now meet on the 4th Wednesday of the month with a Noon Luncheon Meeting at the Copper Kitchen Restaurant, 3935 A. Howell Ave, Milwaukee, WI. Socialization begins at 11:30 am and meal orders are taken at 12:00 noon. The meal orders are taken after we have formally opened the meeting. We order off a quite extensive very reasonably priced menu. A formal program is not scheduled as we will now have a separate room from the restaurant area and will have to make "first time" adjustments, i.e. the speaker system, etc. We will continue our raffles.

We look forward to seeing you at our next meeting on Wednesday, May 22nd.

Gary Parker, Secretary

## Waukesha County

Thank you to those that attended our last meeting. Our onion sales are wrapping up. We are looking for volunteers to sell onions. Please call Steve Winters for more details he is our onion chairperson. His number is 414-840-5455.

Our next meeting will be held at Machine Shed. It is at 6:30pm on May 1st. All reservations are to be made by April 24. The last meeting of Spring will be at 5 O' Clock Club in Pewaukee on June 5th.

# Women's Auxiliary

Greetings Nobles and Ladies!

Just like the weather it's time for us to SPRING into action! Tripoli representatives had a great time at the Auxiliary Annual Meeting in Twin Cities. We learned about all the great fundraising ideas other Chapters have used and are looking into incorporating some of those into our repertoire. We are re-energized and ready to GO!

The May Stated Meeting of Nobles of Tripoli will be a Ladies night, and I hope everyone will attend! We will have a membership table for any Nobles Ladies who do not yet belong to our fine organization. There are a plethora of fun events happening all the time here at Tripoli, so come and join the fun!

Next up for Auxiliary will be our Spring Luncheon. Vice-President Jo Ann Stawicki is hard at work to make this a wonderful event. This year the Luncheon will be held at Tripoli on Wednesday, June 12. Please invite friends and neighbors to join us for this great opportunity to support our wheelchair fund all while having a great time!

We are continuing to take orders for our ladies clothing. Please contact Jody Hale at 262-490-1336 if you are interested in having a shirt, vest, or jacket to represent the ladies of Tripoli. Diane Zarse always has our delicious candy & nuts available for purchase at our meetings and several special events. In March we began our Mason Jar Gift sales! We had Friendship soup mix available for just \$10! In April we offered a yummy cookie mix. We will increase our offerings each month, so there is always something new and exciting for you to pick up for yourself or a gift. Don't forget, Gifts, Memorials, & Honoraria can be sent to GMH Chair Gerri Lorberter 7979W. Glenbrook Rd. #6020 Milwaukee, 53223.

We welcome guests and members to join us at Tripoli at noon for lunch prior to our business meetings. Reservations are necessary. Please call Cheri Brus 262-332-7812 by Sunday evening before the meetings. Our next meetings are Wednesdays, May 15 & June 19. Cost of lunch is \$12 for members, \$14 for guests. We don't meet in July and August.

Looking forward to seeing you all at our Spring Luncheon in June!
