Potentate's Message

Rick Kingstad

Nobles, Ladies and friends,

Another month of quarantine, social distancing or whatever you may refer to COVID-19 as has passed. Tripoli still proudly stands on Wisconsin Avenue as it has for decades. The social activity inside has ground down to a standstill but there is activity. The grand old place is receiving TLC with cleaning, lighting changes and general maintenance. Damon and Patrick have upgraded the lighting in areas to keep energy costs down using existing resources to do the upgrades. Doug has been working very hard outside and inside to keep our Tripoli Shrine in the grand form it deserves. John is working with the Federal Government to find additional ways to get funding. We are receiving funds from some of our groups that greatly helps with the sudden stop of income. Lady Bonnie has been answering phones during the week, cleaning and taking orders for our Fish Fry.

The Fish Fry just had its third week. It's been a good success. Thanks to all the Tripoli families who come each week now to enjoy a to-go meal and share a few words with the volunteers. We started sharing beer and wine at a low cost to the members - that also has worked out well. Next week the catfish will be discontinued. Replacing that will be RIBS! We will have baked Cod, fried Cod or RIBS. The sides will still be potato pancakes or a baked potato. Call your orders in on Wednesday or Thursday between 10:00AM and 2:00PM, use the Tripoli number 414-933-4700. If no one answers, press 5 and leave a voice mail. Include your name and telephone number in case we must call you back.

When you pick up on Friday, you do not even have to leave your vehicle, just drive through to the door by the kitchen and we will deliver your order directly to you. There are Nobles who are donating their time to guide you to the delivery location.

I think and pray for all of us every day. This is like nothing any of us have ever experienced before. Keep in touch with our Shrine Mason friends. Call someone to brighten their day. We gave our neighbor a fish fry meal yesterday and it for sure was a high point for him. A simple "how are you doing" is all it takes. We are not just Shrine Masons, we are friends. Together we are strong.

"The strength of Freemasonry is in its loyalty to each other." ~ Vasilios Karpos

Shelomoth Temple No. 106

Working together to benefit Shriner's Hospital for Children

Hello

Here we are, still staying home and learning new ways to connect with our members. I am pleased to announce that we had a virtual installation in which I was crowned Queen of Shelomoth Temple No 106. We also installed our line officers and Banker. The remaining officers will be installed once we meet again in person. I always try to look for the good in any situation. In this case it was a true honor for me to have my daughter Kailey crown me in our home via Zoom. She and I picked out the crown I will be wearing in hopes that one day she will wear it as a Queen in Daughters of the Nile.

In a traditional installation, she would not have been able to do this - so this is my blessing among the disappointment of having to do a virtual installation.

"In this case it was a true honor for me to have my daughter Kailey crown me in our home via Zoom."

The Supreme Temple has been very flexible and accessible to help us through this uncharted situation. I am saddened to inform everyone that our Supreme Queen Dale Obernolte passed away on April 6th and our Supreme Princess Royal Heather Krastins Lambert has been installed as our new Supreme Queen. Our thoughts and prayers go out to SQ Dale's family. We also extended heartfelt support and encouragement to SQ Heather.

These are very difficult times for all of us. I am still able to get out to work and interact with my coworkers and patients. Many of you are not leaving home and are missing family and friends. I look forward to the day we can all be together again.

Until then we will continue to have Zoom sessions at the same time as our normal stated sessions - second Saturdays at 10 am. Watch your email/Facebook for the links to join in. As I have said before - the dress code now includes pajamas!!!

As of this writing, we are still planning for our Supreme Session in St. Paul MN in June. If any changes are made we will be sure to notify the ladies of the household.

Shelomoth Temple No. 106

Working together to benefit Shriner's Hospital for Children

Be safe and stay strong - we WILL get through all of these difficult times and I believe we will be stronger!! Reach out to me with any questions - I am here for YOU and for our kids at Shriners Hospitals for Children!

Much love and Nile smiles,

Legion of Honor

Having sent my last 3 Tattler articles to the wrong email address, this is a composite of the New Year. As luck would have it, January decided to arrive on the night of our installation. Weathermen predicted 6 to 10 inches of snow on January 11th. Luckily, we got a lot less. The installation followed our dinner at Diamond Jims Supper Club in Hales Corners. Then Potentate Bob Capen and Divan member Matt Wright were the Installing Officer and Installing Marshal respectively to install Gary Parker and his corps of officers for 2020. The Legion wants to thank past Commander Tom Cole for his leadership over the past two years. Our first parade of the year was on March 14th for the Bluemound Road St. Patrick's Day Parade. It was cancelled due to the Coronavirus. We are also lining up our summer parades. We have Harland on June 28th; we have applied for entry in the Menomonee Fall Parade on July 3rd. We then have Wauwatosa and New Berlin on July 4th. South Milwaukee and Dousman on July 25th and 26th respectively. St Francis will finish off our parades sometime in late August. The Legion of Honor meets at Tripoli on the third Monday of the month at 7 pm. If you are a proud holder of a DD-214, we would like to see you.

Mystic Brewers

Brewers, Winemakers, and Tasters,
Well another month of social distancing has passed and my stock of refreshments is diminishing. I just got done bottling a batch of wine. A Cabernet – Syrah blend. And brewed a Scotch Ale that should be ready to tap in a few days. I should be ready to weather the next month or so. Hope all of you are doing well and please keep working on your brews and libations. I would like to have a get together where we could share what we have made during out time apart. I hope to have a “Pub Meeting” as soon as we are given the green light to meet in groups again.

If you are interested in joining our club, please drop me a note and I will add you to our contact list. Ladies are welcome to join too. Be safe!
Cheers,

Riding Out the Storm

Nobles, the 2020 season brings unique challenges. While we practice social distancing and stay close to our families, so too shall we evaluate the best way to fulfill our mission of support during these times. We have all ridden out a storm, and this is one that the award-winning Tripoli Shrine Motor Corps will ride out, too. On April 20th, we held our first-ever virtual meeting via WebEx. It was a great success -- with over 14 Nobles attending, we were able to tend to business.

The most important outcome was in support of our Shrine. Last month, it was made known that the lack of income during Governor Evers' stay-at-home order put Tripoli's finances in jeopardy. The newly formed Feztival unit donated \$10,000 to Tripoli to help us all get through this time and challenged other units to donate as they could as well.

Understanding the importance of this need, the Motor Corps rose to that challenge. The motion was passed, and we will match the Feztival unit by also donating \$10,000.

The uncertainty of in-person sales also put the Vidalia onion sale in question. We concluded that we would take pre-sales only. Please reach out to anyone you can who may be interested in onions, tally pre-sales, and get your orders in to Keith Sargeant by May 3rd so he can submit a total on behalf of the Motor Corps.

Parade chairman Ron Hack reported that several parades have cancelled. We expected this and will continue to follow the situation, in hopes that there will be some opportunities to perform this year. Besides the safety concerns, municipalities are struggling with budgetary impact from the pandemic as well. We will work with them however we can, to foster a continuation of the Motor Corps' great relationship with the community.

Looking forward, we are performing much-needed maintenance on our truck to make sure we're ready to go. We will have our next stated meeting again virtually on WebEx on May 18th. Until then, may all the Nobles and their families be safe and well,

Fraternally,
Sean Schult, Commander

Clowns

THE MAGNIFICENT SEVEN ride again on board the beautifully decorated gulf-cart Clownmobile. It was a most heart warming and splendid sight to see that cart at every parade last summer. Rain or shine, week after week, our loyal and dedicated clowns managed to turn out and fill those seats. Hats off and congratulations, job well done.

The Clown Unit is always looking for any Shriner who would like to ride with them, JUST ASK. They will welcome you with open arms. No costume needed, we'll supply you a red nose but do wear your Fez. Don't worry, we'll find you a seat.

Womens Auxiliary

I HAVE REALLY MISSED SEEING YOU!!!

It seems like a very long time since we have been together. I sincerely hope that you have been healthy! As we miss the close contact with our families, friends and daily activities, we realize the importance of keeping everyone safe.

Although it is necessary to cancel our May meeting, I would like to reschedule our planned program to honor some of our past members and presidents. This is a very important event that should not be overlooked.

I am hoping that we will be together for our June meeting. At that time, we will discuss ideas for some special events. Although we usually go dark during July and August, if there is interest in still holding a monthly meeting, that can be arranged.

With a lot of time on my hands.... I have spent hours reading many articles of inspiration. The one that comes to my mind quickly is based on being grateful for the life that we have and the special people that surround us. Every day is a gift.

I sincerely hope that you are able to find comfort in the hope that our separation may soon be over. We all have had so many plans put on hold during this crisis.

Let's continue to work together to increase the membership of our important organization. In 2023, we will be celebrating our "100" year anniversary as an auxiliary for the Children's Hospital and healthcare. Wow!!!! I am looking forward to making the next 3 years very memorable. Please invite your family, friends, their friends, and their friends to join this wonderful organization.

Stay healthy and safe,
