## Joseph Brunk

Nobles and Ladies

I hope everyone is enjoying the recently improved weather here in Milwaukee and getting excited about all of the summer activities around town and here at Tripoli. I just returned from the Northwoods Shrine Club where I got to catch up with those fine nobles from a number of temples and they are very excited about this summer's return to a sense of normalcy; I know many of us on the divan are looking forward to attending their summer picnic on July 17th. Which brings me to a related topic, every noble is encouraged to visit different shrine clubs/units to participate and/or help out with their functions; making your intention to attend known to the organizer/president is required, but please get out and participate in the different events going on this summer.

As you may have noticed, we have quite a few events coming up in the near future and I am hesitant to try and speak to each in this letter, but I want to call out a few that we should try and support as best we can. Support for these events can come in many forms; attending, volunteering to work, encouraging friends and family to attend, soliciting donations for raffle, and posting fliers are all valuable ways to "support" an event to help ensure success. We all have different degrees to which we can be involved, but if each one of us thinks about how we as individuals can help out, these events will be VERY successful.

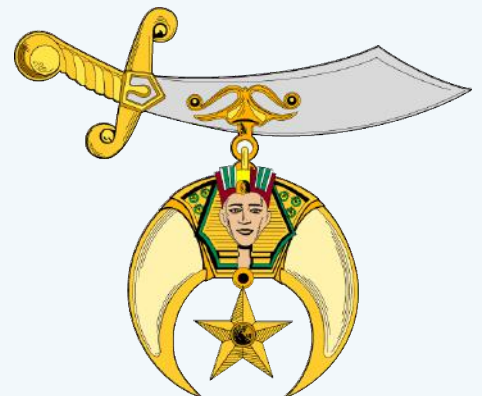

In June alone, we have Matty's Sportsman's Night (June 8), Tripoli Auxiliary Fundraiser Luncheon (June 16), Wine Tasting Event hosted by Tripoli's very own brewing group the Brew City FezHeads (June 18), Racine Masonic Center Sportsman's Night (June 19th) and Tripoli Golf Outing (June 29). In July we have Tripoli Car Show (July 10), Northwoods Picnic (July 17), Tripoli day at the Milwaukee Milkmen game (July 28) and Big Ray's Car Show to benefit Tripoli (July 31).

As a reminder for nobles attending the June stated meeting, in recent years we have done a casual dress meeting in June then no stated meeting in July and August, with a return to a stated meeting on September 8th for a Stag Steak Night. Ladies are welcome at all meetings except September and December (elections).

Please keep these events in mind and tell your friends, family and neighbors about the great time to be had in and around Tripoli.

Respectfully,  
Joe Brunk

## 'She's Like Me': Waconia Boy With Prosthetic Leg Gets Puppy Born Without Paw

"When she was born, we knew right away she had a special purpose," Barb said. Right away, Felt had a vision for Marvel's future. "We wanted her to go in a home with someone who had a limb difference," Barb said. She was soon connected to the Williams family in Waconia by another one of her clients, who is the occupational therapist for 7-year-old Paxton Williams. He was born extremely premature, and developed an infection in his leg that stunted its growth.

She was soon connected to the Williams family in Waconia by another one of her clients, who is the occupational therapist for 7-year-old Paxton Williams. He was born extremely premature, and developed an infection in his leg that stunted its growth. Three years ago, his parents made the decision to have doctors amputate his foot and give him a prosthetic so he could more easily walk and move around on his own.

Barb knew Paxton would be the perfect match for Marvel. Blaine Williams, Paxton's father, says he and his wife Stephanie love to see their son and Marvel overcome their limb differences together. "It's like they knew they were special," Blaine said. In just a week of bringing Marvel home, Paxton has already taken her on a lot of walks along the trails near their home.

## "Family, Fraternity and Church"

Paul Peterson P.P. and his wife, Betty (Tischer) live in a quite subdivision in New Berlin where they are anxiously awaiting the covid restrictions to be over because family is the most important thing in their lives. We all could say that, but in this Sicilian, Italian family, it means just about 50 immediate family members. Betty from a previous marriage of 32 years, her husband passing away from cancer, had four children. Now after 42 years of marriage with Paul they have 10 grandchildren, 19 great grandchildren and 2 great-great grandchildren, plus 3 on the way.

At Betty's 90th birthday party, celebrated at Tripoli Shrine, there were 100 from her side alone. Paul's 90th will be in 2026 and that will be a party to remember. Betty grew up in the neighborhood surrounding the Shrine and remembers peeking into the windows of the Mosque thinking how grand it looked. She reminisces about riding the camels for fun. Little did she know that in 1997 she would be the First Lady, alongside Paul as Potentate.

Raised a Master Mason in 1964 at Wauwatosa Lodge 267, Paul then joined the Scottish Rite, Valley of Milwaukee in 1976 and 10 years later he became a member of the Tripoli Shriners. A member of the Ritualistic Divan, member of both the Waukesha and Racine Shrine Clubs. Paul has also been a Royal Masons Kilbourn-Calumet Chapter #1, Knight Templar Wisconsin Commander #1, St Wilfred Conclave, Red Cross of Constantine, Order of Quetzalcoatl, Teocalli #50, Eastern Star, West Allis Chapter #172, and Red Fez. He has been active on numerous financial committees and fundraiser events, acting as chairman on several. All this was when he became Potentate in 1997. Since then, he has been an instrumental resource and supporter of the Shrine and its members. He has been quoted as "a person who represents dignity and patriotism for our country".

After all his illustrious titles and dedication, what I found more intriguing is that Paul's job as an appraiser took him all around the world, and he never missed a Stated Meeting at Tripoli.

Stated meetings, Lodges, Units, fundraisers and more, he never missed an event. Dinners, installations, or balls were never pushed aside.

When he was away, he gained immense satisfaction in attending whatever function Shriners or Lodges would have on their calendar, in the towns he traveled to. Philadelphia, Houston, London, and Hong Kong to name a few.

When he was in Pago Pago, American Samoa, he searched for a lodge and eventually found one, the size of a two-car garage. They called around and found the Master of the lodge to let him in.

When attending many events in Norfolk, Virginia, where he frequented, there was a joke going around that they wanted to "put him on the line."

From the Tattler 1997: "His responsibilities took him as far west of Singapore, as far North as 600 miles south of Antarctic Circle, as far South as 13,000 feet up the mountains of Peru" and "he can apply his wealth of experience to lead Tripoli along new paths to greater success." The year of 1997 was a profitable year. "You get out of it, what you put into it" was his saying.

Continued on next page

Paul was Potentate at the time when Tripoli just finished a full restoration project, which had taken years, to get the Mosque back to its original state. He told me that years before, they painted the walls brown so that smoke from cigars and cigarettes did not show. The only way to describe it is 'dirty and dingy.' "For years we kept it to ourselves, then it was time to open it up to the public". What a wonderful building to share with Milwaukee. Paul and Betty's grandson, JJ, got married there.

Paul accomplished so much being in Masonry for almost 60 years, but the one thing he is best known for, is his complete knowledge of the Mosque. Paul was asked to come down for all scheduled tours to narrate them, taking visitors through a historical glimpse of time, as if the Mosque could talk. That prompted him to start on his next project. He took it upon himself to consolidated many articles and added his own knowledge to make the **Tripoli Shrine Center** tour booklet that stands today, for all who want to take a self-guided tour. Room by Room it tells you the 'when and how' and describes all the reasons behind the names of the rooms, additions, and remodelling, including the reason that staircase goes nowhere.

Paul still attends many functions, but due to Betty's health, their greatest place to be is home with family. Memories fill their home with two large pictures of them as Sir Ill Paul Petersen, and his beautiful Lady Betty, taken at Tripoli and numerous portraits of family. At the end of our visit, Paul gave a little chuckle when saying, "I am third in line right now, there's George Vignyovich, Bob Manske and me, 1991, 1995, and I am in third, 1997 for Past Potentates still living". Now at 84 years young, this tough Sargent of the Marine Corps gets led around by his finger, by the smallest of great-great-grandchildren, to explore and make new memories.

"The amount of emotions that were running through me at the time, it was just awesome because it was knowing that she was in the perfect place at the perfect time," Blaine said.

Stephanie has already seen Marvel make a difference in the way Paxton shares his own story with his friends and neighbors.

"It gives him the opportunity to tell the kids, 'Oh she's missing a paw, she's like me,' and like it gives him that voice, too, to advocate for himself," Stephanie said.

As Marvel gets older, she may need a wheelchair or prosthetic of her own to get around. For now, the hope is someday Paxton will be able to run with his prosthetic, and Marvel will be able to run alongside him.

We miss our departed brothers, and hold their memories in our hearts. In the upcoming months we'll post a short memorial for each of these dedicated Band Members.

Highlanders, if you've not been getting the weekly band updates or practice recaps, please let me know so we can update our email lists.

We're in the process of planning summer practice. Keep an eye open for further details. Also parade invites are rolling in again, we'll be posting those as information becomes available.

Keep up the home practice, it's critical. By the time this new letter is posted we'll have already marched our first parade for the season.

## Brew City Fezheads

Brewers, Winemakers, and Tasters,  
The Fezheads had another great turn out at Old Germantown. We met the owner who shared with us how he started this new business. "Old Germantown" just opened last year and currently serves craft beers. They are hoping to have their brewery up and running by year end. Old Germantown also serves homemade sausages made in the old European tradition. They were delicious. We discussed ordering shirts and hats with our new logo. Please watch for our featured beer and wine at Tripoli's stated meeting. A big thank you to Alan Soriano for sharing his Hefeweizen last month. Our next group meeting will be June 13th (second Sunday of the month) at Black Husky Brewing, 909 E. Locust St., Milwaukee at 4:00PM. Our membership is growing and we invite you to join our group. Ladies, friends, and guests are welcome to join us too. Be safe! Cheer! Bob Capen, Brewmaster

## Festival of Trees

The Festival Elves met last month to begin our preparations for the 2021 Festival of Trees. Much of the work that is normally needed to run this event was started last year and so we are way ahead of schedule on the work. But there is no coasting for the Festival Elves! At our meeting it was decided that the Festival unit will be creating a new event for February 2022. Tripoli will be hosting an annual Indoor Ice Fishing Tournament. The Elves will be turning into Game Wardens for that event! More details on this will be coming in later months. If you would like to join our unit, please contact me. We are always looking for hard working elves. Our next meeting won't be until July. I will send out an email to members for the meeting place and time as we get closer to July. Thank you Elves for all your hard work.

Bob Capen  
President

## Legion of Honor

The next meeting of the Legion of Honor will be on June 21st at 7pm at the Tripoli Shrine Center. This will be our last meeting until September. Our first parade will be in Hartland on June 27th. We meet at the shopping center on Highway 16, off of the Merton exit

at noon. I have received word that the Menomonee Falls July 3rd parade has been cancelled. The Legion of Honor is a unit for Veterans of the Military services. If you have a DD-214, we would like you to join us. Enjoy your summer.

## Waukesha Shrine Club

I'm so glad we've been able to start meeting in person again! We started out small, with a group of 6 for our April meeting and I was happy to see our group increase to 11 for our May meeting. I'm hoping for an even bigger crowd for our June meeting as we return to one of our favorite locations of the past, Albanese's in Waukesha.

Our portion of the "great Vidalia onion sale" went better than expected as we were able to pick up 45 more bags than we had originally ordered and still managed to sell out by 1:30 on Saturday afternoon. Many thanks to Eric and Wayne Standarski, Steve Winters, Gary Ebert, Duane Bunting, Nathan Devermann, and Maria Boyer-Jensen (and the Daughters of the Nile) for all their help in getting the onions where they need to be, pre-selling onions and sauces, manning the selling stations on Friday and Saturday and pulling this all together!!

An extra special shout-out to Henry Pynakker for his extraordinary efforts by handling the sale of 200 bags for his select group of customers! Great job Henry and we appreciate your dedication and hard work.

I wish everyone the best as we move forward with vaccinations, decreasing infections and opening up with more "normal" activities and getting out to see our friends and brothers again.

Fraternally,  
Dave West, President

## Lilly of the Valley

Greetings from Puerto Rico !

Last night, as I was listening to Nora O'Donnell hail the reopening of America – after more than a year of shutdown due to the pandemic – I thought, "You Lucky Ducks!" Here on the island, we still have to wear masks everywhere (inside and out), social distance, limit businesses to 30% capacity. We're still struggling with outrageous rates of new cases. Our time has not yet come.

But, in spite of our restrictions, Lilly of the Valley Club is forging ahead with our projects and plans. We have now started a project to make face masks for the kids, with the hopes that the Clinic will be held in October. The need for masks will not disappear; hopefully, we will just not need as many. Our fellow members at Shelomoth Temple are helping us out with the purchase of fabric and elastic for the masks, and maybe even sewing them.

Another project we are working on is the creation of a calendar for 2022 featuring the beauty of the island. One of our members is an avid traveler around the island and a photography buff; she is providing the pictures for the calendar. Look for the cost and order forms for the calendar later this summer.

Creating an opportunity to get together and actually see each other and share some hugs is at the forefront of our minds. Maybe we'll finally get our "Wood Doughnuts" and the picnic in the park before the hurricanes come!

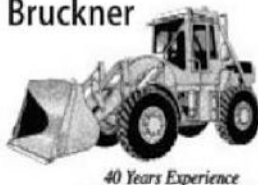

And, as always, we continue our search for new members so that we can become an independent Temple. Hopefully, by next Memorial Day!

Stay tuned . . .

## Tripoli Auxiliary

Summer has finally arrived and we are in the process of preparing for our luncheon and fund raiser to be held on Wednesday, June 16th. We are in need of raffle items and gift baskets. Let's make a difference in the life of a child!

I would like to extend a large thank you to Chef Robert for his presentation at Ladies night. Your program was very informative and we appreciate all of your suggestions.
