Potentate's Message

Robert Capen

Memorial Day has now come and gone and the start of the Tripoli Parade season is upon us. Please have fun this summer as you represent your Unit and our Shrine and most importantly be safe. Wear your Fezzes with pride...let's show the community who we are. This will be especially important as we continue our second year as the focused charity of the Locust Street Festival (see flyer). We will need as many volunteers to support this event as possible. We will be responsible for marshaling and leading the "Beer Run – Walk". We will also be working one of the beer tents for the day and clean up at the end. This is a one day event and will help us financially, and as I have stated before, gives us high visibility in the community and the potential for new members. Please contact the office and register as a volunteer for the day.

Also coming this month is our Annual Golf Outing (see flyer). This event is a fundraiser for our Hospital and I hope that you will consider attending even if you do not play. We will be having Steve "The Homer" True as our guest speaker. The Golf Committee consisting of Nobles Gerry Arnholt, Bob Manders, Joe Schoner, David Branovan, my Lady Jan, and myself have been working hard to make this a bigger event and I thank all for their efforts. Corporate Sponsorships are already being filled. If you would like to be a Sponsor at any level, please contact one of the committee members. We will also need volunteers to assist on this event. So please contact the office to sign up for this too.

Last month at our stated meeting we hosted an Honor Flight presentation. It was an inspirational presentation by their Program Director Kent Rice with a testimonial given by WWII Navy Veteran Julian Plaster. Honor Flight is now offering visits to Washington for veterans that served during the Vietnam War. I again want to say thank you to all veterans, and their families for their service to our country and the sacrifices they made to protect our country...especially for those that gave the ultimate sacrifice that we honored this past Memorial Day. I also read a poem written by Julian that night. I had the pleasure of meeting him years ago and heard this poem at that time. When I first heard it, I thought that Julian was a Mason. I was moved by it and asked him if I could have it. I have reprinted it in the Tattler for your enjoyment as many asked for a copy.

Onion Sales are over, and I can report that the onions sold quickly this year. Thank you to all the Units and Clubs for stepping up to support this. And a special thank you to PP Tom Schlict and Noble Mark Noble for their efforts in coordinating this fundraiser.

I can now report that all that attended the "Tommy Guns" event had a great time. The attendance was good, the food was delicious, (thank you Chef and to all the staff), and the entertainment was fun and engaging. Tommy Gun, the proprietor of the performing troupe wrote us a letter apologizing for not being able to attend. I have also reprinted it in the Tattler. As Masons, you will get a chuckle from it.

Last month I shared with you that there were specific needs of Tripoli that needed upgrading or replacement. I can proudly report that several Units and Clubs have stepped forward and rose to the challenge. The Motor Corps, Directors Staff, and West Allis Shrine Club donated a total of \$9,000.00 to go towards the replacement of our Freezer – Cooler. Thank you for supporting our Shrine...and making a difference. Our Shrine is an awesome building and an asset that we should be proud of. Thank you to all that came to clean and tidy up the Unit rooms and the Temple itself. It already looks better and without all the clutter should be easier for our custodial staff to maintain.

The other events that are coming up are the River Cruise Dinner, Chinooks Baseball Game, and Potentates Trip to Deadwood, SD. Please sign up for these if you are interested. I know that some are close to being filled...so call in your reservations as soon as you can. There is much fun to be had and good work to be done. I know I will see you at one of the events mentioned in my message.

Yours in the faith,

Robert Capen - Potentate

The Old Man Remembers

- Julian R. Plaster -

THE OLD MAN IS NO MORE, THE TEMPLE IS CRUMBLING.
THE OLD MAN LOOKS BACK AT HIS WALK THROUGH THE
BATTLE FIELD OF LIFE.
THE OLD MAN NEVER DODGED THE OPPORTUNITY TO
SERVE HIS COUNTRY.
THE OLD MAN REMEMBERS STEPPING ONTO THE
BATTLE FIELD OF WAR.
THE OLD MAN REMEMBERS THE BOMBS OF ANXIETY,
FEAR OF LOSING A FRIEND.
THE OLD MAN REMEMBERS COMING HOME TO FACE MORE
CHALLENGES OF TAKING ON A PARTNER, BEING A
PARENT, A NEIGHBOR.
THE OLD MAN DODGES THE BOMBS OF DECEIT, HATEFULNESS,
DISCRIMINATION, UNEMPLOYMENT, AGAIN THE BOMBS OF
LOSING A FRIEND, A LOVED ONE.

THE OLD MAN CAN'T DODGE THE BOMB OF HIS TEMPLE.
THE OLD MAN IS NO MORE IN HIS TEMPLE, THE TEMPLE IS
CRUMBLING TO DUST FROM WHICH IT CAME.
THE OLD MAN'S TEMPLE IS NO MORE, BUT WAIT THE SPIRIT
OF THE OLD MAN SPRINGS FORTH AS A FLOWER FROM THE
DUST.
THE SPIRIT OF THE OLD MAN WILL FLOURISH BECAUSE IT
IS BEING CARED FOR IN HIS GOD'S GARDEN.
THE SPIRIT OF THE OLD MAN WILL NOW FIND PEACE AND
CONTENTMENT
THE TEMPLE OF THE OLD MAN IS GONE, BUT THE SPIRIT OF
THE OLD MAN LIVES ON BECAUSE OF THE LOVING CARE IN HIS
GOD'S GARDEN. AMEN JULIAN R. PLASTER

provided a night to remember...

Dear Tripoli Shriners –

Sorry I couldn't be at your event tonight, but I've been working on becoming a Freemason, so tonight I'm shopping for an apron to cover my working tools. I also assumed that my limousine would stick out like a sore thumb in the parking lot next to all those tiny little cars. I'm honored that you let my mugs and molls into your lodge, because I know how exclusive you can be – I was told that there was a guy standing outside the door with a sword, knocking for six months, and they still won't let him in.

I asked a proposer to tell me what happens at an initiation ceremony, since I may be joining soon, and he said, "Well, there are Walkers, Talkers, and Holy Men. The Walkers are the men who walk you around in the Lodge, the Talkers are the people who talk to you and to other people in the Lodge, and the Holy Men are the ones who, when they see the Walkers and the Talkers, put their heads in their hands and say "Oh My God Oh My God Oh My God!"

I heard about the dairy farmer who became a Mason. He kept giving everyone the secret milkshake.

I heard about a candidate who was going to be initiated on a hot, humid evening in June when the air conditioner had stopped working. After sweating their way through part of the ceremony, the Master had asked the candidate what he most desired. The candidate replied "a beer". The W.M., startled, whispered "Light" to the candidate. "OK," the candidate replied, "a lite beer."

Since I've been trying to join, I did some research and found three different answers to the age-old question: How many Masons does it take it to change a light bulb?

How many Masons does it take it to change a light bulb? It's a secret.

How many Masons does it take to change a light bulb? Three. One to screw it in, one to read the minutes of the previous light bulb replacement, and one to sit on the sidelines and complain that this wasn't the way they USED to screw in light bulbs.

How many Masons does it take to change a light bulb? The real answer is 18, as follows: two to complain that the light doesn't work. One to pass the problem to either another committee, Temple Board or Master of the Lodge. Three to do a study on light in this Lodge. Two to check out the types of lights the Knights of Columbus use. Three to argue about it. Five to plan a fund-raising dinner to raise money for the bulb. One to borrow a ladder, donate the bulb and install it. One to order the brass memorial plate and have it inscribed.

The Shriners are known for their charity work and good deeds. One time, at my speakeasy, a woman came in with her baby. The bouncer says: "That's the ugliest baby that I've ever seen." The woman came in and sat down next to a Shriner and said: "The doorman just insulted me!" The Shriner said: "You go right back there and tell him off. Go ahead, I'll hold your monkey for you." These are the selfless moments that make the Shriners so special.

All joking aside, the Shriners are a fraternity based on fun, fellowship and the Masonic principles of brotherly love, relief and truth. The Shriners Hospitals for Children continue to help people in need, and let's not forget how much fun your group is in a parade. Tomorrow you can continue your excellent charitable work, but tonight – eat, drink, and be merry. Enjoy the show, and thanks for inviting the gang from Tommy Gun's Garage!

Our Father

Father – what does that word mean to you? Each of us have a different answer, even siblings see their father differently. There are good fathers, absent fathers, loving fathers, and even mean fathers. Children model their behavior on their experiences and so we as fathers often parent our children like our Fathers did. There is another role-model we should look to for understanding our role as fathers; Our Heavenly Father.

Many times we have said the words, “Our Father” in prayer. I suspect that we don’t give much thought to those words as we say them. Much as we understand the role of a father from our experiences, our view of God as a Father is also influenced by our life experiences but our God is also influenced by our life experiences but our God is not an imperfect human father. He is what fatherhood is.

Vance Fry, in his article God ... the Father?,

identifies five truths found in the Bible that show the true nature of God our Father to us and our children: Our Father is the source of Life, He lovingly corrects us (Hebrews 12:3-11), He provides for our needs (Matthew 7:11), He gives us His wisdom (Timothy 3: 16-17d) and He always welcomes us back (Luke 15: 11 – 32). Enjoy the abundance of nature and creation, look for the direction God provides to us, be thankful for all the gifts God provides us, listen to or read the scriptures for His wisdom, and know that our Father will always welcome us back when we’ve gone astray. Reminding ourselves of all these in our day to day life and sharing them with our children will strengthen our connection with Our Father and help us to be a better father to our children and grandchildren.

Happy Father’s Day to all fathers!

Photo Contest Winner: “Dr. Gupta and Caleb – Friends on the Floor”

Chicago Shriners Hospital staff recognized in national hospital photography contest

Cathleen Himes has worked in marketing and communications at the Chicago Shriners Hospital for more than 10 years. She serves as one of the hospital's photographers, and believes compelling photos tell great stories. One of Himes' photos is part of a new exhibition sponsored by the Children's Hospital Association. The image, entitled Dr. Gupta and Caleb – Friends on the Floor, is one of 50 winning photographs in the biennial Children's Hospitals Photo Exhibit. The selected photographs were curated by a panel of distinguished judges including renowned photographer and author Anne Geddes.

“When Dr. Gupta sat on the floor next to Caleb, it was such a beautiful moment of the two of them connecting. I'm glad Caleb will be able to look back at this photo one day and be reminded of how caring and present his surgeon was throughout his medical journey at Shriners Hospitals,” Himes said.

Himes' photo from the Chicago Shriners Hospital joins winning photos from the Lexington Shriners Medical Center, and the Northern California and Tampa Shriners Hospitals for Children in the exhibition.

The story behind the photo

When young Caleb arrived at Shriners Hospitals for Children — Chicago in 2015, he had a spinal curve of 120 degrees. Diagnosed with kyphosis, a condition in which the spine curves and protrudes outward, Caleb's family turned to Shriners Hospitals for Children to help their son, who they had recently adopted from China. In addition to his spine condition, Caleb was born with other conditions in his lower extremities, including clubfoot and hip dysplasia. Caleb is also deaf and is working to learn sign language, and his family is learning alongside him.

Caleb's parents were eager to get the medical help he needed and turned to the Chicago Shriners Hospital for help. Purnendu Gupta, M.D., chief of staff and a pediatric spine surgeon, met with the hospital's spine team to determine the safest and most effective treatment plan for the severe curve. They determined that surgery with two spine surgeons – Dr. Gupta and Kim Hammerberg, M.D., chief of spine surgery – would produce the best outcome.

Access the 2019-2020 Children's Hospitals Photo Exhibit

The spine team had a 3D printed model of Caleb's spine prepared to better study the intricacies of his condition and plan the surgery. Dr. Gupta said that working with 3D models allows the surgeons to see the malformations of the spine from various angles. The model also turned out to be useful to help Caleb feel more comfortable about the surgery.

On the evening before his surgery, Caleb had his IV placed in his hand and was feeling uncomfortable and nervous. Dr. Gupta stopped by the inpatient unit to check on Caleb and show him the 3D model of his spine. After seeing Caleb was uneasy, the physician sat on the floor to talk to him. Caleb instantly showed interest in the spine and was much more comfortable interacting with Dr. Gupta on the floor.

Caleb's spine surgery the next day was more than 10 hours long and the results were very positive; his spinal curve was significantly reduced and he gained several inches in height. Caleb will continue to see the orthopaedic team at the Chicago Shriners Hospital for care of his lower extremities.

“At the Chicago Shriners Hospital, we have a team of specialists including nurses, physical therapists, occupational therapists, care coordinators, child life specialists, recreational therapists and more who work with our patients every step of their medical journey. This team approach allows for great outcomes and recovery with the children we treat,” Dr. Gupta said.

We reported on the SDA, and yes, we are award winning with the "best new stunt" and a 5th place award. We received a check for \$231.00 for our commission on circus programs. A thank you to all who sold them.

Our Father's Day car show will be here on the 16th of June. We need all hands-on deck. Tripoli Golf Outing will be June 24th. We just can't wait to see what they come up with. We closed with a Divan Report about 8:30 pm. If you were at the meeting, we enjoyed your company. If you weren't, we missed you!!

The Northwoods Shrine Club represents Nobles and Ladies of ten different Shrine temples with members residing in four different counties of northern Wisconsin. When our members gather, our fez's display the names of different temples; but, they are all red and we all proudly wear them for the same reasons.

The Northwoods Shrine Club meets the 3rd Thursday of each month at a different restaurant location. We proudly welcome all Shriners and Ladies, Masons, and friends of our philanthropies to join us for our meetings. Camels milk at 5:30 pm and dinner at 6:30 pm. Please call Bill Jacobs for reservations, 715-891-5574. Come join us for many laughs in the great Wisconsin Northwoods.

Our May meeting will be on the 16th, at Hillside Resort in Phelps. Come join us! Our June meeting will be on the 20th, at Rhinelander Cafe & Pub. See you there!

The Northwoods Shrine Club has sold @ 1500 bags of Vidalia onions this Spring to support our Children's hospitals and to provide transportation to our hospitals for our kids. Our club has been historically, very successful with the Vidalia onion sale due to a huge planning effort and participation of the entire club. We have also been very successful with selling salad dressings year around. Another wonderful way to support our precious hospitals for children.

Although our winter was long and cold, and it seemed like it was never going to end, Mother Nature felt sorry for us and rewarded us with a beautiful spring day for our April 23rd meeting. Thanks to those members who were able to attend and join in on the fellowship. Unfortunately, there were some members who could not join us due to having recent surgery or hospitalization. They are Doug Jaskolski, Julia Stein and Neil Lacck. As reported, these fine people are doing better but their recovery is a slow process. Whitnall Park wishes them a speedy recovery. Please keep them in your prayers.

Our special guest for April was our illustrious leader Potentate Bob Capen and his lovely lady Jan. Some of the members of the Divan also joined us. Thanks for coming to our meeting. Our Potentate went over future events and reminded all that the Vidalia onions would be available Thursday, May 2nd. Tom Schlict is heading up this year's onion sales. Let's hope for a successful fundraiser.

As of May, 2019, a paper copy of The Tattler will no longer be sent out through the mail. Instead, The Tattler will be sent to members electronically via email. However, if you don't have a computer or are more comfortable with receiving a paper copy, you can still get it. Contact the Shrine office at 414-933-470 in order to be put on the mailing list.

David Schaeber, President (414) 422-1367

Regarding May, June, July and August Whitnall Park meetings ... No May meeting will occur. Instead some of the members will get together at 9:00 .a.m. on Sunday, May 19th for "Go to Church Day." The Jackson Park Lutheran Church located on 47th and Oklahoma is the church selected to attend.

In June the Whitnall Park group will once again meet at Aliotos restaurant on June 25. Please note that the first day of summer is June 21st. Therefore I feel it would be appropriate to celebrate and start the summer in good spirits with a few good laughs. I am asking that everyone bring to this June 25th meeting one of their favorite jokes to share. For instance, here is an example of a corny joke.

Question: Why did the police arrest the turkey?

Answer: They suspected "fowl" play."

You have to admit that it is worth a few groans and chuckles. If you don't have a favorite joke, the Reader's Digest is a good source or ask a friend for a joke to share.

There will be no meeting in July, but on August 11th Whitnall Park and the Provost Unit will sponsor the annual combined picnic. More information about this event (e.g., place, time, etc.) will be communicated at a later date. However, don't forget too mark your calendar for a fun-time picnic on August 11.

Respectfully submitted,
David Schaeber

DAUGHTERS OF THE NILE

Greetings, "spring has sprung", we are enjoying the beautiful blooming of flowers, grass is greening, and it is wonderful to be able to look forward to another warm, wonderful summer in Wisconsin. Enjoy this special season with family, friends and especially our beautiful Shrine Center. Look on the website for information to share with others about scheduling special events.

Shelomoth Temple No 106 would like to thank Potentate Bob Capen, his Lady Jan, the Divan and everyone else at the Shrine Center for being so welcoming and including us in their special events. We are enjoying spending time with all the Masonic groups who meet here.

One of the items we would like to focus on is to continue to build a stronger relationship and participate in the other Shriners' events and with the Tripoli Women's Auxillary. We look forward to working at the Locust street Festival of Music and Art, attending the "Dinner on the River" on the Edelweiss, the Potentate's DEADWOOD trip to the South Dakota. Check Tripoli Shrine Center Webpage for further details and to Register.

One thing that amazes me, as Queen of Shelomoth Temple is the amount of people who do not know anything about Daughters of the Nile. I would like to enlighten you about our great organization.

"Shelomoth" means peace and happiness; and that is what the members of Shelomoth Temple No. 106 have always strived for in our Temple. The number "106" identifies that we were the 106th Temple to receive a Charter from the Supreme Temple Daughters of the Nile and agreed to abide by its rulings. Shelomoth Temple No. 106 was instituted and constituted on April 27, 1958 with 50 eligible ladies.

Daughters of the Nile is an international fraternal organization for women 18 years and older, who are related by birth or marriage to a Shriner, Master Mason, or Daughter of the Nile, or is a majority member in Good Standing of a Masonic-related organization for girls; or who was a patient, with or without Shrine or Masonic relationship, at a Shriners Hospital for Children. Founded in Seattle, Washington in 1913, Daughters of the Nile members are in over 130 cities throughout the United States and Canada. The members are proud of their long

association with Shriners International and their continuing support of Shriners Hospitals for Children.

We will be attending the Daughters of the Nile "Denim and Diamonds" 103 Annual Supreme Session from June 9-13, 2019 in Reno, Nevada. We are excited to represent Shelomoth Temple No. 106 and to take part in the business of our organization. The Daughters of the Nile raised \$1,757,485.00 which was donated to the Shriners Hospitals for Children. Our Supreme Queen Shirley Henley presented the check to the Imperial Potentate at the Imperial Session in 2018. We are looking forward to Supreme Session and finding our total donations to be used by the Shriners Hospitals for Children in 2019.

Upcoming Events for members of Shelomoth Temple No 106;

NO STATED SESSION IN JUNE.

July 13 - Stated Session - Celebrate Independence Day

August 10 - Stated Session - Summer Fun (1 p.m. Practice for Supreme Queen's Official Visit)

Please consider joining us in our endeavor to help the Shriners Hospitals for Children. You are blessed, loved and appreciated. Consider sharing this with all who would like to be part of this amazing philanthropic mission.
