Potentate's Message

Rick Kingstad

Nobles, Ladies and friends,

The year is mostly over. The elections are over and bring us a new Potentate, elected Divan and appointed Divan. 2020 did not turn out for any of us quite as we had planned. Tripoli is still in good shape. Even better for some things. This year we were able to give attention to projects that had been on the back burner. Due to days available without events, the foyer received a deep clean as well as the drill hall. Windows were cleaned inside and out. The events that did happen, happened at an acceptable level following the guidelines set by the city and state. Tripoli received the highest allowable capacity from the city. We worked hard to get that rating.

This summer the Units were also running/parading at a reduced level due to restrictions and following local rules for gatherings. We were able to have "2 Wheel" nights, a car show, a summer picnic, fish fries and a golf outing. Scimitar had Sportsman's Night that was very successful and another version of Sportsman's which was a great event. Many Nobles attended and helped at these events. I am grateful to all of you who freely gave your time to make things happen. It taught us that there is always a new learning curve to adjust to. That being said, we are more prepared now than ever to tackle crazy times moving forward.

I'd like to thank you for allowing me the opportunity to be Potentate for 2020. It is an honor to do so. 2020 was not your normal year either. Everything that I never thought of happened, including getting COVID. The experience of being Potentate is one that will remain with me til my last day. The time spent in "The

Line" was invaluable, the Nobles moving forward also learned much from this year. Unexpected always happens and this year was even more so for each of us. The "Black Camel" visited us a little too often. Those Nobles will be missed by all. There are Nobles stepping up and will be leaders in the not too distant future. There is an opportunity here for any Noble to become a leader. Thank you all again for that opportunity. Lady Bonnie, my family and I will have a lifetime of fond memories.

Fraternally,
Rick Kingstad

The New Year's Eve event is sadly another victim of the times and will not happen this year.

The next fish fry is on January 8th. Fish and Ribs will be the entrees. After the 8th fish fry will become the new Potentates call.

Potentate Elect's Message

Joe Brunk

Well, what can I say about 2020 that hasn't already been said? It was a once in a lifetime year, and not in a good way. We do have things to be thankful for and this year has taught us some lessons on what is truly important in our lives. First off, I think I speak for all of Tripoli when I voice a hearty "Thank You" to Potentate Rick and First Lady Bonnie. They have set a truly excellent example for us all in how to put Tripoli and our fraternity first. This has been a brutal year that had robbed Rick and Bonnie of most of the fun parts of being potentate and yet saddled them with some of the most stressful and difficult months that anyone has seen. Through all of this uncertainty and doubt, Rick and Bonnie have been steadfast in their dedication to Tripoli and have truly set an example that we can all be very proud of. We are truly blessed to have had their steady hand on the tiller through this stormy year. I am truly honored and thankful for everyone's vote in December, it is difficult for me to put into words just how big of an honor it is for me. Thank you.

Looking forward to 2021, there remains significant uncertainty at the start of the year. Thankfully, there is plenty for us to be optimistic about and plenty for us to be excited about. I think we are in a unique position coming out of this pandemic. As an organization, we need to prepare ourselves to capitalize on the renewed enjoyment of each other's company and to offer that brotherly love to new nobles. I think we may have an opportunity to increase our ranks by extending invitations to join us in some of the fun activities that make being a Shriner so rewarding. While we are not yet clear of this pandemic, there are things that we can do to prepare ourselves and our organization for when we are clear. I am asking all unit heads to attend a focused meeting on the Saturday following the Stated Meeting/Installation. We are putting together a pointed agenda with the intent of aligning our leaders to prepare to make the most of fully reopening and getting back to a more normal way of life. This is not going to be an easy year, and we have plenty of challenges.

Together, with a good plan, we can make the most of it and continue the upward momentum that we have been building the past couple years.

This year we really need to focus on membership and fundraising. Specifically fundraising for Tripoli. Thanks to Gerry Arnholt, Rick Loch and others, we did have a couple of very successful fundraisers in 2020. The crazy thing is that these fundraisers were a ton of fun to participate in. It was a great opportunity to meet people from the community and provide them with fun events while raising some much-needed funds for Tripoli. We are going to be trying to hold these events more regularly in 2021, and that means we need all units and Nobles to step up and help out at some of these events. The great thing is that the old adage "Many hands make light work" definitely applies at these fundraisers. We all chip in and make it an easy, fun day. Participation and volunteers have been great at the 2020 events, we are asking for that to continue and even increase as we return to normal.

Please stay engaged at Tripoli and help us prepare for a great year. Please do not hesitate to reach out to the organizers of some of these events to offer your hand, I can promise that you won't regret it and you might even have a blast!

POTENTATE ELECT JOE BRUNK BIO

I was born on December 6th, 1980 in St. Francis Wisconsin to Kyle and Deborah Brunk. I am the older brother to Elizabeth. My parents are hard working folks; Dad worked at GM/Delco in Oak Creek and Mom worked for Kohl's grocery store when I was young, put herself through school while working at Wisconsin Gas Company and ultimately retired from WennSoft. Unfortunately, we just lost my father this past Dec 1, 2020 at the age of 69. It is still a little surreal typing that!

At the age of 6 we moved to Franklin Wisconsin, where I attended grade school through high school. I lived in Madison Wisconsin for 5 years and then moved back home to start my career. I have had a variety of experiences as a working person. I started out selling computer equipment for CDW in Illinois, where I learned that sales was not something that I was going to be great at. It took me a couple tries to break into a more business centric role, but I ended up working for Thomson Reuters BETA Systems as a Financial Systems Specialist. I went back to school in Milwaukee to earn my MBA, which afforded me the opportunities at software companies as a Product Owner working on software development companies. After stints at Advicent and Finastra, I landed at Northwestern Mutual where I am a Senior Product Owner and I hope to continue to grow and thrive. I am currently taking a year off (2021) from my pursuit of another masters degree, this one in computer science. I am hoping that in 2022 I can resume those studies armed with some of the new things I learn this year!

I am a Past Master (2016) of South Shore Lodge #3 in Franklin Wisconsin. I am really looking forward to this year with all of the challenges that we face, I sincerely believe that with these challenges come proportional opportunities for us as an organization to rise to the occasion and come out of this pandemic as a stronger group.

Rick and Bonnie have been amazing in navigating the unknown waters of 2020 and I believe they, along with the rest of the leadership at Tripoli, have put us in a good position to come out of the storm in 2021. This year, I will ask for your patience and then your involvement where and when it is appropriate for you and your family. We are going to continue to thread the needle of having some fundraising events for those who are at low risk while planning for when we can return to having events that all of our nobles can enjoy. I will do my best to identify and communicate how everyone can participate, regardless of the pandemic; there are many things that we can do to advance Tripoli while being somewhat apart.

I want to say "Thank You" to all of the nobility for the faith they have placed in me to lead us during this difficult time. I am confident that we have a great leadership team in place at the front of the divan to successfully get through these difficult times, these guys are incredibly dedicated to Tripoli with varying backgrounds in business and government. Together I am very optimistic.

Respectfully,
Joe Brunk

Jan 13th 2021 @ 5:30pm

This will allow for social distancing while still providing us an opportunity to get the 2021 officers installed. Please be sure to RSVP as you are expected to do for each stated meeting. If you are inviting guests, please make an extra effort to get your RSVP in so we can plan the meals.

Treasurer's report was given by Treasurer John Bugajski. He reminded the Units and Shrine Clubs that the 2020 annual reports are due in early January. Please start getting your information together to complete as soon as possible. Due to the major loss of income from Covid-19 we are down about \$22,000 for the year of which about \$20,000 is depreciation. Noble John thanked the members for their support over the past 10 years as he is not seeking reelection as Treasurer.

A motion was made, seconded, and passed to accept the Treasurer's report.

Black Camel:

HP&P Dale Graeven read the roll of the workmen summoned by the Black Camel since our last meeting., The following Nobles answered not:

Douglas P Stewart, Thomas E Prasil, Robert J Klatt, Daniel L Mathson, Francis R Young, Robert P Saichek, James W Roeder, Jack A Love, Bruce A "Major" Davie

The Chaplain offered a prayer for our departed Brethren.

He also offered a special thank you to the Illustrious Treasure John Bugajski for his work over the past ten years. He noted that John will not be running for reelection. The membership extended a standing ovation to Noble John.

PP Winter informed us that with the generosity of the membership and the great work in cutting expenses, we have made it through this year. While we a long way from being clear of the special financial problems caused by COVID-19 he makes the following motion: Tripoli will transfer \$40,000 from the checking account to the Tripoli Investment Fund. The motion was seconded, and a brief discussion followed. The motion was voted on and passed.

Trustee Report:

No report

Scimitar Foundation Report:

Oriental Guide Gerry Arnholt gave this report. They conducted a mini sportsman night at AJs to benefit Tripoli. It was highly successful bringing in about \$6,000. They are easy to do, take about 8-10 volunteers, and are working well. If you know of any places that may be interested or need information, let Gerry know.

The regular Sportsman's Night is scheduled for March 26, 2021 at Tripoli. Looking for it be a great success. We have a riding lawn mower as a prize plus lots of Ammo, guns, and other items. Mark your calendars as we will require many volunteers for the event.

Next year Scimitar will be starting a \$1.5 Million Building Fundraiser. The major area needed to be addressed is the HVAC system. The current system is about 40-45 years old and needs to be replaced. With this fundraiser we could be in position to maintain this building for the next 30 years.

Captain of the Guard Damon Albers requested to make a presentation. Noble Albers presented \$20,000 to the Scimitar Foundation on behalf of Greg and Diane Zarse and himself.

OG Arnholt extend his thank you to Noble Greg, his Lady Diane, and Noble Damon from the Scimitar Foundation and members of Tripoli.

2021 Unit Head Meeting

Jan 16th 2021 @ 9am

All unit heads are expected to attend this meeting for us to coordinate our plans for 2021. If anyone is unable or unwilling to attend, an effort should be made to send a proxy. We will be discussing some very important topics that will definitely affect OUR temple in 2021 and beyond. Please do what you can to attend, we need to use the time that we have to prepare our units and Tripoli as a whole to come out of this crazy pandemic with a good “head-of-steam” and not limping.

An agenda will be sent out to each unit head prior to the meeting to provide insight and an opportunity for unit heads to organize their thoughts. Topics will include-not limited to-Membership, fundraising opportunities, unit room organization/cleanup, TRIPOLI OPEN HOUSE and temple work days. More details to follow.

Date : Saturday Jan 16th 2021

Time : 9:00 AM – 11:00 AM

Where : Tripoli Shrine Center, Melham Parlor

Refreshments : Donuts and Rolls will be provided along with Soda and Coffee

We encourage any and all interested Shriners and Ladies to attend. Please note that we will be attempting to stick to a relatively strict agenda to avoid abusing anyone’s schedule. Our goal will be to make sure every unit is aligned on what some of the priorities are for Tripoli coming out of the pandemic. Fresh ideas are definitely welcome, but be aware that we may not have an opportunity to discuss/debate each good idea. Ultimately, we would like to come away with actionable items, with responsible parties.

ATTENTION
All Unit and
Club Heads

Please submit articles and photos to the Tattler regularly. We need your active participation to promote your Units and Clubs for growth in our Tripoli Shriners Community.
