Potentate's Message

Robert Capen

Happy New Year Nobles!

But more importantly congratulations to the new officers of Tripoli Shrine. I know our Potentate Elect Rick Kingstad and his officers are going to have a great year. And I want to thank Rick for all of his support in 2019. Tripoli has a great team of officers and the future is bright with these men as the future leaders of our Shrine. As this is my last message as Potentate, I would like to take this opportunity express my gratitude to the following:

To the Past Potentates of Tripoli – Thank you for your support and good counsel over the last seven years. I could not have done this job without your assistance. It was your encouragement that pushed me thru to the end. Thank you for your past leadership, and thank you for all that you continue to do for Tripoli.

To my Divan Officers - Thank you also for your support and hard work this past year. I especially want to thank you for putting up with the “pink” theme of this past year. Wearing the colors (and by the way all of you looked great in this color) to support our ladies for all that they do was an important message that needed to be shared. Tripoli Shrine needs our ladies and I thank them also for all that they do and continue to do. Great job Divan and Ladies.

To my Chief Aides – Ill. Sir Larry Wegner and Noble Dick Schmid, thank you for all the work behind the scenes making sure that all the details of visits, installations, and stated meetings were addressed. You guys did a great job and always made Jan and myself look good.

To the Clubs and Units – Thank you for the fun, fellowship, kindness, and generosity that you extended to me and my lady. We always felt like we were treated like family. You are an awesome group of Clubs and Units. Your generosity and support of Tripoli was over the top! Keep up the good work. We have some great memories of our visits over the past year.

To the Nobility – Thank you for allowing me to serve you. It has been an honor and privilege to be your Potentate. It has been an amazing journey and an experience that I will cherish the rest of my life.

The path to becoming Potentate started back in 2013 and at that time I never thought that I would follow thru and become the Potentate of Tripoli. There was hardly a year that I didn't consider dropping out of the line. Every successive Potentate encouraged me to stay on. When I was elected Oriental Guide, my lady gave me a special gift of a ball point pen that she had engraved. “And so the journey begins” was the phrase she put on it. The journey of being Potentate may be over, but my life journey with this special lady continues. The journey that I shared with her these last seven years is one that could not have happened without her strength and support. She has worked tirelessly for Tripoli. I am blessed to have her by my side. I hope we made a difference.

To all: I truly believe that Shine Masonry at Tripoli is the flagship Masonic body in SE Wisconsin. We are moving in a positive direction and the energy, activities, and participation keeps getting better. We ARE on the right path and I am confident that Tripoli will be here for future generations.

THANK YOU...And may god bless you and may god bless Tripoli Shrine.

Yours in the faith,
Robert Capen, Potentate

Happy New Year!

The bright lights and happy sounds of the Holiday festivities are gone. The decorations put away for another year. The hopes and dreams of the Holiday belong to Christmas Past. We are once again firmly rooted in the reality of our lives. However, we have opportunities every day to keep the spirit of Christmas in our daily lives.

Take advantage of the three hundred and sixty five new opportunities you have been given to celebrate life. Make room in your heart for any goodness coming your way. Share a meal, be a friend, show kindness to someone in need, comfort someone in distress or give someone the gift of your time.

Choose your actions and words wisely this year so that you are remembered as a good human being, a great friend and a true guide. I hope you were able to start 2020 surrounded by family, friends and surrounded with joy, peace, kindness and love but whatever your circumstances, I wish you a happy and healthy 2020!

Shriners Hospitals for Children

to participate in the

131st Rose Parade presented by Honda

For the tenth consecutive year, Shriners Hospitals for Children will participate in the 131st Rose Parade presented by Honda. Eight representatives will ride on the float entitled Hope Knows No Limits. The float expresses the hope that can be seen in every aspect of the work and the mission of Shriners Hospitals for Children.

Our float depicts one result of the presence of hope: joy and acceptance – seen through the carefree exuberance of children sharing a day at the playground. Hope gives them the freedom to enjoy their childhood. Our mascot, Fezzy®, marks his eighth appearance on our Rose Parade floats by joining the children in the playground – the one who is part of the float design, and four patients whose lives are a showcase for hope every day. Madelyn and Cristian, our National Patient Ambassadors, are joined by patients and local residents, Monserrath and Gianna. Also riding on the float are Imperial Potentate Jeff Sowder and First Lady Cheryl, and Imperial Chaplain Bobby Simmons and his wife Nancy.

Our entry, Hope Knows No Limits, celebrates the joyful, carefree spirit of childhood that is born of hope. For our patients, hope guides everything – from the ability to enjoy and participate in what are typically everyday experiences, to believing in the future and the ability to contribute to society, from endless resilience and perseverance, and even being accepted and welcomed. Hope is a strong current underlying everything we do at Shriners Hospitals for Children – including offering care for complex medical conditions, conducting research to discover answers and create new and better treatments, and offering medical education opportunities to share knowledge that extends our reach to even more children.

The parade's theme of The Power of Hope is illustrated throughout our float. In fact, even our title, Hope Knows No Limits, can be seen as a description of the parade theme. Hope is present in the joyful abandon of the characters of the float itself, and in the hearts and minds of the patients riding on the float, who demonstrate the power and the limitless nature of hope in their lives every day, as they go on to dream big and achieve more than even they can imagine. Shriners Hospitals for Children are places where hope and healing meet, and lives are changed.

The Shriners Hospitals for Children float will be on display for pre-judging, and float riders will be available for media interviews starting at 10:30 a.m. on Monday, December 30, 2019 at Phoenix Decorating Co., Rose Float Plaza South, 5400 Irwindale Ave., Irwindale, California

POTENTATE ELECT RICK KINGSTAD BIO

I was born on April 27, 1953 in Phelps Wisconsin to Robert and Elvira Kingstad. I was the middle child of 3. Kristine, my older sister and Signe my younger sister. Mom and Dad operated a supper club and small resort. Land O' Lakes is a tourist destination know for fishing, hunting and the beauty of the Northwoods. A real small town USA. My dad passed away too soon at the young age of 39. My mom became the finest person I have ever known. She was wise, fair and loving. We never wanted for anything. Didn't get everything, but, got everything we needed. Growing up in a tourist Mecca wasn't all bad. In the summer the "summer people" crowded our little town and it buzzed with activity. There was always someone who needed advise for catching the big one or "How do we find the Light?", or do you know

where the haunted mansion is? Went to elementary school at Land O' Lakes grade school. Moved on to Eagle River Union High School. Graduated from high school in 1971. Furthered my education with several years at UW Stevens Point. Felt the urge to move on and travelled to Phoenix AZ. Phoenix was fine, but, that wasn't where I felt comfortable. Joined a company from Madison, WI that travelled North America inspecting wood railroad trestles. With them I saw almost every state and most of Canada. After several years with them I had taken care of my desire to see the world. Found a job with Wisconsin Bell that became my career. Spent 40 great years with the telephone company. Started as an information operator, moved to the business office and shortly thereafter became a technician. The last 10 years with them was probably the best job I ever had. Worked the Kettle Moraine area and delivered hi-speed service to my customers. I became a Mason at Henry L. Palmer Lodge.

In the spring of 2003 I became a Shriner. My wonderful wife, Bonnie has been my constant companion and best friend on my Masonic journey. We married September of 1990 and between us there are 3 wonderful children. My oldest Ryan and ours, Elyssa and Jakob. The kids never cease to amaze us. They're the best ever. My sister Sig has supported our Masonic journey as well, her husband was a Mason and a Shriner. Mom was Eastern Star, her family was deeply involved in Masonry. I want to thank all of you who have helped me on this journey. It's not over. It's beginning. Through all of us Tripoli will remain strong and vibrant.

We discussed changing our monthly meeting night from the second Friday to the third Wednesday. Some felt more nobles would be interested in Wed much more than Friday. If we have members that would prefer the third Wed. that weren't at this meeting, call Rick Loch at 414-406-8230. We voted on the change and the vote was split favoring Friday night.

We again received an award for the "Favorite Tree" at the Festival. Hope you saw it. It was a one of a kind "Steampunk Tree." Thank you Doug Brown for your creation.

A new member was welcomed into the unit - Patrick Kaehan. He passed all of our examinations. Congratulations & Great to have you!

Elections followed. Rick Loch--Director, Mark Norville--President, Keith Sargent--Vice President, Dave Nylon--Secretary, Joe Schoner--Treasurer

The following officers were then installed by Chief Rabban Rick Kingstad: Dave West, President; John Marotta, 1st Vice President; Eric Standarski, 2nd Vice President and Steve Winters, Secretary/Treasurer. Dave West announced there would be no meeting on January 1st, due to the members attending the New Years Eve bash at the Shrine Center and it would be tough to be out two nights in a row. Shelomoth Temple No. 106

Working together to benefit Shriners Hospitals for Children

Happy New Year to All,

A leader of any organization cannot attain their goals and objectives without the support of the members of their organization. The Princesses' of Shelomoth Temple No. 106 have supported their Queen through "thick and thin." As that Queen, I am so very proud to congratulate you and praise you for all your help and support.

When you were asked to volunteer for Open Doors, FEZtival of Trees and many of the other events, you accepted the challenge. I cannot express my gratitude and thanks for all you have done to "Make a Difference" in our mission and to support the Shriners Hospitals for Children.

Your actions allowed us to build positive relationships with our Tripoli Shriners, the Divan Ladies, Tripoli Women's Auxiliary and many other Masonic organizations. We are entering the New Year in a positive light and will continue to make strides. You are all awesome! Keep up the great work.

Shelomoth Temple No. 106 Daughters of the Nile has formed a new Nile Club in Puerto Rico. Shelomoth Temple is the sponsor of this Club. We have already obligated two Princesses, Betty Vega and Neysa Valle. Some of us are planning on traveling to San Juan, Puerto Rico in February to welcome and help our new Club. Illustrious Potentate José A. Segui of Temple Al Rai'e Saleh, Puerto Rico is very excited to have a Nile Club in Puerto Rico and looks forward to someday having a Nile Temple in Puerto Rico.
