Potentate's Message

Robert Capen

Welcome back Nobles!

It's been a busy summer for all of us and it feels like it flew by way too quickly. I've enjoyed seeing all the activity on our Facebook page. Please continue to share our fun on that site. Your top officers and hospital representatives attended the Imperial Session in Nashville over the 4th of July and I can report that we have a new Imperial Potentate – Imperial Sir Jeffrey Sowder. Imperial Sir Sowder is a cattleman from Kansas (Midian Shrine) and a Past Grand Master of that state.

Wisconsin had the privilege of hosting the Imperial Potentate and his lady Cheryl at the Packer - Midwest Shrine Game in Green Bay. The Packers gave \$36,500.00 to Shriners Hospital for Children. Thank you to Tom Schlict and our Directors Staff for all their hard work. I also want to thank our brothers at Beja for coordinating an awesome few days of his Imperial Sir Jeff's visit. Well done Beja Shrine.

A new membership program was rolled out at the Imperial Session. It's called "JUST ONE" and refers to having each Noble concentrate on referring just one good man to Masonry. Not necessarily to Shrine Masonry, but to Freemasonry. We all have good friends not of our Fraternity that would make good Masons. Membership is and will continue to be a top priority. Remember the unit with the most creations and reinstatements will be rewarded with a special meal served by your well-dressed Divan (pink aprons). The "JUST ONE" program will be further explained in the Tattler and at our stated meeting.

Your Divan were also in attendance at the Summer Session of the Midwest Shrine Association in Aberdeen, SD. We had a great time, great food, and great fellowship with our brothers from the Midwest. I hope that Tripoli can bring greater numbers to the MSA and to the annual Imperial Session. There is so much to learn and enjoy when we join in on these experiences. I can't emphasize how important it is for us to be more engaged. The all Shrine Parades are amazing and I believe we can win some competitions with our Units. Please try to plan for these events.

Tripoli also had the pleasure of hosting some special events this summer. The Supreme Queen from Daughters of the Nile, Dale Obernolte officially visited Tripoli Shrine. It was a special visit and I had the pleasure of seeing my own Lady Jan initiated as the newest member of Shelomoth Temple. Congratulations Jan.

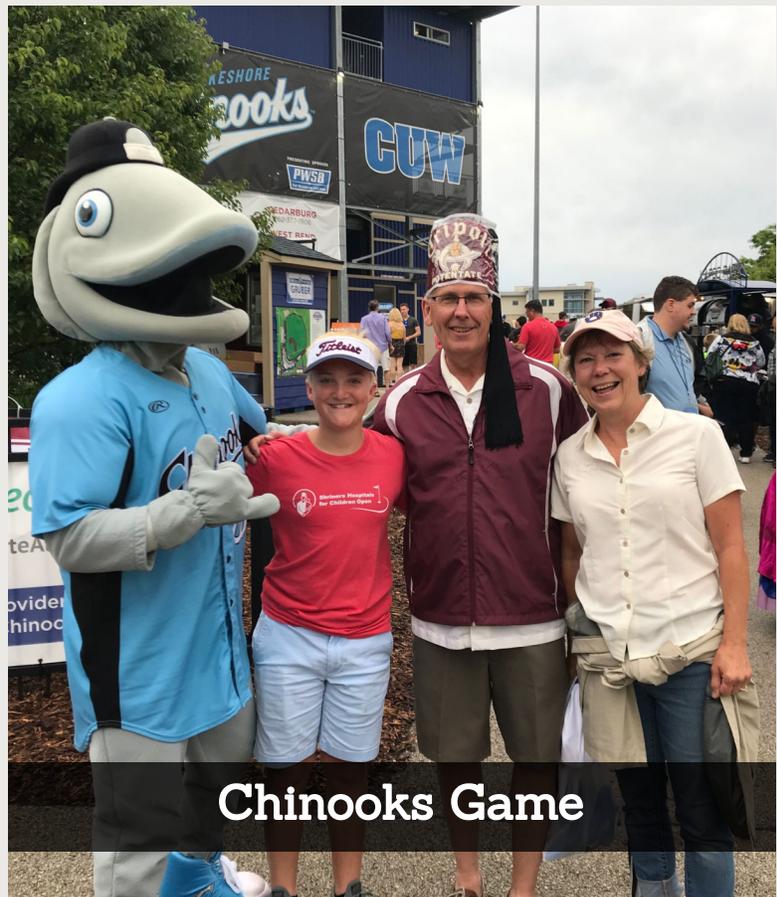

Tripoli also hosted the Great Lakes Shrine Association's Legion of Honor. Our own Commander Bob Lijewski presided over the weekend of activities and it was an honor to be a part of their convention. I shared a message of our history with the GLSA. Most probably don't know this but our one and only Past Imperial Potentate Thomas W. Melham was instrumental in the formation of this association in 1949. Tripoli was a founding charter member. It was a bittersweet ending to a long relationship with the GLSA but fitting it should end under the guise of hosting and celebrating our "Veteran Nobles." Well done Commander Lijewski. Our Legion of Honor will also be conducting a flag burning ceremony for anyone that wants to retire an old flag. This will occur outside the Shrine before the stated meeting meal.

As I stated in last month's message there was a lot going on this summer. Thank you to all that attended the Chinooks Game, Three Pillars Barbecue, Beja Golf Outing, Northwoods SC Picnic (thank you Chief Rabban Rick), Winnebago Shrine Club Steak Fry (after five years I finally remembered to bring a steak knife!), and to the International Monetary Systems' Picnic. The IMS Picnic was attended by almost a hundred Nobles and their families. Our attendance was appreciated by many of the associates and management of this generous company. IMS gave \$36,000.00 to Shriners Hospitals for Children. A huge shout out of appreciation to John & Kim Strably...owners of IMS. Thank you so much for helping the kids!

We have a lot to do before the end of the year. Doors Open(see flyer), Ladies Fashion Show (see flyer), Feztival of Trees (see flyer), Potentates Ball & Ceremonial. Keep up the great work.

Yours in the Faith,
Robert Capen

Imperial Potentate's Message

Jeffrey Sowder

It is my honor and privilege to serve as your Imperial Potentate; thank you for your trust, and for this amazing opportunity. Cheryl and I are committed to doing everything we can – every day – to strengthen our amazing fraternity and philanthropy. My goal is to leave the fraternity a little better than I found it, and to make sure our health care system is in a position of strength and prepared for its second 100 years of service.

Every year, the Imperial Potentate is asked to have a theme, or a slogan, that will define his year. That was easy. JUST ONE is a phrase I have come to believe in, and to live by. It's short, easy to remember and perfectly describes the path we need to take in membership development.

I firmly believe in the power of one – the power of each person. Every person matters; every person can make a difference. In terms of our fraternity, each of us has a responsibility to increase membership, one by one. Multiply one by every noble (more than 200,000), and you quickly see what could be accomplished if every noble was determined to make a difference, and help bring JUST ONE new person into the fraternity – or help one person return to his fraternity.

It would be easy to step back, consider our overall membership numbers, be overwhelmed, and lose heart. Or, we can each decide to do our part, work as hard as we can to promote our fraternity, and be, one by one, a powerful force for growth and change. I hope you believe that you can make a difference – and that you actively join this effort.

For more information on the JUST ONE program, please contact your membership chairman or the office of membership development.

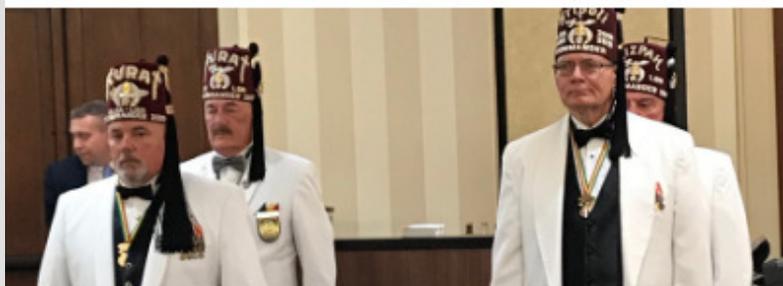

I also believe in the power of communication. This year, we will make every effort to keep everyone informed and up to date. This is no easy task in an organization with members literally around the globe. You can make this a bit less challenging by making sure your contact information is kept current and correct in WebFez.

Cheryl and I are looking forward to meeting more members of our extended Shriners family, working with you, and hearing your stories and successes as we strive to increase our numbers and strengthen our temples this year.

Again, thank you for giving me this very special opportunity to serve you as Imperial Potentate. I will do my very best for our beloved fraternity and philanthropy. Please feel free to contact me if you have questions or concerns.

Yours in the faith,

Jeffrey L. Sowder

7th Annual IMS Client Appreciation Day!

Lazy, Hazy, Crazy Days of Summer (Nat King Cole)

Chaplain's Corner

Nobles,

Welcome back! I hope everyone was able to enjoy their summer. Football season has begun for the Green Bay Packers and UW Badgers and the season is winding down for the Milwaukee Brewers. Fans all over the state are rooting for their favorite team; play-off hopes are debated, rosters reviewed, coaching critiqued and player performance evaluated. The mood of the entire state seems to depend on the winning or losing of these games. UW-Madison Football coach Paul Chryst was asked in an interview how he keeps his players grounded and ready to play. His answer was that he tells them, "All we do here is play football. On the other side of the campus, they are saving lives." In other words, there are more important things in life than winning or losing a football game.

So too it is as Shriners. It is easy to get wrapped up in the Shrine activities and issues around us and yes, sport's team standings and forget what really is important in our lives as Shriners. As I sat at the Shrine Booth during State Fair, I heard the stories of many parents and former patients whose lives were improved by the care they received at a Shrine Hospital and who were so thankful for that care. It was humbling and it helped me to once again see the big picture of what being a Shriner is all about. Yes, the Packers will lose a game or two, the Brewers may miss the playoffs and the Badgers may go to the Rose Bowl, but another child and their family will always need our care, or a Brother may need our support and assistance.

See you at the Shrine!

Introducing the Shriners Hospitals for Children 2019-20' National Patient Ambassadors

Every year, Shriners Hospitals for Children selects two National Patient Ambassadors to represent the health care system's patients. The new ambassadors are announced at our Imperial Session (annual convention). They spend the year sharing their stories of perseverance in the face of adversity, and the ways Shriners Hospitals for Children has made a dramatic, life-changing difference in their lives. Meet Madelyn and Cristian, our two new National Patient Ambassadors:

Meet Cristian: Patient, Ambassador and Donor

Tuesday, December 18, 2018

Cristian was chosen as one of 22 patient ambassadors to represent the health care system at the Shriners Hospitals for Children Open golf tournament. At the tournament, he served as a standard bearer, carrying the scores of professional golfers as they competed. His participation as an ambassador was possible because he is a patient of Shriners for Children Medical Center in Pasadena.

Spinal Surgery Improves Condition

Cristian was born with spina bifida. The term means "split spine" and includes a group of birth defects that affect the spine. The individual bones of the spine do not grow together, leaving an opening in the backbone.

Four of Cristian's 12 surgeries to repair his spine were completed at the former Shriners Hospitals for Children - Los Angeles (now Shriners for Children Medical Center in Pasadena). The treatment he received, and continues to receive, has given Cristian independence and confidence.

Cristian is a Boy Scout and recently completed his Eagle Scout project by delivering 202 stuffed animals from Build-a-Bear™ to Shriners for Children Medical Center. Cristian handed out the stuffed animals to all the patients and their siblings. It was amazing to witness his hard work and his giving back to the hospital that has continued to help him. Everyone left with a smile.

Cristian is the youngest of three children and loves being an uncle to his nieces and nephews. His best friend is his dog, Barkley. He is currently a Senior in high school and intends to pursue a degree in engineering. He plays the guitar and cello for his high school band. He is also an adviser for the National Honor Society. In his free time, Cristian enjoys spending time outdoors with his family, participating in activities such as camping, fishing, hiking and four-wheeling

MADELYN'S STORY

Tuesday, December 18, 2018

Madelyn, now 19, was born 10 weeks early. Doctors told her parents that she was beautiful, healthy, tiny - and was born without her left arm.

Madelyn's journey with Shriners Hospitals for Children began with her first visit to our St. Louis location, when she was just 3 months old. Throughout her childhood, Madelyn used prosthetics, mainly for balance and to help with various activities. Occupational therapists at the hospital helped Madelyn learn to function and interact in the world. As she grew older, Madelyn began using her prosthetics less often, and by middle school, she opted to stop using them.

In school, Madelyn's busy schedule included not only her classwork but also competitive swimming, first on a team for children with disabilities, then on her high school team. She also participated in competitive, coed water polo. "Nothing is impossible in my mind," she said. "It's just the ability to adapt and work around it."

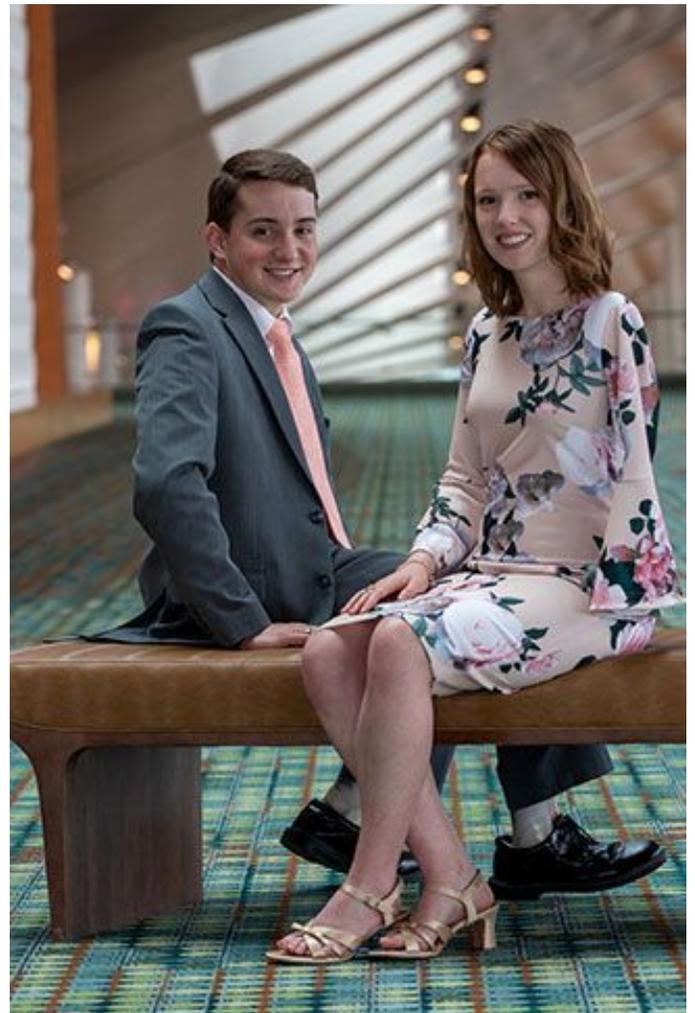

Madelyn has always devoted herself to advocating and educating. She loves to make YouTube videos showing how to accomplish things using only one arm. At Ability Awareness Week, a program of St. Louis area elementary schools, Madelyn loves to share her story and to explain how Shriners Hospitals for Children changed her life. Drawing from her own experiences of being bullied for having only one arm, Madelyn likes to incorporate antibullying themes into her presentations.

Madelyn is currently a student at Maryville University in St. Louis, where she is very active in student activities, and made the Dean's List her first two semesters.

YouTube

"I am incredibly excited to see where this year takes me," Madelyn said. "I hope to inspire other kids and be able to show them that they can do anything they put their mind to - they might just do it a little bit differently."

UNITS

Legion of Honor

The summer is almost over and members of the Legion of Honor participated in their last summer parade on August 31st. Earlier in August from the 14th to the 18th the Tripoli Legion of Honor hosted the GLSA-LOH convention. The members from the other Great Lakes units said they had a wonderful time. I want to thank Tom and Nancy Cole for working the registration, Ron and Evonne Hurst for running the raffle table, Neil Laack as our supplier of libations, Larry Wegner for bartending, the Tripoli Legion of Honor Color Guard, Bob Roth for his tribute to the flag and Joe Scites who made buttons for the convention. I also want to thank the other members of the unit who attended some of the activities that we had.

At the stated meeting on September 11th, we will be holding the flag disposal ceremony which had been rained out at our June stated meeting. The unit's first meeting will be Monday September 16th. All Veterans are invited to attend. I know Tripoli has a lot of Veterans that are not members of the Legion of Honor. We would very much like to see you at our meetings.

DAUGHTERS OF THE NILE

Greetings Everyone,

What a wonderful summer we are having, I hope you are enjoying these special moments with family and friends.

I'm pleased to share some wonderful news regarding our Supreme Daughters of the Nile and our Supreme Queen, Dale Obernolte. Supreme Queen Dale and other Past Supreme Queens took part in instituting a new Daughters of the Nile Temple in San Palo, Brazil. They performed a beautiful ceremony in Brazil. After we receive more details we will report them. You may access pictures and information on the Supreme DON webpage or Facebook page.

Shelomoth Temple No. 106 was honored and excited to have Supreme Queen, Dale Obernolte, come for her Official Visit on September 1, 2019. S.Q. Dale reviewed our Temple Books and found them to be in good order. She was pleased with our progress of Membership building, visibility in the Community and the work we've done with Tripoli Shriners.

Our afternoon started with our Daughters of the Nile Ceremonial, and we initiated 6 candidates. It was wonderful to watch the work of our Temple Members. Thank you to all our Ladies of the Household with their commitment and exemplary work.

The Distinguished guests in attendance were Supreme Queen Dale Obernolte, Potentate Bob Capen and his Lady Jan, a newly initiated Princess, WI Grand Master Robert Strader, and Doug Winter representing Shriners Hospital for Children in Chicago and other attendees.

Princess Nancy Saggio was the entertainment for the Banquet. She engaged the audience with sampling of "Belly Dancing."

Distinguished guests were introduced and gave remarks. It was a wonderful evening. Thank you to everyone who attended and gave their support to our Supreme Queen Dale's Official Visit and to our Distinguished Guests.

The Tripoli Staff went above and beyond to make this event a huge success, thank you.

"Sparkle On, Shelomoth Temple."

Nile Angel Hugs,
Maria Boyer-Jensen-Queen
