# Potentate's Message

## Matt Wright

Hello Nobles and Ladies!

I received the most wonderful news during the Shrine Club President and Unit Head meeting; I was told I'm long winded and that my articles are way too long! While some may view those comments as insults, I was happy as a lark to receive the honest and helpful feedback.

One person who was exceptional at providing honest and helpful feedback, to all who would accept it, was our beloved Chaplain of 18 years, John Bennethum. On February 21st, many came together to celebrate John's life, and reflect on the moments they shared with him. I knew John was revered and well respected at Tripoli, but it was wonderful to learn that reverence and respect was felt 10-fold in the communities he served. He will be truly missed.

You may have already heard or seen the advertisements for the Tripoli Shrine Circus on the TV or the radio. Illustrious Sir Rich Loch, and the entire Circus Committee, are doing a fantastic job getting all the logistics for the circus taken care of, but they could use your help. The next Circus Committee is being held on March 15th at 6pm at the El Hajj meeting room in West Allis. Contact Rick if you need help locating the meeting room.

The Midwest Shrine Association winter session was held in Green Bay on February 10th through the 12th. The Tripoli Highlanders were there to escort Imperial Sir Bill Bailey, along with all the MSA Officers into the opening session and the formal dinner. Their performance was phenomenal and was summed up eloquently by MSA President Rusty Mitchell when he stated to everyone in the room, "Thank God for the Tripoli Highlanders!" Special thanks to Gerry Arnholt, Rick Kingstad, Bob Capen, Pete Hennig, Ron Hack, Shawn Athy, and Kevin McGowan for traveling up to Green Bay and attending. I believe everyone had a great time! Not wanting to seem long-winded, I will close by reiterating some of the fun events happening in the next few weeks:

- Wednesday, March 9th - Shrine Stated meeting. The ladies are invited to join us for the stated meeting. There will be presentations from the Tripoli Auxiliary, the Daughters of the Nile, and the local Chapter of the National Sojourners.
- Friday, March 25th - TRIPOLI SPORTSMAN'S NIGHT! - This is a fantastic event, the food is out of this world, and a good time is had by all. Please make plans to attend.
- Thursday, March 31st - TENTATIVE Craft Club Event - Brewers Home Opener. This event is now tentative due to the current strike by the baseball players. Look to the Tripoli Shrine Facebook page for more details as the date approaches.
- Saturday, April 2nd - Beja Sportsman's Night - This is a great fundraiser for our Brother to the North. Let's get a group together to show our support. If you'd like to attend, but don't want to drive, call the front office, leave your details and transport will be arranged.
- Thursday, April 28th - Onions arrive! Get your delicious vidalia onions fresh off the truck!
- Sunday, May 8th - Mother's Day Brunch - Bring Mom to a delicious brunch at Tripoli Shrine. More details to come on Facebook and future Tattlers.

## Chaplains Corner Ron Hack

It is March .... finally. At this time of year, it seems we always talk about the fact that we've almost made it through winter, the gloominess of February is lifting and the sun stays out a little later every day. Gardening supplies and seed packets are in the stores.

The Groundhog may or may not have seen his shadow and either way Spring will come when Mother Nature is ready, not dependent on the forecast of a rodent pulled out of his nice warm den to check out the weather. No new news there. But this is a special year and as I am writing this, the 2022 Beijing Winter Olympics are in full swing. Talk about folks who know how to have fun with snow and ice.

What strikes me the most about the Olympics is the atmosphere. The athletes, coaches, referees/judges, fans and spectators are all on their best behavior; treating each other with respect, supporting each other in success or misfortune, helping each other out and working toward a common goal. The athletes put aside their differences and for two weeks share the same tracks/slopes/ice. Yes, I know it is a show and that there is drama below the surface, but what a show! What a great example for our children and ourselves!

They say that children model their behavior after what they see, and having a two-year-old grandson, I can confirm that "Monkey see, monkey do" is a large part of the learning process and their behavior. We teach them many things, some on purpose and some just happen as they watch us go about our daily routine. As adults, we also model our behavior after those we respect and who mentor us. As we

add new names to our Tripoli roster and welcome new families into our Shrine family, they learn many things as they interact with our members. Unfortunately, not all of them are positive and may discourage them from being active members and encouraging others to join us.

In this 2022 Olympic year, let's be mindful of the lessons we are teaching each other in our work and play as Shriners. Let's put aside our differences, treat each other with respect, support each other in success or misfortune, help each other out and work toward a common goal. Let's all go for the Gold at Tripoli in 2022!

*Life is not measured by the  
Breath we Take,  
but by the moments that  
Take our Breath Away.*

*May the Love and Protection  
St. Patrick can give,  
be yours in abundance  
as Long as You Live.*

*Happy  
St Patrick's Day*

## TRENT VUKODINOVICH TRIPOLI SHRINERS

NEXTGEN MEMBER  
SPOTLIGHT

#SHRINERSNEXTGEN

Trent Vukodinovich, of Tripoli Shriners, is the President of the Tri-County Shrine Club and Worshipful Master of his Lodge.

**In 2019, Trent assisted the Tri-County Shrine Club to win the temple membership award for being the unit/club to bring the most members to the Tripoli Shriners.**

Noble Trent takes every opportunity to participate at various appendant bodies events and engages with all new Masons while inviting them as a guest to the Shrine Center or club.

Trent's early involvement as a Shrine club leader has inspired him to become more involved with temple activities and he now has a desire to join the Tripoli Shriners' leadership team. ~ Shriners International

This is quite an accolade and is well deserved! As Potentate for Tripoli Shrine, I am very proud to announce Trent Vukodinovich is serving on the Divan, and we are proud to welcome Trent, his lovely wife, and his son to the Tripoli family. It is an honor to serve with him this year and look forward in seeing what his future will bring. Well done Trent. ~ Matt Wright

Emma Vukodinovich's Baby Shower took place during the Stated Meeting February 9th. Their baby girl is due March 30

## From the Editor's Desk

Hello everyone,

It is hard to believe that spring is only 20 days away, as I sit at my desk with a bulky sweatshirt on. I am excited to see all your articles coming in and find out what's going on. There are so many things to attend here at Tripoli and surrounding establishments, I can hardly keep up. I attended the AJ's Sportsman's night and was asked to come to their next Director's staff dinner. So much, so fun, so join!

I even ventured out to Beja, in Green Bay, for their Shriners Children's hospital presentation, article page 11. Stay safe and have fun.

## Bonnie Kingstad

For Bonnie, her year of the Potentates Lady was cut short due to Covid19. Since then, she has made up for it with numerous volunteer positions. Tripoli Auxiliary, Scimitar and Director's Staff seen here with a ticket bucket in hand.

There is also Director's Staff car shows, Brew City Fezheads, the Motor Corps, Daughters of the Nile, West Allis Shrine Club and Yorkrite Chapter. There is no stopping Bonnie with her endless energy and stamina.

She is always there with a smile and a helping hand in more ways than you think.

**She exemplifies the Shriners' spirit of having fun while you volunteer.**

**Imperial Potentate Bill Bailey presented the Imperial Potentate's Medallion to Gene Reece, Chairman of the board of governors for Shriners Children's Twin Cities, past potentate of Beja Shriners, and director general of Midwest Shrine Association. Congratulations Gene - you deserve it!**

## Who Is Damon Albers?

Family means everything to me, not just my immediate family but my Shriner family down to my Shriners Children's family. I am a hard worker, involved with many aspects of the shrine and family.

## Who was your Masonic Sponsor and why did you become a Master Mason?

Medina Shriners are just in the bloodlines. My father, Greg Zarse was my sponsor and I was raised in 2001.

Grandfather, Dick Carrion

Great Grandfather, Henry Zarse P.P.

Uncle Dave Carrion

Uncle Don Carrion

My family is quite involved in the Tripoli Shriners which helped me to be raised around a fraternity that involves children and that philanthropy I love.

## What is your favorite part of being a Shriner?

Volunteering through all the hospital trips that I take children and their family to get help wherever they need it. That is why I am in the Motor Corps. I helped to start the Nexgen Unit which is short for Next Generation and this newly chartered unit focuses primarily on the young and new Shriners of Tripoli. This is our future and I feel that is essential to our fraternity. Being part of the Long riders where we, as Shriners, get the public involved at parades. And last but not least, being able to get in my Grinch costume and have the children come up to hug me. It is hard work but with all the parades, parties and events we have, it is just plain FUN.

## What Units and Clubs interested you and which ones are you currently involved in?

I belong to long riders, the award-winning Motor Corps, Hillbillies, and Nexgen.

I love them all and I love parading with them as much as possible and some parades we get to meet other Shriners from other temples.

## Why did you accept the current position of 1st Ceremonial Master?

I needed to get involved more and accepted new positions and committees. I am involved in the Red Fez, Co Chair of New Years Eve Party, Chairman of casino night, Chairman of the October Raffle, Liaison for Motor Corps, Air Corps and Circus. I can't wait to become Oriental Guide.

## What are you most excited to accomplish in that position?

To be all that I can in all positions and help nobility in the future. I am on the Board of the Cleveland Ohio Burn hospital, which makes my heart very happy, some of the best work we do is with burns. I am preparing myself to hopefully be elected as Oriental Guide next year.

## Where do you see Tripoli Shrine in five years?

I see Tripoli strong and prosperous and hopefully a lot of young faces.

## What would you tell Masons and their families about joining Tripoli Shrine?

First I would like to tell them of all the work the hospitals do and how we as Shriners help with that. Then, the fun we have at parades and how we have our families involved and stress about how You don't need to do everything just what You like and we will go to different units to see which ones would work for them.

## Describe Tripoli Shriners in five words?

Greatest fraternity in the world?

# Theda Andres The Beja Angel

I attended the Beja's February open meeting "Love to the Rescue" and was impressed with the presentation. As Potentate John Van Lanen introduced the speakers of the night, Beja's own Gene Reece – Chairman of the Board of Goveners - Twin Cities, David Voller - Twin Cities clinic administration, he spoke very highly of their dedication to Shriners Children's. I do not know how anybody in that room could not fall in love with these gentlemen.

Gene's knowledge of the Clinic and its capacity to do good along with his humor made for a remarkably interesting speech. Then he introduced David Voller, who gave background from his career and how he ended getting the job as administrator. Shriners Children's twin Cities could not have gotten a better candidate for this job. He has a heart of gold and genuinely cares for every child seen there.

After the presentation, Gene presented a plaque to Theda Andres naming the February open meeting "Love to the Rescue" to be known as Theda Andres Day. It was so nice to see a resolute woman receive such an honor. Theda and her husband Dick serve as Beja's Endowment, will and gifts committee. She had been assisting Barb \_\_\_\_\_ with her estate planning.

Barb's husband, Tom was a Shriner and they enjoyed attending Beja events. After Tom passed away, Barb still attended meetings and events. As her health became more apparent, others especially the Reece family made sure she could attend when she was able.

She was proud to be a Shriner's Lady. Not only did she enjoy being with the Shriners, she was proud to donate at these meetings.

Barb was very aware of our family's pride in the Twin Cities Hospital. Her grandson Matt was diagnosed with scoliosis when he was younger. After exhausting all options locally, Grandpa Imperial Sir William "Bill" Bailey, David Voller, Theda and Gene strongly suggested they try Shriners and Dick agreed. Matt became a patient of Dr. Guidera and his wonderful care enabled him to be a particularly good athlete.

Barb was loved by the Beja family and brightened their day when they got together. Theda served Barb so diligently and truly shined as an angel in doing this duty for her for many years. How proud they are of them both. After Barb's death, Theda took care of her estate.

After Theda so graciously accepted her plaque from Gene, with no one in that Beja meeting room knowing what was to come next, Theda took the podium. She gave her small humble acceptance speech, and then turned to Gene and announced that she would like to present to Gene with a check from the estate of Barb Coghlan along with a letter written by Barb. Theda read it aloud. It is because of her grandson's excellent care and the love of the family they made at Beja that she was gifting \$50,000. Her gift was to be used for the Rehabilitation Services at Shriners Children's Twin Cities. For me it was a very friendly, informative, heartwarming evening.

## Provost

Off to a great start this year. Had great fellowship at our holiday party at Steakhouse Milwaukee. Installation of officers went smooth as always, accompanied with the Whitnall Park Shrine Club.

This year we are looking to grow and get more involved with activities of our own, along with those of the temple. This means we need you! The group once consisted of only police and fire, but is now open to all members of our temple. We meet the 4th Wednesday for social time starting at 6pm, meeting at 7pm, dinner and additional social time until the temple locks down.

## Motor Corps

The Motor Corps Unit held our February meeting on Monday, February the 21st. The major topic was Onion sales. I will be heading up the Onion sales this year for Motor Corps and so all Onion orders should be sent to me at blazercoach14@aol.com. We have been asked to have our dressing and sauces orders in soon, so please, let me know as soon as possible if you want dressings or sauces.

We also discussed the upcoming parade season and practice sessions. We want to have a large enough area for the Escorts, Sultans and Scarabs to have plenty of room to practice. We are looking forward to a full parade schedule in 2022. We are looking at a few different locations for practicing and we will have more information in the future on practice sessions.

Finally, we are looking for some help for our Quartermaster, Nick Spinelli during the parade season. If you are interested in driving or helping to stock the Motor Corps truck during the parade season, please contact Commander Keith Sargeant or myself. You do make a difference. Thank you.

Noble,

Mike Hendren

## Tripoli Auxiliary

It is with great sadness that I inform you of the passing of one of our past members. Mary Ann Garber died January 19, 2022. Please keep her and her family in your thoughts and prayers.

We are planning our Annual Past Presidents luncheon this month at our meeting. I have reserved the foyer for the luncheon to welcome our guests. Please come and help welcome these special ladies and thank them for their past accomplishments.

We are already working on finding a venue for our June Spring Luncheon. Please start looking around for raffle items you can donate. The proceeds from the raffle go to the WGA at the end of the year. Please give generously. I'll be going to the WGA convention in Minneapolis the end of April. Remember to bring any toys you wish to donate to the next 2 meetings. I'll deliver them. I'll bring a list of what the hospital needs to our meeting.

Stay warm and stay healthy,

**Fashion Moment:** Brought to you by rehabilitation and building engineering. Occupational therapist Debbie designed a custom dressing tree for her patient Vanessa. Building engineers helped construct it. As part of her therapy, Vanessa, who has #arthrogryposis, worked with her OT to learn how to use the tree and get dressed more independently. The teenager's t-shirts have loops attached which hook onto the tree when she uses it. Nice job ladies!

## Acute Flaccid Myelitis

You may heard a lot about acute flaccid myelitis in the news, a rare condition that causes weakness and loss of function in children. The ability to recover from this weakness is difficult to predict, with some patients recovering fully, while others remain weak. Experts believe that with therapy, the ability to recover improves.
