Potentate's Message

Matt Wright

Hello Nobles and Ladies!

Welcome to Spring! Well...at least the official first day of Spring has arrived. Whether the weather knows and wants to abide by that or not seems to be in question. There's a saying that, "If you don't like the weather in Wisconsin, wait a while, it will change." That's been very apparent lately. Some days are tolerable, some days are cold, some days are super cold, and other days have been warm enough to open the windows of the house, let some fresh air in, and maybe even start some of those outside projects.

Along with possible increased activities outside, there have been many activities going on at Tripoli Temple and around Wisconsin, as seen and read about in the Unit and Shrine Club articles. Thanks to all the Nobles and Ladies who submitted – and continue to submit – articles for the Tattler. Keep up the good work.

With parade season approaching fast, posting your parade dates in the Tattler (page 25) is a great way to spread and stimulate support. Getting the word out about all the good things going on in Shrinedom is not only important, but it also piques interest in your activities and may cause others to ask how they can join your fun. A special thanks to Ceil for her continuous hard work and endless enthusiasm for our publication. Her work so greatly appreciated.

On March 5th a Masonic Day of Light was held at Brookfield Masonic center. Forty-two new Master Masons were raised and should be congratulated on their preferment. Tripoli was there to offer information about the great things Shriners do and how we give back to the community. Many pamphlets (with petitions hidden inside) and pins were handed out, many questions were asked and answered, and some friendships were made. It was a good day all around for Masonry. As a result of the success of this Day of Light, another Day of Light will be held on Saturday, November 12, 2022, at Tripoli Temple. The Grand Master will provide a special edict that will allow all cast members of the degree, who are Shriners, to wear their fez while performing the degrees. It will be another great day, full of many moving parts, so talk to those guys who you think would make great Masons and bring them over to Tripoli for the Day of Light.

Congratulations to all the Officers of Shelomoth Temple No. 106, Daughters of the Nile, who were recently installed on March 19th. Chief Rabban Dale Graeven,

and his wife Sondra, along with Assistant Rabban Gerry Arnholt and his wife Diane offered best wishes to Mary Mock on her installation as Honored Queen and congratulated all the members of Shelomoth Temple, hoping everyone has a happy, prosperous, and fun-filled year.

Speaking of Shelomoth Temple, a HUGE "thank you" is extended to all the ladies who assisted with the Tripoli Sportsman's Night, which occurred on March 25th. Sportsman's Night is one of the biggest fundraising events for our Temple and it was a tremendous success, hosting nearly 500 people. That success would not have been possible without the hard work, perseverance, and dedication of Tripoli's Director of Sales, Amy Harycki. Her efforts, along with countless volunteer hours given by the Tripoli Nobility truly made this a magical night. Numerous people volunteered their time to ensure the success of this event, among them were Gerry Arnholt, Pat Jackson, Gary Barg, Past Potentate Rick Kingstad, Bonnie Kingstad, Damon Albers, and the list goes on and on. If I failed to mention anyone's name in this paragraph, it certainly does not mean your efforts were not noticed or appreciated; I simply don't wish to be called "long-winded" as usual. Thanks to all who helped to ensure the success of this event.

April will bring the smell of flowers...and onions! Not a great combination, but a great fundraiser. Onions arrive on April 28th, so get your pre-orders in for those delicious onions and sauces!

Spring is slowly coming to Wisconsin. The weather is warmer, the daffodils are poking their heads out of the ground and the dogs are making muddy paw prints on our floors.

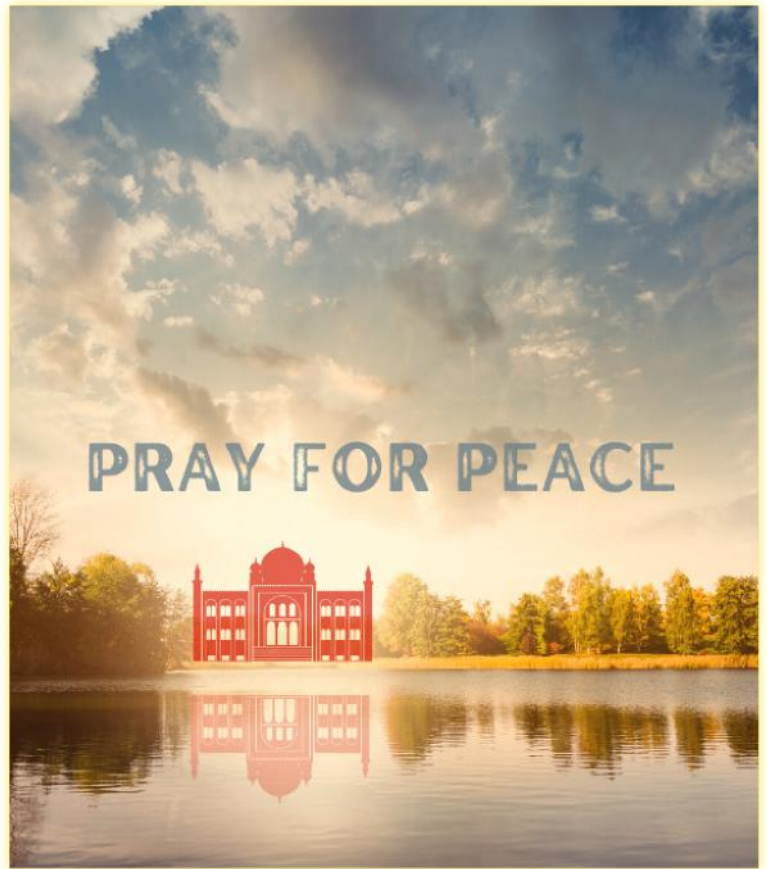

Spring is a time of growth and renewal. In nature, that comes from the right combination of light, water and warmth.

For our spiritual lives, it comes from the right combination of time with God and His word and time in fellowship with others who believe in God. (Ramsey Solutions)

We are living in a time of chaos, confusion and turmoil. We need God more than ever in our lives. The Psalmist David wrote, "Create in me a pure heart, O God, and renew a steadfast spirit within me." Psalms 51:10 (NIV) Spring reminds us that God keeps his promises and makes the world, and us new when we believe in Him and His almighty power against sin.

Let us pray,
Heavenly Father, we ask that you come to each of us in our own way. Guide our hearts and minds to find peace and strength in this chaotic world. Encourage us to worship and have fellowship with other believers. Help us to help others find the strength to make it through their daily lives.

Almighty Father, we mourn the loss of so many good people this past year including our Chaplain Emeritus, John Benathem. May they rest in peace after their earthly labors. We ask your blessing on those who mourn, who are sick or troubled that they can find peace in your loving hands.

We ask that you be with the people in Russia and Ukraine. Watch over them and give their Leaders and ours, the wisdom and strength to do what is best for their people and find a peaceful solution without more bloodshed. Be with all those, who are impoverished, hungry, and ill or imprisoned due to conflict.

We are thankful for all you have given us and pray that we can use our gifts of time, skills and money to better the lives of others.

In His Holy Name we pray, Amen

May the glory and promise of this joyous time of year bring peace and happiness to you and your family.

From the Editor's Desk

Hello everyone, I knew that little spring we had would turn into the Milwaukee we all know, wind with forces to blow my patio furniture off to another county and frigid temperatures which makes it difficult to go find said furniture. With all that said Easter is on its way. I hope you have indoor plans because the Easter Bunny isn't going to lay those eggs outside.

A few things to mention; I volunteered to help you with your flyers but it turned out that it was all put on my calendar. I am a graphic designer and the length of time donated to a job outside of my volunteer editor position is quite overwhelming, so my dog says.

I have started to charge for the flyers designs because to be successful in getting the information out there, it takes more than 1 flyer. When I design something for your unit, club, alliance, or committee, I first design the flyer, also maybe a half-page flyer, then there are the lovely inside screens and finally the outside screen. This adds up to numerous hours. So please ask me for my assistance well in advance because of the approval process (page 27) and the design time. One to two months ahead of the first three-month timeslot in the Tattler. Thank you.

Potentate message continued from page 2 ~~~~

Take a break from all the spring yard work, and volunteer to help your Units or Shrine Clubs sell many bags of onions and many bottles of sauces while having a good time. Thanks go out to Past Potentate Tom Schlicht and Noble Mark Norville for all their efforts and work coordinating this every year. They do a fantastic job.

Blane Goldner

Nominated by Mark Pachekshi and Garrett Buttenhoff

Blane Goldner is a Mason (10yrs), Shriner (9 yrs), and a fun, dedicated, fundraising man that gives his heart to many charities. His passion has led him in many directions with one purpose, to help people less fortunate than him.

He organized and put together 2,000 - 4 person box dinners for veterans staying at the VA Hospital and needy families around the community.

For the Milwaukee Veterans Hospital 4th of July celebration, Blane organized all the food that makes their picnic a success. He finds businesses and people to donate the food, then cooks it up for all.

This is all possible with the Brotherhood Council of Milwaukee, of which he is a member. He organizes the food donations and volunteers with all the combined lodges including Prince Hall along with his lodge, Palmer Milwaukee-Harmony #26, where he is the Secretary and a Trustee. Garrett, that nominated Blane is the Worshipful Master.

Blane belongs to the Royal Arch Masons, Tripoli Longriders, and is a standing member of Beja Shrine, where he is a Hillbilly and likes to donate to their causes.

March was MS, Multiple Sclerosis, Awareness Month and that is something Blane donates to every year. This April 9th is the 20th Annual Rabbits Unlimited MS Fundraising Event. It contributes to MS research, assistance programs for individuals affected by MS, and scholarships. And Sounds FUN.

As I talked to Stacy, his wife, with all the things he is involved in, helping everyone around him, it is time we send some support and prayers his way. Blane is fighting Kidney failure right now, so send him a kind note, a food offering, or a helping hand like he has done to so many.

Thank you, Ceil Klein

Where have you lived before?

Went to Land O' Lakes grade school, high school in Eagle River and attended UW Stevens Point. Moved to Phoenix in search of whatever it is that young men are looking for. Phoenix was okay, just wasn't what I had been hoping for. I found a new life

path with a company that inspected wooden railroad trestles all over North America. Still having wanderlust I jumped at the chance. For the next several years I was able to see almost every state and most of the Canadian Provinces. I pretty much discovered my America. After those satisfying years, I needed a little more grounding and found a new life path with the telephone company. Was employed at at&t for 40 years. Saw us move from party lines and dial phones to data, video and much more.

I still enjoy being in Land O' Lakes for the peace and quiet there. We spend as much time there as possible.

Since I've been in Southeastern Wisconsin I have found my partner, Bonnie. We've been together for 34 years and married for almost 32. We have 2 children, Elyssa and Jakob. I also have a son, Ryan. My family and children are the best things that have ever happened to me. We all have separate lives, but enjoy being together. I have 2 sisters, lost one to cancer (Kristine), and still spend time with Signe.

Who was your Masonic sponsor and why did you become a Master Mason?

My mother and her family had been involved in Masonry for all of their lives. I never had the opportunity to get involved while I lived in the Northwoods. My Masonic sponsor is Mike Lasley. Mike and I became friends while working at at&t. His family also has Masonic roots. Being involved in Masonry has just become a part of my life. One of the many things are the incredible network of people that add little things that make us who we are. Together we are making ourselves and each other better people. The Shriners are tireless in supporting their Hospitals, which has a special place in my heart.

What did you like about being Potentate in 2020?

I was Potentate for the dreadful COVID year of 2020. COVID made the year one for the books. Not too many events or gatherings could take place. However we managed to come up with the World's Most Famous take out Fish Fry. We brought our Nobles and Ladies together one car at a time. This gave us a chance to spend a few moments with each other and keep our Brothers and families informed and united as a group. Another event was the visit from the Imperial Divan. Not every Shrine Temple has the honor of having the entire group of Imperial Sirs and Ladies in attendance.

What units do you belong to?

I'm active in the Motor Corps, Directors Staff, Brew City Fezheads, Hillbillies and our newest group Jolly Badgers. All of these groups just add to the fun of being a Shriner.

What excites you about Tripoli Shriners?

Tripoli is what you make of it. It's like a family. There are days when it's the best and days when it's the worst. In the long run, you wind up with a family who will stand with you or carry you whenever necessary.

Describe Tripoli Shrine in 5 words.

Friendship, fun, duty, frustration and caring.

Rambling Rabban

Hey y'all and greetings from the Shriners of Alee Temple in Savannah, Georgia!

Recently, my Lady Sondra and I were invited by Illustrious Sir, Steve Lingle and his Lady Donna to attend the Alee 2022 Potentate's Ball weekend. Steve and I are both Officers of the SDA (Shrine Directors Association) and have been friends for quite a number of years.

Many folks from Alee and other Shrine Centers in the area, have to travel quite a distance (some hours) to get to their Temples. That certainly did not stop them from coming in force to have fun and celebrate this weekend. Our Hotel was well filled with Shriners and their Ladies from Alee and at least 5 other surrounding Shrine Centers.

Thursday night a huge group travelled to Downtown Savannah for a fun time at the "Duelling Pianos Bar" until the wee hours of the morning.

Friday during the day was a clay shoot for the Nobles and shopping for the Ladies. The nighttime was a "Low Country Boil" and dance. The theme of the party was "Wizard of OZ", come dressed as your favorite "Oz" character. Of course, the First Lady

was "Dorothy" and the Illustrious Sir was "The Wizard". Lots of "munchkins", a few monkeys, tin men, scarecrows and lions. Only 2 tornadoes, yep that's me as a tornado, my Lady a munchkin. The food was delicious and was prepared by one of the Alee Shrine Units.

Saturday for us was a guided tour of Savannah, a perfect way to see the sites. Too many small streets and squares to travel by personal vehicle. Got to see the original Solomon Lodge on the waterfront. That part of town is deteriorating and you can see the settling in the buildings.

Saturday night was the formal Ball with more delicious food and dancing to a live band. The Potentate received many accolades and gifts from the other Shrine Centers located near Alee. As a representative of Tripoli, we presented Illustrious Sir Steve with an "Honorary Tripoli Member Certificate" and a Cheese Fez... what do you expect coming from Wisconsin. It was well received and Steve sure enjoyed it. Lady Donna received a set of cheese earrings.

We had a wonderful time bringing greetings from Tripoli Shrine and meeting a whole bunch of great folks! It wasn't easy saying good-bye to 84 degrees and returning to 28 in Milwaukee.

That's it from the Rambling Rabban for now. See you at the meetings.

The picture is Queen Mary Mock and myself. (Lady Sondra took the picture)

Also in attendance was our Assistant Rabban, Gerry Arnholt III and his lady Diane.

The bouquet of White Roses is a traditional gift from Tripoli to the Queen.

EWALD AUTOMOTIVE GROUP By Tom Ewald

When you walk into a place of business it's always nice to see a familiar face and with The Ewald Family of automobile dealerships, you'll get just that. The Ewald Automotive Group was founded in 1964 by Emil Ewald (Tripoli Shrine Life Member) and today is run by his sons Tom (Tripoli Noble), Craig, Brian and Grandsons Eric, Jay and Brett. All of whom are Masons and members of Lake Country Freemasons Lodge #42.

Emil became a Master Mason in 1958 when he was raised at Shorewood Lodge. After many years his sons Tom, Dan, Brian, and Craig all joined the Fraternity in 1998 as a part of the "Man to Mason" program in Madison. **To date, it is one of the only times 4 sons became Master Masons together on the same date in Wisconsin.** Emil with his 4 sons all became members of Oconomowoc Lodge #42 at that time. In 2018, Emil's Grandsons Eric, Jay, Kevin, Brett and Ryan all became Master Masons in the first "Day of Light" program.

Tom has taken the "family lead" on many levels with the fraternity. He got involved early with the line of

Oconomowoc #42, and became Master of his Lodge in 2006. He joined the Scottish Rite Milwaukee Valley with Craig in 2000. Dan and Brian became members of Milwaukee Valley in 2002. Tom went on and became Noble of Tripoli Shrine in 2001. In later years Tom became a York Rite Mason of Waukesha Commandry #23. Grandsons Eric, Brett and Ryan joined Scottish Rite when Emil was the class honoree in 2018.

Tom quoted, **"Our Father Emil Ewald instilled in us a work ethic that revolves around the Golden Rule and that is to treat others the way we would like to be treated."** This work ethic also extends to the communities we serve and we actively look for ways to contribute to numerous organizations including the fraternity. The principles of Freemasonry are a part of the way we run our business to take care of our employees and customers every day."

The Ewald Automotive Group proudly supports all branches of active military, veterans, and first responders through their Military Advantage program. Ewald also is actively involved with scholarships given each year to over 100 aspiring technicians in their industry. Scimitar Report:

AR Gerry Arnholt reported on the upcoming Sportsman's Night scheduled for March 25. We are expecting close to 500 attendees which should make for a very successful event. We need volunteers to make this run smoothly. They should plan on arriving about 2:30PM. He also reported that the hydraulic system on the freight elevation has gone out and needs to be replaced. It is original and about 70 years old. Replacement will cost about \$27,000 needs to be done immediately. We are waiting for some final quotes on the HVAC system and want to get going so we don't have problems with rentals during the summer. This is very important for the future of the building. The Circus is coming May 13-15 and plans are moving ahead. Tickets have gone on sale and initial reports are that they are moving very well. Tickets are available through Ticketmaster and will not be available at Tripoli.

Stated Meeting Minutes continued

The next Circus Committee meeting is scheduled for 3/15 at 6PM at El Hajj. We are continuing to volunteer at Fiserv Forum and need your help. It is a great opportunity to raise money for Tripoli.

Some upcoming events are June 12 – Locus Street Days and the Tripoli Golf Outing on June 27.

Membership Report:

Our newly made Shriner, Noble Gary Ruskiewicz gave a report on the Masonic Day of Light event held on March 5 at Brookfield Lodge. There were 47 new masons raised and it was a great event.

Hospital Report:

Chicago Hospital: PP Wagner reported that the Chicago Hospital is back to running close to normal with more procedures and more complex surgeries. They had a goal of collecting \$5 million in donations and ended the year over with about \$6.5 million.

Minneapolis Hospital: Potentate Matt Wright reported that their gala is scheduled for June 3 with tours on June 2.

Hospital Transportation Report: We have made only 1 run as of March 9 with none scheduled. We do have 4 or 5 new patients, but they are going down on their own.

Old Business:

Onions: Noble Mark Norville reported that the onions are on schedule to come on March 28 about 6:30AM. Do not plan on picking them up at that time as they will need to be unloaded and staged. The dressing should arrive in about 1 week. Increasing fuel prices are affecting our cost a fuel surcharges are being made. Watch for information on the next meeting.

The first of our parades is over, but we have a lot more for this year. We are doing Menomonee Falls twice, on Memorial Day, May 30th and on the 3rd of July, The next parades are as follows. Hartland on June 26th, Wauwatosa and New Berlin on the 4th of July, Sussex on July 17th. Dates to be determined are for South Milwaukee and Dousman in July and Muskego on August 28th. We need 6 to 8 members at each parade to have a better showing on the float. We have chairs for sitting and also a ladder to help members get on the float.

Gary Parker will be ordering new LOH name tags. They will cost about \$15. If you want one please contact Commander Parker at 414-421-0314.

The Legion of Honor is a Shrine unit for Veterans. If you have a DD-214, we meet on the third Monday at Tripoli starting at 6 pm.

The Tripoli Scottish Highlanders had to skip the parades on March 12 due to the cold, but the next day we performed at The Corners of Brookfield where we found an old friend in the audience, Dori Love. YO HO YO HO A PIRATE'S LIFE FOR ME

Ahoy, Me Hearties! Avast Ye, we had a very productive meeting where we started to sign up hands for the Jolly Badger Crew. As we Weigh Anchor and Hoist the Mizzen in March we will talk about costumes, and in April we get a report on a possible ship. The hope is to join a few parades and other events to promote Tripoli and Shriners Children's. So, if any of you Scallywags want to join this fun bucket of Buccaneers contact me or come to our next meeting. Every third Thursday at 6:30 pm.

Admiral Curt Angelo Campagna

Motor Corps

The Motor Corp Unit held our March meeting on Monday, March the 21st. The major topic was Onion sales. I will be heading up the Onion sales this year for Motor Corp and so all Onion orders can be sent to me at blazercoach14@aol.com or my phone number is 262-424-6041. Our unit has ordered 400 bags of Onions this year so please, let me know how many bags of Onions you need as soon as possible.

We also discussed the upcoming parade season and practice sessions. We want to have a large enough area for the Escorts, Sultans and Scarabs to have plenty of room to practice. We are looking at late April or May for practices and we will have more information in the future on practice sessions. We will have a full parade schedule in 2022.

We also want to recognize our newest member, Jim Goodman Jr. to Motor Corp. Welcome Jim!

Finally, we are still looking for some help for our Quartermaster, Nick Spinelli during the parade season. If you are interested in driving or helping to stock the Motor Corp truck during the parade season, please contact Commander Keith Sargeant or myself. You do make a difference.

Thank you.

This month we prepare for the annual convention of the QWA in Minneapolis. I'll be attending as one of our 2 delegates. We can have one more delegate attend. I will be taking up any toy donations. Please bring anything you wish to donate off the “needs” list. I have copies of the list on the head table.

I'm pleased to announce that the Annual Spring Luncheon will be held on Wednesday June 15, 2022 at Silver Spring Golf Club. Flyers have been mailed to all members. Please mail the form and check to Peggy Studenec at the address on the form. I encourage you to bring any friends or relatives to this event. Onions

Hi All,

In our meeting on Monday the 30th we will be finalizing the locations where we are going to be selling the onions. We need volunteers for the April 28th drop off time to help fill the trucks and trunks of our friendly Shriners who will be selling them at their set up locations. Also if you have any other deliveries to make please let me know.

The sauces were pre-ordered and they can be picked up in the office when you take your onions. As always we will have extras if you would like them.

Please visit any location to buy the Sweet Vidalia Onions from Tripoli Shriners.

Please see the onion flyer, page 9 of this Tattler.

Presentation of the Folding of the United States Flag

On March 9th at the stated meeting the National Sojourners, and Minor King, the Most Worshipful Past Grand Master of Prince Hall Masons in Wisconsin gave a wonderful presentation on the folding of the United States flag. While reciting the presentation, the 13 toasts, Jim Goodman and Lowell Scott demonstrated the folding of the flag. This is a ceremony that represents the same religious principles on which our country was originally founded. After the flag is completely folded and tucked in, it has the appearance of a cocked hat, ever reminding us of the soldiers who served.

This custom of special folding is reserved for the United States Flag alone.

- ★ The first fold of our flag is a symbol of life.
- ★ The second fold is a symbol of our belief in the eternal life.
- ★ The third fold is made in honor and remembrance of the veteran departing our ranks who gave a portion of life for the defense of our country to attain peace throughout the world.
- ★ The fourth fold represents our weaker nature, for as American citizens trusting in God, it is to Him we turn in times of peace as well as in times of war for His divine guidance.
- ★ The fifth fold is a tribute to our country, for in the words of Stephen Decatur, "Our Country, in dealing with other countries, may she always be right; but it is still our country, right or wrong."
- ★ The sixth fold is for where our hearts lie. It is with our heart that we pledge allegiance to the flag of the United States of America, and to the republic for which it stands, one nation, under God, indivisible, with liberty and justice for all.
- ★ The seventh fold is a tribute to our Armed Forces, for it is through the Armed Forces that we protect our country and our flag against all her enemies, whether they be found within or without the boundaries of our republic.
- ★ The eighth fold is a tribute to the one who entered into the valley of the shadow of death, that we might see the light of day, and to honor mother, for whom it flies on mother's day.
- ★ The ninth fold is a tribute to womanhood; for it has been through their faith, love, loyalty and devotion that the character of the men and women who have made this country great have been molded.
- ★ The tenth fold is a tribute to father, for he, too, has given his sons and daughters for the defense of our country since they were firstborn.
- ★ The eleventh fold, in the eyes of a Hebrew citizen, represents the lower portion of the seal of King David and King Solomon, and glorifies, in their eyes, the God of Abraham, Isaac, and Jacob.
- ★ The twelfth fold, in the eyes of a Christian citizen, represents an emblem of eternity and glorifies, in their eyes, God the Father, the Son, and Holy Ghost.
- ★ When the flag is completely folded, the stars are uppermost, reminding us of our national motto, "In God We Trust."
