# Potentate's Message

## Matt Wright-Potentate Elect

Hi Nobles and Ladies!

It is a tremendous honor to be elected to serve Tripoli Shrine as Potentate for the year 2022. It's an honor due to the incredible men who have served in this position before me, and the extraordinary men who are preparing to build and strengthen Tripoli after me. I feel blessed to have served with Past Potentates Rick Kingstad and Joe Brunk over the past two years, for these men were part of history - meaning there was no plan or path for them to follow. The world practical halted in 2020 and 2021 felt like stepping into the literal unknown. Regardless, these men did their best, which is all we can ask of anyone. Did they please everyone along the way? Of course not, because you can never please everyone, and trying to do so only leads to failure. I thank them both for everything they've taught me, consider them both good friends, and I hope they consider me the same.

Being honest, I'm excited about 2022, but I feel being cautious is also necessary. For instance, we've been back to meeting in person for some time; however, due to the upcoming flu season, along with the multiple variants of COVID spreading like wildfire across the country, the demand for people to continue their due diligence in taking the basic precautions is necessary. There are many things planned for 2022, but we all want to do them safely. To give our members the greater amounts of information they've requested, emails have been sent out – and will continue to be sent – from [tripolishrineinfo@gmail.com](mailto:tripolishrineinfo@gmail.com). Please have patience with these emails in the beginning, they may be considered 'rough' or less than flashy in the beginning, but they will improve and get better as the weeks progress. That said, they will certainly NOT have the Potentate's picture on every message – no one wants to see that face every week! For those who do not receive emails, below is a list of events happening in January, February, and March; with more to come as the months progress:

>>> **Tuesday, Jan. 11th:** Tripoli Shrine Circus Committee meeting at 6pm at the El Hajj meeting space at 7210 W. Greenfield Ave. in West Allis (park in the back, that's where the door is located). Please contact Ill Sir Rich Loch PP if you plan to attend. Pizza will be brought in from Filippo's, but a proper headcount is needed so there's enough pizza for everyone. This may be Tripoli's last Circus, so let's knock it out of the park.

>>> **Wednesday, Jan. 12th:** Shrine Stated Meeting. This will be Ill. Sir Joe Brunk's last Stated meeting. Please come out and show Joe your appreciation for his leadership of our Shrine.

>>> **Saturday, Jan. 15th:** Shrine Installation of Officers. Either call the front office or make your reservations online. The Installation starts at 3pm, with dinner to follow. Photographs of all Divan will be taken that night. Please remember to wear your appropriate Fez, purple tie and correct attire.

>>> **Wednesday, Feb. 2nd:** Hospital Presentation at Beja Shrine. Staff from the Twin Cities hospital will be traveling to Green Bay to give an Orthotics presentation. This is a great opportunity to visit our Brothers in the frozen tundra, and to meet the outstanding staff who take care of our kids in the Twin Cities. Please call the office if you're interested. If enough people are interested, we'll get a bus to take us all up to Green Bay so everyone does not have to worry about driving.

>>> **Thursday, Feb. 3rd:** East West Shrine Bowl Party. Come watch the East West Shrine Bowl on the big screen TV in the Craft Club at the Tripoli. Burgers and Brats will be provided by the Potentate. Drinks will be provided by the Divan.

continued on next

Potentate message continued.

Those interested with a last name that begins with A-L, please bring chips or a salad to share; those with a last name that begins with K-Z, please bring a dessert to share. Drinks.

>>> **Wednesday, Feb. 9th:** Shrine Stated Meeting and Dessert Auction. This is our annual dessert auction to support our Almoners Fund, which helps Nobles with their dues during times of hardship. Bring plenty of cash and your appetites because there are usually many great desserts to bid on.

>>> **Thursday, Feb. 10th through Saturday, Feb 12th:** Midwest Shrine Association Winter Session. This year MSA is being held in Green Bay, and our very own Tripoli Highlanders have been asked to march in all the dignitaries during the opening session. This is a great time, all Nobles are encouraged to take part, and it is hoped many Nobles will participate with the session being so close. Again, if enough Nobles are interested, transportation will be provided. More information will follow soon.

>>> **Saturday, March 5th:** Evening out with our Ladies. Our ladies have supported and continue to support us in so many ways, and it's time to take them out and show them a good time. Bring your lady for dining and dancing at Tripoli. We'll have drinks, great food, and a band so everyone can "shake their groove-thang."

>>> **Wednesday, March 9th:** Shrine Stated Meeting and Ladies are invited. The Daughters of the Nile and the Tripoli Auxiliary have been asked to give presentations during this meeting, which should make for a fun and informative evening.

## >>> **Thursday, March 31st: Brewers Home Opener!**

This is another Craft Club event at Tripoli. Come watch the game on the big screen TV at Tripoli. Like the East West Shrine Bowl party, burgers and brats will be provided by the Potentate. This time, those with last names that start with L-Z, please bring chips or a salad to share; and those with last names that start with A-K, please bring a dessert to share. Drinks will again be provided by the Divan.

As you can see, we're going to hit the ground running with a mix of small and large events to hopefully increase our comradery and friendship. "Behold how good and how pleasant it is for Brethren to dwell together in unity." Every event doesn't need to be a big 'money maker'; in fact, it's much more important that we go back to having fun – together. Always remember Nobles, the "future" of Tripoli depends greatly upon you – but not only in 2022. Like any organization, participation is the glue that holds it together. For us, participation increases interest, greater interest increases membership, more members mean a better Tripoli.

Thanks to all the members of Tripoli who have instilled their confidence in me and shown our great organization so much support through the past few years of trying times. I will do my best with the responsibility you have given me.

Last and most importantly, I give thanks to all the members of Divan and Trustees who will be serving our great Shrine in 2022. I'm confident we will have a great year as we work together to strengthen our future.

Matthew Wright  
Potentate Elect

## Bob Lijewski Legion of Honors, Adjunt

The objective of the Legion of Honor Unit is to foster a spirit of patriotism, love of country and its flag, and to perpetuate the memory of those who made the supreme sacrifice in the service of their country. They are always looking for new members.

Bob Lijewski exemplifies this with a call to action for every event he is requested to attend with such a proper show of patriotism and the true respect of the uniform he wears.

You see Bob's smile when he volunteers at other events, with a work ethic of pride in all that he does.

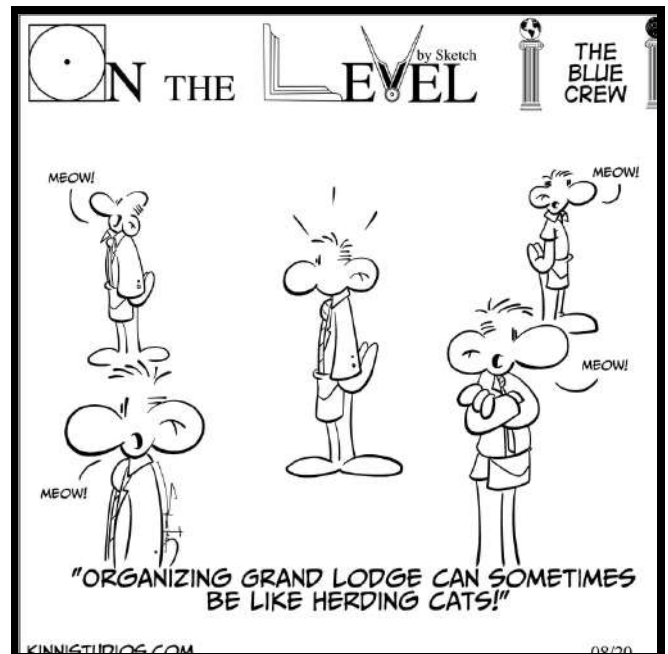

He is the first one to faithfully send his article in for the Tattler magazine. You know that puts him in high regard with me. He is the dedicated Shriner.

## From the Editor's Desk

Congratulations to Matt Wright for being elected our new 2022 Ill Sir Potentate. We wish you all the luck in your upcoming year.

When I was doing research for my position as Editor, I had to become more familiar with the Divan and their duties. There are numerous responsibilities listed for each Divan position but when it comes to the Potentate it says "The Illustrious Potentate is responsible for the government of the Temple and has complete charge of the shrine Clubs, Units and Nobility." Sounds easy, but the phrase I have heard many times is, "It's like herding cats". This is the same for masonic level up to Shrine level in all areas of their "divisions".

I feel this way when I am trying to coordinate the entire Shrine with the communications needed for this magazine.

ATTENTION ALL UNIT, CLUB, ALLIANCES AND COMMITTEE HEADS! I need all the new positions that you were elected for if different than 2021. PLEASE submit these to the address below or call with updates. Also remember if you want your meetings listed on the calendar please let me know. This magazine goes out to the public and there might be someone interested in what you do. Special events, dinners or picnics would be great.

Thank you.

### **Scimitar Report:**

High Priest & Prophet Gerry Arnholt reported on Scimitar.

He reminded everyone of Sportsman's Night coming up on March 25, 2022. This is a major fundraiser for Scimitar to provide for the upkeep and improvements to our building. Please plan on attending, getting others to attend, and remember we need volunteers to make it work.

A mini Sportsman's Night is scheduled for Jan 18. They plan on 60-70 people in attendance. They award over 16 guns as well as many door prizes. It is always a great evening and brings in about \$7000 with about 15 volunteers.

There is another one scheduled for Fergie's Sports Bar on February 1 as well as some other during 2022 – watch for details. If you know of someplace that may be interested in hosting one of these events, contact Noble Arnholt.

A major fundraising program coming up. We need to replace the AC units in this building to assure that we can continue to offer a premium venue. They are all over 25 – 30 years old. The cost of this project will probably run \$300,000 or more. We are currently working on proposals and quotes. More information to follow.

### **Hospital Report**

Captain of the Guard Pat Jackson report on Fiserv Form events. We are still looking for volunteers to help with these events which are great money makers. Contact Pat if interested. We need 8 to 12 volunteers per event and we receive 14% of the booth sales that we work. Fiserv is requiring some simple paperwork that volunteers need to complete, Pat will assist with that. It is an easy way for Tripoli to make some great money moving forward. Please see or contact Pat Jackson to volunteer.

The Red Fez Kid's Christmas Party and Pancake Breakfast is scheduled for 12/12.

Get your reservations in for New Year's Eve. Doors open a 6PM, Dinner at 7PM, music and champagne toast to follow. See information in Tattle.

Also at the time of this writing, only 4 members and their Ladies have responded to attending our Christmas party this month. We will not be having a meeting this month; any business that needs to be addressed will be discussed at the Christmas party. Our next meeting will be February 21st at 7pm. If you have a DD-214, please join us.

# Report on the Combined Board of Governor's Leadership Meeting in Chicago

By Matt Wright

**Shriners  
Children's™**

On December 13th and 14th, the members of the Board of Governors from the Twin Cities, Chicago, St. Louis, and Ohio hospitals met in Chicago for a leadership conference to discuss the future of the hospital system, the progression of the **2035 Vision**, and the successful efforts of the Midwest Market. **If you're not aware, it was decided by the corporate office in Tampa to create a "Midwest Market", which is intended to combine certain services for the Twin Cities, Chicago, and St. Louis Shrine Hospitals; services such as credentialing for doctors, supply chain services, marketing, and other support services.**

This Midwest Market is part of the 2035 Vision for Shriners Hospitals for Children, or now know as Shriners Children's, which will consist of 200 'touch points' around the country, along with Centers of Excellence in major areas around the nation. Now...what does all that mumbo-jumbo mean exactly? **The referenced 'touch points' are smaller clinics, outreach points, agreements, etc. that will enable more kids to be seen by Shriner medical staff – without the hours and hours of traveling.** To give you an example, Shriners - Twin Cities has a small clinic in Boys Town Nebraska, just outside of Omaha. Shrine medical staff screen children there, instead of the child (and a parent and perhaps a sibling) making the 12-hour road trip to the Twin Cities and back. Another example is the agreement that is in place in Des Moines, Iowa at the Raymond Blank Children's Hospital. There, two Shrine doctors work at the Children's hospital, providing the best care anywhere to kids all around Iowa, and the surrounding areas.

Is the Midwest Market model working? So far, yes. Doctors from the 3 hospitals can network, share ideas, and solve problems together. Centralized credentialing (obtaining permission for our doctors to work in different hospitals) enables our system to obtain multi-state licensing;

so if needed, the doctors from Chicago can easily help in Omaha, or St. Louis - as an example. To fulfill the research and academic portion of our mission, agreements have been made with universities in St. Louis, Minnesota, and Illinois. Those academic agreements ensure the future of Shrine care and state-of-the-art research. Most importantly, children are not turned away if one hospital doesn't provide the care they need. If a child in Nebraska needs cleft-lip and palate surgery, which is currently provided in Chicago, the child isn't turned away because Twin Cities doesn't provide those services, the child is immediately referred to Chicago, and transportation arrangements are made by the local temple, or a Chicago physician travels to Nebraska. A state of mind has already occurred within the Midwest Market, meaning it doesn't matter 'where' the child is seen anymore, it only matters the child receives the best Shriners Children's care anywhere.

These initial steps may not seem like much now, but they are significant building blocks of a more efficient system of the future. Why is greater efficiency needed? **While 90% of all Children's hospitals around the country experienced substantial financial decline during the pandemic, Shriners Children's experienced a 2% growth since 2020. While 2% may not seem like much, any gain is better than a decline. Since 2018, all hospitals have seen a 2% decline in inpatient stays, and a significant growth in outpatient visits, which exemplifies why Shriners is moving to a new motto of "More kids, in more places, with less draw on the endowment".**

What does all this mean for us local Shriners? Well, "Shrine Care" starts and ends with Shriners. "Shrine Care" isn't isolated to one place, to one group of people, or one type of care. **Doctors may diagnose their ailments, medical staff may provide the care, but Shriners provide the laughs, the fun, and most importantly, the love. Every Shrine doctor at the Meeting in Chicago openly admitted, Shriners are not only essential for the children, but for everyone involved.**

Families with children with disabilities and complex medical needs had a magical time with Poppy and Willow! Santa, his elves and Belle stopped by too! Our Make Inclusion Happen program creates amazing events with our Mini Therapy Horses for the entire family!

When Yakobo Mleha was a young boy living in Tanzania he broke his lower leg that was never properly treated. He showed up at Shriners Children's Hospital, he was new to the country. He and his family left Africa for opportunity and a chance to save Yakobo's lower leg.

That decision changed his life and put him on a path toward college and boxing.
