Potentate's Message

Joseph Brunk

Greetings Tripoli Family,

I hope everyone is enjoying the wonderful summer weather we have here in Milwaukee. I sure am enjoying the post-COVID activities that are happening this year, time is really flying by; I can hardly believe we are already in July! Since we are just over halfway through 2021, I figure it is probably a good time to look at how things are going for Tripoli. I took some time to look back at where our collective minds were back in January/February, and I am happy to say that I think we are in a better spot and on an upward trajectory.

In January, we were all concerned about our financial position following 9+ LONG months of the pandemic. Thankfully, Rick and Bonnie had led our organization through the brunt of the 2020 crisis

and we found ourselves with our head above water, which was a much better position than many in the US were in at that time. In those first months, I asked for folks to put their collective minds to finding ways to fundraise and make some much needed money for Tripoli while the banquets and catering business had time to recover and start generating revenues. I am truly humbled and amazed at the response from our nobles, ladies, family and friends; I am honored to report that I think we have successfully “turned the corner” and are no longer in a vulnerable short-term financial position. There are so many people who have put in extremely long hours to make this possible; while I have tried my best to thank people along the way, I realize it is nearly impossible to call out each individual contributor in this short monthly message.

Most recently, we have seen DOZENS of volunteers show up to work down at the Fiserv Forum working with the Bucks on their playoff run. I can tell you that each game we work hard, and I return home after each game well spent, so I can only imagine how some of our senior volunteers felt; yet we were up for each game and STILL manage to have a great time working amongst our friends to take advantage of this opportunity. I am working with Pat Jackson –who found this opportunity and organized the volunteers to ensure that I have a comprehensive

list of all those who have worked these long hours for the benefit of Tripoli; we have a special “thank you” planned for everyone who showed up.

I believe that we will continue to improve our financial position through the end of the year. While we can be thankful for this immediate short-term financial success, we also need to be mindful of our long-term trajectory. I am hopeful that our brighter financial outlook for the year will allow us to adjust our collective efforts to increasing our membership. We should definitely celebrate what you all have been able to accomplish together already this year—it is no small feat; however, Tripoli’s long-term success depends on increasing our membership numbers. Lucky for us, increasing our membership goes hand-in-hand with having fun together and inviting new folks to join us while we do so.

Tripoli’s summer activities are a PERFECT opportunity to invite that brother from lodge to bring his family to the Milkmen’s game and meet some of the other nobles and ladies... or invite your non-mason neighbor to come to a parade and maybe catch a beer afterwards with your unit. Please take a look at the upcoming events and see if you can’t bring a friend to the event.

By the time you have read this message the Tripoli Golf outing will have already taken place, but there are more great events coming up this summer.

Potentate's Message

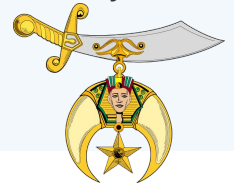

Joseph Brunk Continued

July 10, we have the Tripoli Car Show, please reach out and attend, it is a really fun event and a perfect chance to invite potential members. July 28th, we have the Milkmen's game, please coordinate with your units to identify where you prefer to sit, there are tickets at all price points and included features (i.e., food and beer). Three days later we have the "Big Ray's Car Show" and yet another opportunity to have some fun with our Tripoli Family.

On Sunday August 22nd, BEJA shrine will be coming to Milwaukee for a Brewers game. Illustrious Sir Ben Rodgers has asked us to help coordinate the tickets and a tailgate. Tripoli has secured a block of tickets for this, please be sure to visit the event page on Tripoli's website to reserve a spot if you are interested. This is a "bobble-head" game, so we need to give the Brewers 30 days' notice if we are not taking all the tickets, this means by July 22 we need to have your RSVP if you plan to attend.

I hope to see you all at some of these events this summer, it was really nice to see everyone at the Wine Tasting this past week. Unfortunately, I was exposed as a terrible sommelier and an even worse listener. I managed to ruin the corks on two bottles after being outsmarted by the fancy opener; I then proceeded to get a kind patron to open all the bottles of wine for me when the instructions from Bob Capen were clearly to open only HALF of the bottles!!! Yikes. I can keep a secret though. The patron who opened the bottles walked off with the corks and left me trying to cover their tracks when asked how we were going to preserve all these open bottles. I guess I am trying to say that we all have our strengths and weaknesses, if we show up and participate there is a good chance, we will all have a great time and maybe have a funny story to tell. Please do not forget to RSVP for the September welcome back steak dinner for nobles only. Dress is casual again.

Respectfully,
Joe Brunk

From the Editor's Desk

This year the calendar has had many events and meetings posted and is overflowing. During my search for meetings, to do meet and greets, I found that many were cancelled, but still on the calendar. Starting out in August, I will be sending out an email to all heads requesting that they all respond if they want their meetings in the Tattler Calendar, for the upcoming month.

I apologize for not getting a Happy Father's Day out to all you dads and granddads. Hope you had a good one. Many people have asked what is the best way to submit articles and flyers. I posted below some of the guidelines regarding submitting articles into the Tattler. Hopefully this will help in understanding the complexities involved. Ceil Klein - Tattler Editor - 262-581-3500 tattlereditor@tripolishrinecenter.com

Submitting information for the Tattler Magazine.

- 1) **Text formatting:** Our software program only accepts raw text, no bold, no font size, no fancy font, no special margins, no centering, no bullets, and especially no cute pictures. If you need those items, they have to be re added after they are in our software program, which takes more time. Please be considerate that it won't look the same way as submitted.
- 2) **Word Processing:** Use Microsoft Word, or equivilant and please use the spelling and grammer editor.
- 3) **Word count restrictions:** Units, Clubs and Alliances are to be kept to less than 300 words.
- 4) **Flyers:** that need to be designed by me, should be requested ONE month prior to to your deadline. No exceptions! Please do not design a flyer in word. This has to be reformatted to a JPG or PNG and this produces a lesser quality image. Ideally they should be designed in program like Canva, which is a free and a fun way to design anything or similar program. All flyers must have a date, time, contact and location on it.
- 5) **The DEADLINE IS TO BE RESPECTED!** Most Shriner magazines and newsletters have a deadline of the 1st of the month. I am trying to accomodate everyone, but where other Shriners have teams, I am only one volunteer person who has multiple duties as the editor. If you have any questions please call Ceil @ 262-581-3500.

Gerald G Arnholt III

High Priest & Prophet

By Ceil Klein

Meet this year's High Priest and Prophet for the Tripoli Divan, Gerry's most important roles at Tripoli, however, is being the President of the Scimitar Foundation. The purpose of the Scimitar Foundation is for the preservation and renovation of the Tripoli Shrine Center building. He is also a member of the Kilbourn Chapter No. 1 and the Red Cross of Constantine. Gerry is currently serving as the High Priest and Prophet of the Tripoli Divan and is in line to be Potentate of Tripoli Shrine in 2024.

The Arnholt family attended many other Masonic and Shriner events and fundraisers, so it wasn't a surprise when Gerry followed in the footsteps of his three brothers by becoming a mason when he was 21 years old. Gerry is a life member of 32nd Degree Scottish Rite mason of The Valley of Danville and shortly thereafter became a Shriner with the Ansar Shriner Temple in Springfield, IL.

Gerry came to Wisconsin when he attended Ripon College and graduated with a Bachelor's degree in Economics. During that time, he also played on the Ripon College hockey team as well as the lacrosse team.

After graduating from Ripon College, Gerry decided to start his professional career in the Milwaukee area. He quickly became a Tripoli Shriner when he transferred his membership from the Ansar Shriner Temple. It didn't take long for him to take on significant roles within Tripoli. He is a long-time member of the Tripoli Director's Staff and Hillbilly Clan 50. He is also a member of the

Tiipoli Clowns, Red Fez, Brew City Fez Heads, Longriders, and most recently Tripoli Auxiliary. One of Gerry's most important roles at Tripoli, however, is being the President of the Scimitar Foundation. The purpose of the Scimitar Foundation is for the preservation and renovation of the Tripoli Shrine Center building. He is also a member of the Kilbourn Chapter No. 1 and the Red Cross of Constantine. Gerry is currently serving as the High Priest and Prophet of the Tripoli Divan and is in line to be Potentate of Tripoli Shrine in 2024.

Beyond his Mason and Shrine activities, Gerry is very involved with several networking groups, such as the Glendale Chamber of Commerce, Independent Business Association of Wisconsin (IBAW), and the Corporate Casual group. He is also a member of the Sons of the American Legion in Germantown Post 1 and the Milwaukee Elks Lodge No. 46. He is a life member of the National Rifle Association (NRA), as well as a certified NRA instructor.

If that wasn't enough, in the past you could find Gerry on a softball field coaching a girls softball team or on a baseball field coaching youth t-ball/baseball. You could also find him on a field coaching a boys lacrosse team or on an ice rink coaching a youth hockey team.

The most supportive "team" behind Gerry is his family. He is married to Diane (who has the patience of a saint!) and they have three children: Brayden (who is also a Tripoli Shriner and member of the Tripoli Motor Corps), Lauren, and Logan.

All three kids have been a part of Tripoli since they were born and can

be found volunteering at many events, such as Sportsman's Night. In his work life, Gerry is a salesman at heart. He spent many years as a sales manager in the automotive business, as well as running his own sub shop and working at several insurance and financial agencies. He is currently a financial advisor with VantagePoint Financial Group. Gerry's life exemplifies the saying, "It is better to give than to receive." Throughout his life, he has reflected this with the time and energy he has given to various organizations. The members of Tripoli, are very appreciative in being one of the "receivers" of Gerry's great talents. Thank you Gerry for all that you do for Tripoli.

Most are typical house cleaning actions with many pertaining to virtual meeting brought forth by the pandemic this year. There are 2 that affect the membership more so than the others:

- 1) Imperial proposes raising the Per Capita Tax from \$30 to \$50. This would go into effect for the 2022 dues.
- 2) Temple membership: The proposal is to allow Temples to accept a petition from a Master Mason or from a candidate of good character provided the person of good character meets the age requirement for Masonic membership in the jurisdiction of the temple and is thoroughly investigated by the temple.

The elected represented will report back on the outcome of these and all other actions taken at the Imperial Session.

There being no further business, the Temple was closed in due form at 8:07PM.

Dats All Honor the Cob: Cuz Gary

Highlanders

In Memory Departed Highlander Jack Love- Jack was with the band since its inception, and remained active with the band even after his marching carrier had ended. He could often be found on practice nights enjoying a scotch on the rocks from his frosty mug. Jack played the pipes and was a Tripoli Highlanders Chieftain Emeritus. He served the temple and many Potentates in various capacities and positions. Jack was very dedicated Shriner, Highlander, and a fine example for all. Till we meet again, may God hold you in the palm of his hand.

Back from the pandemic- The Highlanders marched our first parade in over a year on Memorial Day. The band sounded good, looked good and we played for a very appreciative crowd in Rochester Wisconsin. After the parade we celebrated at the nearby home of unit member Grant. It was a great day and we began the parade season in style.

Summer Practice- We'll be able to meet for practice at the Temple on the 1st and 4th Wednesdays of the month in conjunction with Lodge meetings those same evenings. Unit room 6:30.

Clown Unit

Declaring victory over the Covid 19 virus, The Clown Unit held a Welcome Back Reunion Luncheon. The event was held May 15th at Aliotas Restaurant and featured a delicious meal with choice of five different, mouthwatering entrees. YUM YUM.

After dinner, while the dessert was being served, it was announced that the Clowns have a full slate of parades lined up and soon will be back to business as usual. Per the request of the Potentate, it is hoped that all units will line up together and show the public what Tripoli Shrine is all about. Enjoy the parades and have a wonderful summer!

Brew City Fezheads

Brewers, Winemakers, and Tasters,
Our "Wine Tasting" Party was a big success. Thank you to all that participated and brought wines. We had over fifty people in attendance. The winner of the best liked wines were:

Red Wine – Carrie Soriano & Doug Winter

White Wine – Patrick Jackson

Each winner received a gift card to Total Wine. I did learn some things that will be done differently the next time we host...but all in all everyone had a great time. Our brews are ready for Imperial Competition and I will be reporting the results of our efforts after we get back from Houston. Thank you to Al Soriano and Jason Sliwa for making two of our competition beers. Our next business meeting (July 11th at 12:00pm immediately after Sussex Lion Daze Parade) will be at Al & Carrie Soriano's Home, W236 N6257 Hickory Drive, Sussex, WI. Please bring a dish to pass. This is a change from our normal 4:00 meeting time. If you are interested in joining our club, please drop me a note and I will add you to our contact list. Ladies, friends, and guests are always welcome to join us too.

Be safe! Cheers...

Waukesha Shrine Club

I'm happy that we have finally been able to meet in person the last few months. I hope we will start having a larger turnout when we resume our meetings on the 1st of September. Hopefully by then, more of our members will feel comfortable getting out and joining us for a dinner and fellowship (and maybe even a cocktail). I haven't decided the location for the next meeting so you will have to watch for the notice which I'll send out in the middle of August.

For those not familiar with our Club, we meet the first Wednesday of the month except July, August and December (our installation of officers is usually the first Sunday in December). Lately we've met at Ella's (in Wales), Meiji Cuisine (in Waukesha) and Albanese's (in Waukesha). Normally, we're at a different location each month. Dues are a staggering \$10/year. The ladies are invited to all meetings except our annual stag meeting in October when we elect the new officers and decide on any additional donations we make for the year. We've participated in the annual Feztival of Trees and are planning to again this year. If you're interested in joining our group, send me an email (or call and leave a message) and I'll add you to the mailing list. We still do snail mail for some of our members. We'd love to see new faces, too!

I'm glad to see the activities and events picking up around the Temple as more units are getting active.

Lilly of the Valley

Greetings from Puerto Rico . . . !

We FINALLY get to meet in person!!!

The date is set, the location has been selected and secured, the agenda is being finalized! Rest assured, it will take us a while to get around to the business portion of the meeting. First, we will have to have hugs all around and get "reacquainted" with each other. That may take a while. Then, we can get down to business.

When we do get down to business, we will be discussing more specific plans for the long-anticipated Clinic day in San Juan and our next lesson about what Daughters of the Nile is and what our Ritual holds. It will be our opportunity to start learning about this wonderful organization and building the excitement and enthusiasm needed to go forward in increasing our numbers in order to become a Temple.

We have waited for more than 16 months for this!

Stay tuned . . .

Jane Blackwood, Queen

Tripoli Auxiliary

I would like to extend a very big thank you to all for contributing to make the "Just Bee" luncheon and fundraiser a fantastic and successful event! I was so impressed by the amount of door prizes that were provided by our members and local businesses.

Special thanks to Kathy Lijewski for suggesting that we ask Rachel Riley, from Riley Farms to be our guest speaker. Rachel's knowledge and presentation regarding all types of "bees" was very informative. We appreciate that Rachel's daughter Elenor also came to assist.

Kathy Lijewski did a wonderful job displaying all the raffle donations as they arrived. She handled this challenge with great ease. I am thrilled to say we needed more tables than we originally planned. Thank you!!!

We are very grateful to Daylene Bain and Lorraine Beeman for selling all the raffle tickets. Your help was amazing.

With efforts from Gerry and Diane Arnholt handling the 50/50 raffle, our Tripoli Shrine transportation fund was given 50% of the amount collected.

I discovered that Gerry Arnholt and James Burton are truly amazing! They had our guests reach deeply in their pockets to make a financial contribution.

Terrific meal Chef Robert and your kitchen staff, our picnic was wonderful. Special thanks to Amy for all her assistance in making our event run smoothly.

Thank you to the following members for their special contributions. Doug Winter. who lead us in prayer, Gloria Leeb our treasurer, Sherry Schlicht Membership chairperson, Melinda Winter table decorations, Diane & Greg Zarse nut sales. If I have missed anyone, please accept my apology.

Lastly, we did make a difference in the life of a child. Our total profit, although not completely finalized, will make a difference. I will keep you informed of any events happening in the few months. I continue to wish you good health and a very safe summer.

SHRINERS AND THEIR "LITTLE CARS"

During every summer parade, you see them. **Grown men wearing fezzes, squeezed into tiny cars, driving in circles, delighting children along the parade route and giving their parents a chuckle.** "There go the Shriners again," we say to one another. But have you ever wondered why they dress up and drive those little cars?

Well, there's no big history or ritual behind them. They're purely entertainment for the kids, of course. As a way of distinguishing themselves during parades, the Shriners started wearing elaborate costumes and driving tiny cars designed more for tricks than speed. Car and Driver magazine even investigated the cars to see what they're all about. These "modern go-karts" each costs about \$1,600. The Shriners are so secretive about where the cars are made that the article's author could only pry out that they're built somewhere in Illinois.

We often talk about our multidisciplinary team approach and here is a PERFECT example of what that means! At a recent visit, Vincent not only saw his orthopedic physician, Dr. Vara, he also his prosthetist, Matt and his social worker, Nancy!
#teamwork #ShrinersChildrens

A few weeks ago, we shared the news that our top leadership allowed us to provide a new prosthetic arm for former patient Parker, a 24-year-old college baseball player, even though he has aged out of our system. His prosthesis was stolen in South Dakota, and then recovered but not useable. This ability to provide an prosthesis to a former patient is because first and foremost we are caregivers with compassion, and the men of the Shriners International fraternity who govern our health care system also care deeply about the people we serve. Today, Parker visited us and we fitted him for his new arm! News cameras from four stations captured the excitement!

Gavin's LA Laker leg fits him PERFECTLY so he was able to take it home!
