## Matt Wright

Nobles and Ladies,

It seems Fall is trying to creep in, with some days full of summer sun; all I know is, I will not be winterizing the lawnmower any time soon, especially with all the rain we've been

having. There was beautiful weather on September 14th, the day of the September stated meeting. Around 70 Nobles showed for the annual steak feast, and most stayed for the stated meeting. Before the stated meeting Tripoli welcomed Dr. Karen Kreger, Keller Miller, and Dan Winter, all from Shriners Children's – Chicago. All three visitors gave informative presentations and speeches, ending with Illustrious Sir Larry Wagner presenting Dan Winter a check for \$1,000.00, which Larry received from the Winnebagoland Shrine Club at the annual Omro Steak Fry.

On September 24th and 25th, Tripoli had hundreds of people visiting the Shrine Center. Milwaukee Doors Open (MDO), the annual event where beautifully designed buildings around the Milwaukee area open their doors to the public, for everyone to see and enjoy. The final numbers haven't been tallied, but the number of visitors has certainly grown through the years that Tripoli has participated, and every year we hear wonderful complements on our beautiful building.

The Ladies Fashion Show may be happening the day you are reading this. The ladies love to put on the fashion show and special thanks to Alex Alba for organizing the fashion show this year on October 1st. Nobles, don't forget about the 50 Gun Raffle on October 8th. If you don't need a gun, you can opt to take the money instead, either way it should be a fun evening. The Highlanders have been busy organizing their annual Tartan Ball. On October 22nd, Most Worshipful Past Grand Master Don Hensiak will be presenting the commemorative haggis, prepared using his perfected recipe; followed by his classic rendition of Ode to the Haggis.

The evening will be filled with dancing, pipe bands, scotch and whiskey tasting, and much more. A few days later, on October 26th, the annual All Faiths Night will be held at Tripoli. All Faiths Night is a wonderful evening where people can join together for friendly fellowship, have a nice meal, simply enjoy each other's company regardless of faith, fraternity, or neighborhood. The next night on October 27th, we honor the marriage of King Louis I to Princess Therese von Sachsen-Hildburghausen (Whew! Imagine having to that name on checks or credit card receipts!); otherwise known as Oktoberfest! I already have my lederhosen ordered and have been practicing the Schuhplattler dance because it's bound to be a fun evening.

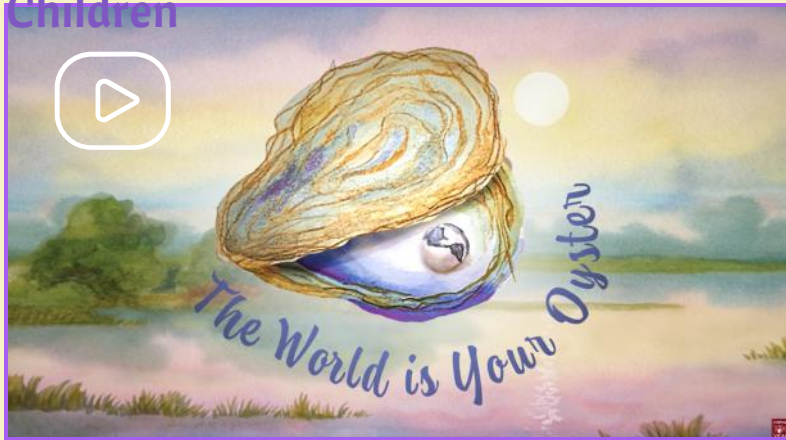

Unfortunately, life doesn't allow all play without some work involved, and the same is true at Tripoli. Nobles, we need your help at Fiserv Forum. The circumstances that happened downtown Milwaukee prevented us from having a successful circus this year. Despite the fact we did everything we needed to, the losses from the circus devastated our savings and basically eliminated our hopes of investing for the future. As it has been proven in the past, time and time again, Tripoli always makes it through the rough times together. Our work at the Fiserv Forum has been extremely fruitful – especially if there are many of us working together. Pat Jackson has already posted the schedule to the Sign Up Genius app, or at [Signupgenius.com](https://signupgenius.com). If you don't have a computer or smart phone, call the office and ask about working at the Fiserv Forum. Remember, this is a great fundraising opportunity for your units or groups, as well as, putting a little bit of cash in your own pocket.

In November we start thinking about turkey... and Christmas! The annual Festival of Trees will be held November 13th through November 26th. Tell all your friends and family, anyone you meet at the grocery store or gas stations or shout it from the roof tops if you need to! This is fantastic family fun event, but to make it a great event, we need all your help so please sign up to volunteer.

# Women Impacting Care

## Join First Lady Jennifer Craven in Supporting Shriners Hospitals for Children

Every year, the spouse of the new leader of Shriners International spearheads a program to raise funds and awareness for the extraordinary care found at Shriners Children's. This year, Jennifer "JJ" Craven, First Lady of Shriners International, is chairing Women Impacting Care. Formerly called the First Lady's Program, the program's new name reflects what women connected to the fraternity have always done: worked together in support of the patients and families of Shriners Children's.

"This year's campaign, The World Is Your Oyster, is designed to show that we believe in our patients' grit and determination, and in our healthcare specialists' expertise, so that our patients can overcome challenges with endless possibilities for success and recovery."

The World Is Your Oyster shines a light on the sports-injury and related care that Shriners Children's offers by helping families learn how to access that care and by supporting Shriners Children's as it pursues its mission of improving the lives of children.

"To think what started a century ago not only stands today but has evolved to become one of the most respected healthcare networks in the world is beyond amazing. It's not only a testament to the dedicated men and women who deliver world-class care in all our facilities across the continent, but the countless Shriners themselves who continue to fuel our efforts," said Kenny Craven, Imperial Potentate, Shriners International. "Without them, we simply wouldn't have the resources and capabilities available to our patients today. That mission and tireless commitment to supporting the health and well-being of every child requiring specialized medical care is the embodiment of selflessness."

**Derek Hough from Dancing with the Stars helped out two of our Shriner Children's dancers.**

**The ability they [Shriners Children's] have to give everyone care, no matter what the insurance, no matter what the cost, that kind of thing is really important for me. The humanity behind it all and, the fact that there are real people who pick up the phone for families when you need something."**

# A Story Written in the Stars

NAME: KECHI  
CONDITION:  
BURN INJURIES  
LOCATION: SHRINERS  
CHILDREN'S TEXAS

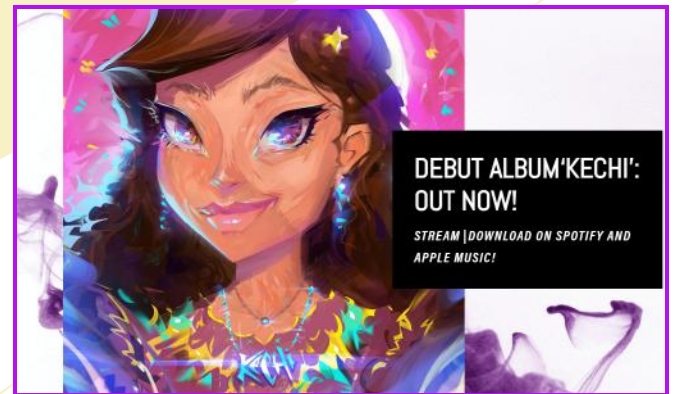

Kechi, a 2017 finalist on America's Got Talent, details her incredible story of survival, recovery and journey to becoming an inspiration to all in her memoir, *More Than My Scars*. Her book is the latest in a list of impressive accomplishments Kechi has achieved since nearly losing her life in a plane crash at 16.

One of only two survivors of the Sosoliso Airlines Flight 1145 crash in December 2005, which claimed the lives of 107, Kechi sustained third-degree burns on nearly 65% of her body. She was initially treated at a hospital in South Africa but eventually came to America, where she sought help at Shriners Children's Texas.

**There, Kechi underwent more than 100 reconstructive surgeries and extensive physical therapy.**

"Shriners gave me my life back," Kechi recently told a morning talk show based in her hometown. "I view South Africa where they brought me back to life, and Shriners Children's gave me my independence," she said. "They gave me everything that meant something."

During her recovery at Shriners Children's, Kechi became involved with the hospital's music therapy program, where she found the confidence to compete and become a finalist on America's Got Talent.

Kechi is now a recording artist, author and burn survivor advocate, raising awareness for global causes like youth empowerment and bullying prevention. Her involvement in various international organizations, along with her book, have given her a platform to share her story and inspirational message of hope and healing.

Every year, Shriners Children's selects National Patient Ambassadors to represent the healthcare system's patients. The ambassadors share their stories of perseverance and the ways Shriners Children's has made a difference in their lives. We are honored to have these impressive young people advocating for our healthcare system

## Katherine

### Soccer star plays again

Katherine, 19, is a student at Northeastern University in Boston, where she majors in nursing and plays on the Division 1 soccer team. After a devastating car accident in 2019, she wasn't sure she'd make it to this point.

Without surgery she would have to have them amputated. She had six surgeries to save her legs. Shriners Children's therapists focused on mobility, endurance, strength and range of motion to get her back playing Soccer.

### Back on the court

Parker was 10 when his life changed forever. In the car on the way to school, Parker's mom, Sharonda, had a seizure and lost consciousness. "Parker unbuckled his seat belt and got to the front to take over the wheel," Sharonda said. Her son's courageous action helped steer them away from oncoming traffic before crashing. "He saved our lives."

Parker was severely injured in the crash, with damage to his internal organs that required him to be put on life support for a time. Among his other serious injuries,

Parker suffered a badly broken ankle. When he learned that his leg would need to be amputated due to the injury, the athletic youth was devastated. Three months later, Parker became a patient of Shriners Children's Greenville, where a skilled team began working to help Parker get back to participating in the activities he loves.

# Rambling Rabban

Hey y'all and greetings from the Shriners of the South Atlantic Shrine Association annual meeting in Myrtle Beach South Carolina.

Recently, my Lady Sondra and I were invited to attend the session by Illustrious Sir, Ralph Calhoun II from the Omar Shriners in Mount Pleasant SC as he was the President of SASA for 2021-2022.

There were almost 1500 attendees in Myrtle Beach for the weekend, spread out over many miles and Hotels.

Thursday morning was the general meeting with the officers of SASA going over events and future dates. The afternoon had presentations from the Imperial Officers in attendance, which included the Imperial Sir himself, Kenny Craven.

Kosair Charities made a presentation and challenge to the attending Shrine Centers. If the Shrine Centers of SASA raise \$100,000 or more, Kosai Charities will add \$100,000 to the donation pot. SASA Shine Centers were short by \$13,000 until 2 Shrine Centers made a \$10,000 and \$5,000 donation respectably. Great work to make the total donation double to the Shriners Children's.

The Mayor, City Council President, Police Chief and Fire Chief were at the meeting to welcome the Shriners and

met with the Parade Marshals to go over details to keep everybody safe and to allow fun to be had by all.

Friday during the day was competitions for the Motor Corps and Clown's. The Motor Corps had 2 units compete on maneuvers, the rest were looking forward to the skills portion on the obstacle course. Some "unique" motorized units competed, not seen at MSA.

The Clown competition saw many younger Shriners in costume having fun and making people laugh. Make-up and costumes were being judged in one area away from the skits. Excellent talent and their hard work showed. All who were there had a great time.

Saturday was the parade down Ocean Blvd in Myrtle Beach. This well attended parade lasted just over 3 hours without large gaps between units. There were some "unique" units, yes Pirates were from Omar Shrine and Alee Shrine with large boats and participants.

Omar Shriners from Mount Pleasant, SC had a unit called the "DareDevils" these Shriners ran go-carts up and down a moving ramp connected to an old hearse, including "airtime" as they

went across the top of the car. Omar also had a great unit called "The Jazzy Morticians", and there were countless Hillbillies from all Shrine Centers!

Saturday night was the Luau dinner for the outgoing President, parade winner presentations and Installation of the new

SASA officers. Good food and good live music for a few hours.

We had a wonderful time bringing greetings from Tripoli Shrine and meeting a whole bunch of great folks!

That's it from the Rambling Rabban for now. See you at the meetings.

### **Finance Committee Report:**

PP Doug Winter reported that Freemasons Lodge has left the building as of September 1. He also reported that Joyce Johnson is doing a terrific job in Banquet & Catering. If you see Joyce be sure to say thank you to her for the work she is doing.

### **Scimitar Report:**

AR Arnholt reported that the HVAC and control system for the ballroom area has been ordered as of June and we are looking at about a 28-week lead time. We are about ready to order the system for the front of the building but waiting for some reviews of the data to assure the proper sizing.

Continuing to look at the boiler system and the proper way to move forward in that area.

He reported on the 50 Gun Raffle to be held October 8. We need members, units, and clubs to help with selling tickets. Contact Gerry for information and tickets.

AR Arnholt also reported on Banquet & Catering. The dinner tonight was prepared by Chef Doug and he thanked him for a great job. We are working with Chef Doug on our food service right now and he and Joyce have been doing a great job. We will continue to ask for Nobles to assist in tearing down and setting up for many of the events. Thank you in advance for your help.

There are other changes in this area coming and we will keep you informed as they are put in place.

### **Trustee Report:**

Ills Sir Wright thank Nobles Albers and Norville for their assistance with the HVAC.

### **Membership Report:**

## Legion of Honor

The Legion of Honor had Gene Peters, Lieutenant Commander of the IALOH at our September meeting. It was nice to hear his greetings from the International Association Legion of Honor. With the parade season over, there is little to report at this time. I will end with my usual message. We are a unit for Veterans. Our meetings are on the third Monday of the month at Tripoli. We meet at 6pm and have a meal with the Motor Corps followed by our business meeting. If you have a DD-214, we would like to see you.

## Jolly Badger Pirates

YO HO YO HO A PIRATE'S LIFE FOR ME

Ahoy, Me Hearties! Avast Ye, the summer heat is slowly letting up and cooler water is on the horizon. Watch your emails, and our Facebook site (Jolly Badgers of Tripoli) to keep up with all the events coming up. The best way of getting involved is going to our meetings held on the 3rd Thursday of the month starting at 6:30 pm. Our Captain Jeff Delaney has been busy as the head of our ship build. He has been working on getting more work dates so we can paint our ship, and work on the railing. We are getting slowly closer on being able to use our ship in parades and events. I was able to represent the crew at MSA this year, and walked the parade. It truly amazes me how many kids and adults love the Pirate groups. I also handed out many contact cards with our Facebook site and the Shriner Pirates site. I will be happy when our ship get up and sailing, for I think this will be a huge crowd pleaser. We will need all hands on deck to get this ship "ship shape" so we can launch it into some parades and events. Get your uniforms together, volunteer with with The captain in helping with the ship build. Time to be a Pirate!

Our Facebook site "Jolly Badgers of Tripoli Shrine" is becoming very popular. Ask to join our Facebook Page to see all of our pictures and events. So, if any of you Scallywags want to join this fun bucket of Buccaneers contact me, or come to our next meeting.

Every third Thursday at 6:30 pm. As always, our better halves are always invited.

# Yesterday, Today and Tomorrow

## Celebrating the 150th Anniversary of Shriners International

In 1870, at the Knickerbocker Cottage in New York City, thirteen Masons took part in a lunch discussion that would ultimately impact the lives of millions of people around the world for many years to come. On that momentous day, these men, including Walter M. Fleming, MD, and famous stage actor William "Billy" Florence had an idea for forming a new fraternity of Masons. The first official meeting that established our beloved fraternity, Shriners International, was held 150 years ago today, on September 26, 1872.

What started out as a small group with the purpose of bringing more fun to Masonry, quickly spread around the country, and eventually the world, and evolved into something much more than our founders could have ever imagined. One hundred and fifty years later, we have a LOT to celebrate.

### Celebrating Brotherhood

As Shriners, we know that the bonds of brotherhood formed among Nobles are strong, meaningful and transcend ordinary friendships. We share core values, and through our clubs and units, we enjoy common interests and activities. However, it is our differences that have shaped and enhanced our spirited group of brothers. We have different backgrounds, perspectives and life experiences, but what unites us is a fellowship that only Shriners can truly understand.

### Celebrating Philanthropy

One hundred years ago, our Nobility decided they wanted to help the world become a better place, and

they accomplished that goal in a big way when they founded Shriners Children's. It is impossible to tally the countless hours that Shriners have dedicated to volunteering, fundraising and bringing joy to children's lives. Since 1922, our healthcare system has improved the lives of more than 1.5 million children and their families, and continues to bring hope and healing to our patients every day.

### Celebrating Our Future

We need to remember our past, but we also need to look forward and pave the way for future generations of Shriners, including our own sons, grandsons and nephews. Let us work together to strengthen the foundation of our fraternity, to adapt as needed to secure our future, and to encourage other men of character to join us in fun and fellowship.

### Celebrating YOU

As you celebrate the 150th Anniversary of our amazing organization, we hope that you take a few moments to reflect on what it means to be a Shriner. YOU are a part of something much bigger than yourself. You are a member of a global family that plays together, serves together and looks out for each other in good times and bad. You are a SHRINER. Happy Anniversary!

Yours in the faith,

Kenneth G. "Kenny" Craven

## Daughters of the Nile

Hello from Shelomoth Temple No. 106

The trees are turning into the fall colors, and we are enjoying our favorite temperatures of the year. Cool enough to wear a sweater but warm enough to have fresh air with windows open!

We also have put together a basket to donate for the Style Show on October 1. We are hoping to attend the event. We always try and share in the opportunity of supporting the Tripoli Shriners. Our October 8 Session is honoring our PQ's and line officers with their club attire and sharing. We will have lunch that day as well!

We have changed our Session date in November to the 19th as a Day of Light event is scheduled on November 12. As we are right there for the opening of Feztival of Trees, consider volunteering to help for that afternoon or one of the other days the Feztival is open. I do remember the first year when I walked into the room and saw Santa and Mrs. Claus, I was hooked on the event immediately!

We are also collecting donations for our Daughters of the Nile tree for Feztival of Trees, and we have offered to sign up to volunteer for the event as well. Always thinking ahead to an idea for the future tree as well. It is always a wonderful way to kick your Christmas Spirit and Season into gear! Bring your donations to the October Session.

Thinking ahead – Save the Date - December 10, at 11:00 a.m. for our Holiday Luncheon right here at Tripoli. More information to come!

Looking to 2023 we will be having a Ceremonial and will welcome new members into our Temple. If you know of a lady who may be interested in joining the Daughters of the Nile, please submit a proposal.

Mary Mock, Queen

## Tripoli Auxiliary

Greetings,

We've started meeting again on the third Wednesday in September. It was great to see everyone again & hear the stories of the summer activities. We'd love to see all of you for our October meeting. Please remember to call Sondra Greaven at 414-795-8351 for lunch reservations. The cost remains at \$15.00

It will be a busy fall. Open Doors is behind us. I'd like to thank the volunteers who gave their time to help represent the Auxiliary.

The Minnesota Clinic Auxiliary has asked that we get our donations for the Holiday bags to them by the middle of October. They are especially short on gifts for babies & small children as well as older boys. They will also accept gifts cards to Target or Walmart so they can get additional needed items to complete the bags.

We will be discussing our stollen sale at the October meeting. I hope to have pricing from National Bakery by then.

Feztival of Trees will be November 19-26, 2022. The committee will be coordinating the tree decorations along with the gifts for under it. Please sign up for a time slot to volunteer. There are many "sitting" jobs on all days.

Our Holiday Luncheon is in the planning. I'll be sending out my Fall Newsletter as well as the Holiday Luncheon invitations and Membership renewal forms. Please watch your mail. If you have not received your letter. Please call me & I will send you a copy.

The Trutees will begin the recruiting of next year's officers. Please contact them if you are interested in participating. Please call The Chairman, Evonne Hurst, at 262-786-8683.

Stay safe & healthy and get your flu shots,

Kathy Lijewski, President

## Northwoods Shrine Club

The Northwoods Shrine Club represents Nobles and Ladies of ten different Shrine temples with members residing in four of Wisconsin's northern counties. When our members gather, our fez's display the names of different temples; but, they are all red and we wear them proudly.

The Northwoods Shrine Club meets the 3rd Thursday of each month at various restaurant locations. We proudly welcome all Shriners and Ladies, Masons, and friends of our philanthropies to join us for our meetings. Camels milk at 5:30 pm and dinner at 6:30 pm. Please call Bill Jacobs for reservations, 715-891-5574. Come join us for many laughs in the great Wisconsin Northwoods.

Topics of discussion for our upcoming meetings include:

1. Election of club officers for 2023
2. Northwoods Joint Ceremonial potential
3. New or additional locations for our 2023 meeting schedule
4. Review of the MSA Summer session event at BEJA Temple

Our meeting schedule for the remainder of 2022 is as follows. Please join us!

October 20, Whitetail Inn, St. Germain  
November 10, Erin's Pub "N" Grub, Eagle River  
December 15, Black Forest, Three Lakes

Fraternally,  
Ross Borchardt, President

# Connections

This cute 5 year old boy is Brayden who is being treated at Shriners Children's Ohio. He loves jig saw puzzles and reading books.

**Andie Sue and Kaysie Li** are sisters who, as little girls, faced the same congenital limb deficiency that required leg amputations shortly after they were adopted from China. Andie Sue is now a 17-year old competitive equestrian with dreams of becoming a Paralympian. Kaysie Li is a 15-year-old devoted to training her Australian Shepherd, Rusty, as a service animal. She hopes to become a veterinarian some day. Both girls use prosthetic legs. Their amputations were performed at Shriners Children's Northern California.

As the girls have grown, the Pediatric Orthotic and Prosthetic Services (POPS) team at Shriners Children's Northern California has provided them with custom-fit prosthetics. POPS specialists focus on fit, function and comfort for patients and the A FAMILY-CENTERED APPROACH TO COMPASSIONATE CARE champions IN HEALING. Andie Sue is an accomplished equestrian.

Kaysie Li discovered a passion for service animal work during her care journey at Shriners Children's. Volunteers would visit her bedside with service dogs when she recovered from surgeries. Kaysie Li now trains service dogs of her own in hopes of supporting other pediatric patients someday.

# From the Editor's Desk

I Wish I knew!

I have never posted anything personal before, but with the 100th anniversary of Shriners Children's which was on September 16th of this year, the more I find out about the Shriners and Shriners Children's, I find myself saying, "I wish I knew." The contents of this edition of the Tattler has been filled with stories of how 1.5 billion children were treated over one hundred years.

I wish my parents knew about Shriners Children's when I contracted Polio in the year 1954, after receiving the Saulk vaccine. I was 11 months old with a 106 fever for a week and almost died of complications. Through my perseverance, I pulled through with no long-term conditions. I wish they knew.

Now it is a different story when your own child is suffering. I see all these courageous children in these stories and feel for them, but I am especially heartbroken for their parents. In 1982 my son, DJ Bluma, was born with a muscular condition that primarily affects his skeletal and cardiac muscles with contractures. He was misdiagnosed several times throughout the years and still does not have a definitive diagnosis. He had a life expectancy of two years, then seven, and the last was fourteen years and he is still here enjoying life.

We went from New York to California to see doctors. First Cerebral Palsy, then Spinal Muscular Atrophy, then Emery Dreifuss Muscular Dystrophy and with all these doctors and tests never coming close to giving us relief. Why did no one tell us about Shriner Children's? Could we have gotten off the roller coaster ride?

After - at the ocean

This picture was taken in San Diego, CA just before his surgery to lengthen the tendons in his hips, knees, and ankles at the age of fourteen. He was in a full leg cast with a pole between his legs for 3 months during that summer.

*"It is quite surreal that he is a Tripoli Shriner now and devotes his time to them".*

DJ is 40 years old and quite independent, thanks to numerous splints and physical therapy dominating his life. Currently, he is no longer looking, just living! He uses a wheelchair and his lung capacity is under fifteen percent, but that does not stop him. He has not only inherited my drive and persistence but an extreme talent for ingenuity to conquer any obstacle he faces.

It is quite surreal that he is a Tripoli Shriner now and devotes his time to the organization through his skills in IT. I know what these parents are going through and if DJ could have been helped by Shriners Children's, who knows? We really would have loved the "family" that is talked so much about. I do, however, shout from the rooftops about this healthcare system to help anyone with a need.

Please enjoy this issue with such amazing stories of Shriners Children's patients and their families. They have been through so much and are in a wonderful healthcare system. 100 years of exceptional care.

Thank You.
