# Potentate's Message

## Joseph Brunk

Greetings Tripoli,

I hope everyone is out enjoying the MUCH-improved weather and getting excited about the waning of the pandemic. I think I speak for most that I am excited to see "the light at the end of the tunnel" quickly approaching; after a full year of craziness, it is almost surreal to hear offices making concrete plans for reopening and full states lifting all restrictions. Hopefully, the vaccinations continue at a good clip and we can refocus our lives on something fun, positive and productive.

For all those that participated in and volunteered for Sportsman's Night, THANK YOU. It is incredible how much hard work and dedication goes into pulling off an event like that. Thankfully we have an amazing group of Nobles that are true professionals at this; they plan and organize this annual event that is the envy of many, many temples. It was also very impressive to see 400 perfectly prepared steaks served in around 20min; Banquets and Catering Manager Amy and Chef Robert are a great team and really helped Tripoli put our best foot forward that night.

Looking forward, we are looking to have our "Welcome Back Open House" on May 29th, which is 1 week later than originally planned. I am hoping that an extra week will allow for more folks to get vaccinated and feel comfortable returning to the Shrine! I am asking each unit to make sure members attend to participate and act as hosts in their recently cleaned/organized unit rooms. We will have a game with a great prize to encourage guests to get to each unit room and learn more about the plethora of unique opportunities for fun and fellowship we provide here at Tripoli. More details to come VERY soon.

On Wed, July 28th we have a great opportunity to gather with friends and family for an evening watching the Milwaukee Milkmen. Through a partnership with the Milkmen, Tripoli will get a percentage of each ticket sold through our ticket portal which will be available on our website and sent out to each noble in email blasts etc. Friends and family are encouraged to come and buy a very reasonably priced ticket and enjoy the undoubtedly

beautiful weather! Additionally, we will be able to run a 50/50 the night of the game and we get to keep the proceeds. Lastly, we will have a space near the gates (donation station) where we can set up a table, talk about what we offer in terms of fun and fellowship, advertise our banquet space AND collect donations. The more Shriners wearing their fez in the stands the better, it is a great opportunity for us to draw attention to our fraternity and what we offer our friends and family.

I am working on a couple more fun, affordable and family friendly events for this summer, but I could really use some volunteers to help me organize/run the events. None of these events are terribly complicated or time intensive but each does require someone to track and prod along. Please let me know if you have any great ideas or if you would like to help out and organize one of the ideas floating around.

As you can see, things are starting to ramp up here at Tripoli for 2021, so I encourage you to reach out, get involved and come have some fun.

Well Done Good and Faithful Servant.

Spring is here.....you can feel it in the sunshine, hear it in the return of the noisy robins, see it in the daffodils poking their leaves from the ground and smell it in the fresh air. With the arrival of Spring, for many of us, our thoughts turn to Easter.

Alleluia, He has Risen! Let us rejoice and be glad. Let us remember all that our Lord has done for us. He was falsely arrested, sentenced to death, beaten, forced to carry his own cross, given a crown of thorns and mocked, and finally crucified on a cross. And yet, he did not think of himself, he knew this was his Father's will and that his death and resurrection would bring eternal life to those who believe. In contrast, many of us worry about unimportant things and things we cannot control. We find fault with others over trivial wrongdoings. We are overwhelmed with despair and focus on what we don't have instead of being thankful for all that we do have.

Spring is a time of growth, new life and renewal. Spring brings hope, joy, light, and a sense of an opportunity to start over again; to be reborn or renewed, a chance to review our life and look for the blessings that surround us even in the darkest of times.

Unfortunately, there is much darkness in our country. Hatred, fear, anger, and violence surround us. Some feel it in their daily lives and others see it played out on social media or the news. It affects all of us. As individual Masons and Shriners or as a Masonic Organization, we can help ourselves and others to find the positives in our day-to-day lives.

## Chaplain's Corner

Ron Hack

As the weather warms up, we see more neighbors and families out and about, enjoying the nice weather. We will gather more outdoors, at a safe distance of course, with family and friends for picnics, parades, parties or events. All of these are opportunities to share our blessings, receive encouragement and be respectful of others especially those with whom we may not share the same beliefs or opinions. In Colossians 3:12-13 NIV, we are told, "Therefore, as God's chosen people, holy and dearly loved, clothe yourselves with compassion, kindness, humility, gentleness and patience. " Good words to live by and help us to make the world a better place for all.

"Spring shows what God can do with a drab and dirty world." Virgil A. Kraft  
Enjoy!

## From the Editor's Desk

Hi, I am the new Editor for the Tattler, although I have been working with the newsletter for the last 15 months. This will be a new adventure for me. Having direct contact with the Elected and Appointed Divan, Unit and Club heads, and Auxiliary groups, for a smoother transfer of communication. I am going to be setting some guidelines on length of articles to help with better layout solutions, suggesting article ideas on certain topics, and offering my assistance with designing flyers to helping with your articles.

The Tattler is now going back to the Magazine category, because of its visual cover design, size, full color photos, and pdf version. The main difference is now, its audience is not only Tripoli Shriners but the public, reaching out to potential new members. Creating more links to your websites, for forms, registration, videos, and collective information, will make an easier transfer right from that site.

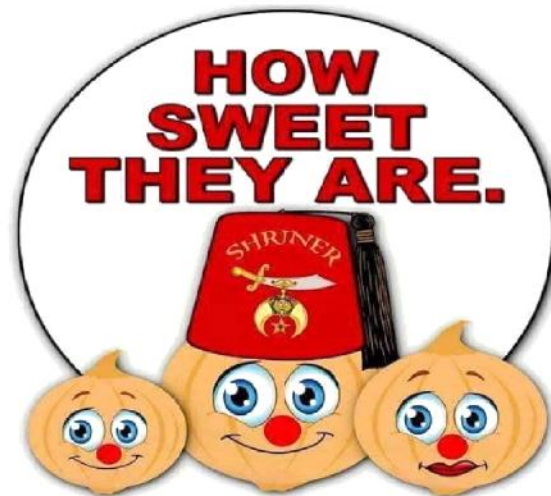

Finally, I am going to be working on the advertising end of the Tattler making it more sustainable. Tripoli Shriners are working together on advertising packages and I hope to be reaching out to Shriners who want to place an advertisement for their own businesses. I am also contacting new businesses to bring some interesting companies that you can try.

My position is on a volunteer basis as before, so there will be no added cost to the Tattler Magazine. I am looking forward to working with all of you. I am going to be dropping in to be introduced to you at your regular scheduled meeting for your ideas and feedback. Please wear your Fez, Tiaras, Kilts, or whatever you need to look festive for group pictures.

---DEADLINE IS NOW THE 15TH OF THE MONTH.---

Thank You,

# HOPE FOR

# IMPROVING MUSCLE ATROPHY

NEWLY PUBLISHED RESEARCH PROVIDES ANSWERES

J.A. Jeevendra Martyn, M.D.

Recent research conducted at Shriners Hospitals for Children, Boston and published in the New England Journal of Medicine has highlighted the important role of specific proteins called sestrins in the regulation of skeletal muscle mass and strength. This new understanding may lead to new possibilities for the treatment of muscle weakness and atrophy.

Masao Kaneki, M.D., Ph.D.

J.A. Jeevendra Martyn, M.D., chief of anesthesiology, and Masao Kaneki, M.D., Ph.D., scientific investigator at Shriners Hospitals for Children – Boston, have been researching the causes of muscle weakness and atrophy, a common result of burn injuries. While it will take time, we are hopeful that activators of sestrins will be developed as a new drug to prevent and/or treat muscle atrophy. Currently, there is no specific treatment for muscle atrophy other than exercise, which is not a viable option for many patients.

### **The effects of muscle atrophy**

Muscle atrophy can have mental, social and physical health consequences that diminish quality of life and increase the risk of additional diseases, and possibly even death. For example, muscle weakness decreases the ability to independently perform activities of daily living, such as feeding and bathing. In addition, during

a critical illness, such as severe burn injury, muscle weakness can result in difficulty breathing. This can lead to dependence on mechanical ventilators, increasing the risk of lung damage and infection. Muscle mass loss also impairs physical development in children. Unfortunately, no specific treatment is currently available for correction of muscle atrophy and weakness.

### **The next step**

Discovering sestrins is the first step. Further research is necessary and important to develop new preventive and/or therapeutic strategies to reverse muscle loss and to improve clinical outcomes of patients with burn injuries.

FOR MORE INFORMATION on the research study, Muscle Atrophy and Sestrins published in the New England Journal of Medicine, visit [nejm.org/doi/10.1056/NEJMcibr2003528](http://nejm.org/doi/10.1056/NEJMcibr2003528).

## Mystic Brewers

Brewers and Winemakers, It was great to see a good turnout for our first in person meeting in March. Thank you to Lady Jan for providing the appetizers. A lot was on the agenda as we voted on becoming a Charter Member of the Shriners International Taproom Association. The unit decided we will be placing a beer in the first brew competition to be held at the Imperial Session in Houston. A plan to renovate the old kitchen into a "brewing area" was discussed. We also discussed hosting some new events at Tripoli. An "Octoberfest Beer Table Lodge" to be held October 14th is in the works and a "Wine Tasting Event" scheduled for June 18th. Please watch for flyers in the Tattler promoting these two events.

The group also held a brew session at the Capen's for a get together...burgers were served afterwards. And of course at all of our meetings and gatherings... beer, wine, and refreshments are served! Our next meeting will be April 11th at 4:00 at the Bavarian Bierhaus (700 W. Lexington Blvd., Glendale). Please let me if you will be attending as I will need to call for reservations. All are welcome to attend. (especially the Ladies)

Be safe and consider joining our new unit!

Cheers...

## Lilly of the Valley

Greetings from Puerto Rico

Lilly of the Valley Club had a very successful First Anniversary Celebration on Feb 21st. Thirty-six Ladies, Nobles, Potentates, Past Potentates, Past Queens, even a Past Supreme Queen, joined together on Zoom to congratulate the Club, and to thank Shelomoth Temple and both Shrines for all their help and support. Each Club member shared her thoughts regarding why she became a member of Daughters of the Nile, each had an interesting story and a lot of enthusiasm for our work and mission. Somewhere along the line, somehow, the promise was made that next February's celebration will be the constituting of the new Lilly of the Valley Temple (not the second anniversary of the Club). An open invitation is extended to you ALL to join us to celebrate Puerto Rico-style!

April is here and we are now one step closer to being able to meet in person. Restrictions are slowly being relaxed so that we can meet face-to-face and move forward with our mission. There still is a ways to go to get over the "pandemic hump," but the light at the end of the tunnel is becoming clearer. Hopefully, we can plan the Club's first-ever face-to-face meeting this month.

Stay tuned,

# Daughters of the Nile

Working Together for the Children

“Greetings” from Jane Blackwood, Queen of Shelomoth Temple

I would like to thank those Ladies of the Household, Nobles and friends who took time to attend our hybrid Zoom/In-person Installation on March 27, 2021. Congratulations to our 2021-2022 officers. It is with my “Faith to Believe” that we will soon be able to meet in-person.

I am thrilled that I had the opportunity to take the obligation as Queen at the altar at Tripoli Shrine Center with our Supreme Queen Heather Krastins Lambert as our Installing Officer. Due to COVID-19, I was unsure how it would turn out, but with the assistance of some of our members, it turned out to be a wonderful day.

I would also like to give a shout out to the members of Lilly of the Valley club in Puerto Rico for their attendance to our installation through Zoom. I would like to also thank Most Illustrious Sir Potentate Joseph Brunk for presenting me with a dozen of the most beautiful White Roses from Tripoli Shrine.

Now, just a little about me. I was born in Ladysmith, WI, but have lived in Beloit for the majority of my life. I am happily employed at the Beloit Public Library and have been there for 41 years. My current position is as a Cataloger and Database Clean-up, which is never ending. I have an amazing niece and two wonderful nephews who are the loves of my life. I am a die-hard Cub fan, love to read and enjoy to travel.

In addition to Daughters of the Nile, I am also a member of the Nile, Order of the Eastern Star, Amaranth and the Social Order of the Beauceant. I am a former member of the International Order of Rainbow Girls and a Past Grand Matron of the Grand Chapter Order of the Eastern Star in Wisconsin, serving with Noble Don “Boots” Jensen.

I would like to reach out to the Nobles and their ladies to let them know a little about the Daughter of the Nile in hopes that the ladies might want to join us in our mission.

Information on  
Daughters of the Nile

If you are interested in joining Shelomoth Temple No. 106, please contact me at [stormkat@sbcglobal.net](mailto:stormkat@sbcglobal.net) or phone/text 608-346-8435.

Just a reminder to the members of Shelomoth Temple No. 106 to join us for our April Session on Saturday, April 10th at 10 a.m. via Zoom. An e-mail will be sent out the week prior with all of the pertinent information. We will continue to have our Sessions via Zoom until the members feel safe to attend in-person.

Happy Easter to all!

# Tripoli Auxiliary for Children

Happy, healthy and blessed spring! We are really pleased to be able to gather together and continue our mission to provide assistance to children with special needs. During these difficult times, we certainly have been faced with some real challenges.

## We have several dates that you will want to put on your calendar.

- **Wednesday, April 21st**, although Easter will be just a memory, I am encouraging YOU to attend our luncheon as I have been told that Peter Cottontail will have left a surprise for you at our luncheon. You must confirm your lunch reservation by calling, texting or e-mailing me (Jo Ann Stawicki) before noon on Friday, April 16th. Lunch will begin at noon with our meeting following at 1:00 p.m.
- **Wednesday, May 12th**, is the Shiner's stated meeting and dinner. Illustrious Potentate Joe Brunk and your Tripoli Auxiliary are planning a program that will include a presentation by our executive chef, Robert Bramblett. Reservations are required so please contact the Shrine office. Additional details to follow...
- **Wednesday, May 19th**, will be our regular scheduled auxiliary lunch and meeting.
- **Wednesday, June 16th**, we will be hosting our annual Spring Luncheon to raise money for the wheelchair fund. Your participation will be greatly appreciated. Please let us know if you would be able to donate any items for our raffle.

There are many ways for you to get involved. Begin by becoming a member of the auxiliary. We ask you to participate as much as you are able. We realize that it might be difficult for you to attend our lunch and meeting on a Wednesday afternoon, but we will keep you informed of special programs that we will host in the evenings. Please contact me for registration form.

In closing, I would like to thank our members of the auxiliary for their contribution to the Shrine Sportsman's night. It was wonderful to see so many of our members working for the good of this wonderful fundraiser.

## Life Membership Information

Let's take a moment and talk about our Life Memberships at Tripoli. You may have had questions as to what options are available in Life Memberships and what the cost to you would be. Let's start with the current Tripoli Dues structure as of 2021 which is as follows:

Members Living in Core Counties		Members Living Outside Core Counties	
Temple Dues	\$90.00	Temple Dues	\$49.00
Per Capital Fee	\$30.00	Per Capital Fee	\$30.00
Hospital Assessment	\$5.00	Hospital Assessment	\$5.00
Miscellaneous 1	\$10.00	Miscellaneous 1	\$10.00
<b>Total Dues</b>	<b>\$135.00</b>	<b>Total Dues</b>	<b>\$94.00</b>

There are 3 basic Life Memberships that may be purchased by the Nobility. The cost of each is set by Tripoli Bylaws and Procedures, which state that we follow the Imperial Bylaws for the cost of all lifetime memberships which are as follows:

- A) Temple Life Membership is 20 times Tripoli Dues if you are under 65 years old and 10 times Tripoli Dues if you are 65 years old or older. Everyone uses the regular Tripoli dues of \$90.00 for this calculation.
  - a. Under 65 the fee is  $\$90.00 \times 20 = \$1800.00$
  - b. Over 65 the fee is  $\$90.00 \times 10 = \$900.00$
- B) Hospital Life Membership is 30 times the Hospital Assessment of \$5.00 or a cost of \$150.00
- C) Per Capita Life Membership is 30 times the Per Capita Fee of \$30.00 or a cost of \$900.00

The 3 basic Life Memberships allow for 7 different combinations of purchases that a Noble may do. They are as follows and determine what due's classification appears on your membership card.

- 1) Total Life Member – Exempt from paying Temple dues, Hospital Assessment, and Per Capita. Responsible for paying Miscellaneous 1 fee.
- 2) LM&PCLM - Exempt from Temple dues and Per Capita. Responsible for Hospital Assessment and Miscellaneous 1 fee.
- 3) LM&PCM – Exempt from Temple dues and Hospital Assessment. Responsible for Per Capita and Miscellaneous 1 fee.
- 4) Life Member – Exempt from Temple dues. Responsible for Hospital Assessment, Per Capita, and Miscellaneous 1 fee.
- 5) PCM – Responsible for Temple Dues, Per Capita, and Miscellaneous 1. Exempt from Hospital Assessment.
- 6) PCLM - Responsible for Temple Dues, Hospital Assessment, and Miscellaneous 1. Exempt from Per Capita.
- 7) PCM&PCLM – Responsible for Temple dues and Miscellaneous 1. Exempt from Hospital Assessment and Per Capita.

If you are interested in purchasing any of the Life Memberships or have any questions, please contact the Tripoli Recorder.

The different dues classes will be discussed in another article.
