## Firebuds "Cleft Hood"

“When we wrote the episode, I did not in my wildest dreams think about my son voicing the part,” Jeremy continued. “At the suggestion of the story editor, I had Henry audition for it.”

Disney Junior's Firebuds continues its tradition of inclusivity with the introduction of Castor, a vehicular character born with a cleft hood.

In the episode “Cleft Hood,” Axl (voiced by Lily Sanfelippo) takes it upon herself to track a wee-hicle down and convince him to return to the hospital for his cleft hood surgery. But first, Axl must put herself in Castor's wheels and imagine what he is going through. Writer Jeremy Shipp was inspired to pitch the episode by his son Henry, who was born with a cleft lip and palate. Henry also makes his acting debut, serving as the voice of Castor.

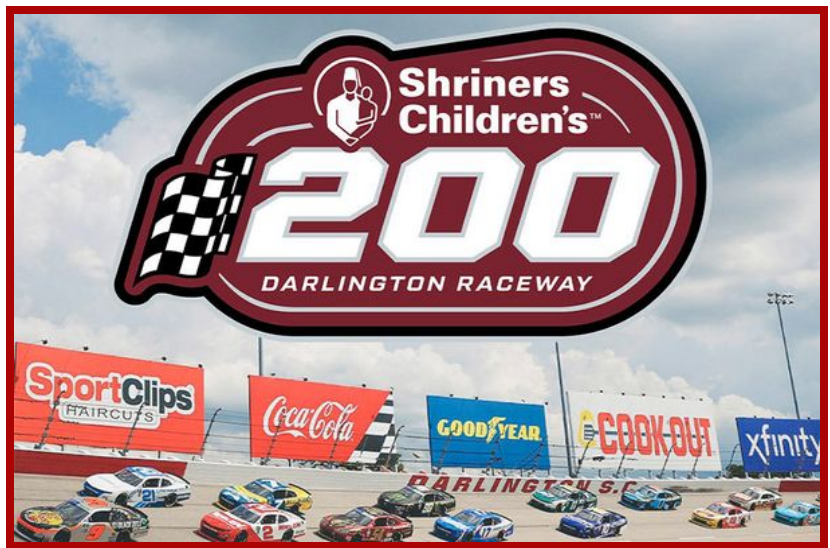

“My son is very inspiring to me, and it's not because of his condition,” said Jeremy. “He's inspiring because of his attitude—and [he's] a pretty positive kid. I wanted to do a story with a character like him.” “When we wrote the episode, I did not in my wildest dreams think about my son voicing the part,” Jeremy continued. “At the suggestion of the story editor, I had Henry audition for it.”

In the episode, Castor carries a plush toy car with a cleft hood named Anya. The toy was inspired by Henry's own toy of the same name—a doll with a cleft that was purchased by his mother when he was 2 years old.

**Shriners Children's will be  
spotlighted on Saturday, May 13,  
during the Official Throwback  
Weekend of NASCAR at the Track  
Too Tough To Tame.**

Darlington Raceway announced today that its NASCAR Xfinity Series race on May 13 will now be known as the Shriners Children's 200, the second of three races during the Official Throwback Weekend of NASCAR. That puts Shriners Children's in the Saturday spotlight, as drivers, teams and fans celebrate NASCAR's 75th anniversary season at the Track Too Tough To Tame live on FOX.

Moreover, it strengthens a partnership forged with Shriners Children's last year when it served as the track's presenting sponsor of its Labor Day weekend events.

"The impactful service Shriners Children's provides for families in South Carolina and across the country is nothing short of remarkable, and we're happy to build on our partnership to amplify that important work," said Darlington Raceway President Kerry Tharp. "They are truly making a difference for young people facing the most challenging of circumstances at the Shriners Children's Hospital in Greenville."

## Meet Bethany Deines Director of Philanthropy Shriners Children's Ohio

At our last Stated Meeting Beth gave a fantastic presentation on the Shriners Children's Ohio Burn Center and also rallied for all treatments in the world that we have accomplished, complete with pictures, statistics and videos to explain the wonderful treatments and advances in Burn care and Craniofacial Anomalies. She was also diligent about bringing the facts on burn prevention.

Bethany shared some amazing stories that captivated our shrine center, receiving a standing ovation and hopefully some checks. Although our locations are primarily in North America, our compassionate healthcare system has treated children from many countries, and conducts several medical outreach clinics outside of the U.S. every year.

Raquel is one of those many patients.

Bio: Bethany is responsible for the strategic initiatives for raising \$10 million annually for the hospital, including major and planned gifts, annual giving, special events and third-party support. Previously, director of annual giving at Dayton Children's Hospital. With over 25 years of professional development experience, Bethany focuses on providing a donor-centric experience and is a strong advocate for community engagement with the hospital.

## Raquel

a Raquel was born with a hole in the middle of her face so big she could put her fist inside it. It's a rare birth defect called facial bipartition. "If I were to compare her to the usual clefts I see, on a scale of zero to ten, she is the ten," says Petra Warner, MD, chief of staff at Shriners Hospital for Children - Cincinnati.

Hilcy got Raquel to a Cincinnati Shriners clinic in Guatemala City. A doctor there knew Chris Gordon, MD, craniofacial surgeon did this kind of work when asked he took her case.

Raquel's surgery was intense, requiring substantial resources. Dr. Gordon brought in Robert Lober, MD, PhD, a neurosurgeon at Dayton Children's to be his partner, along with an entire team of surgical and critical care staff.

## Jeffery and Adam

Adam, Jeffery's dad, was cleaning up the yard and burning brush when Jeffrey knocked over the can of fuel. The fumes from the gas can catch fire, burning Jeffrey, then just 2 years old, on nearly 50% of his body. Adam immediately grabbed his son and smothered the flames, burning his own hands in the process. A neighbor called 911 and little Jeffrey was flown to a hospital in Kansas City, where he was then transferred to Shriners Children's Ohio.

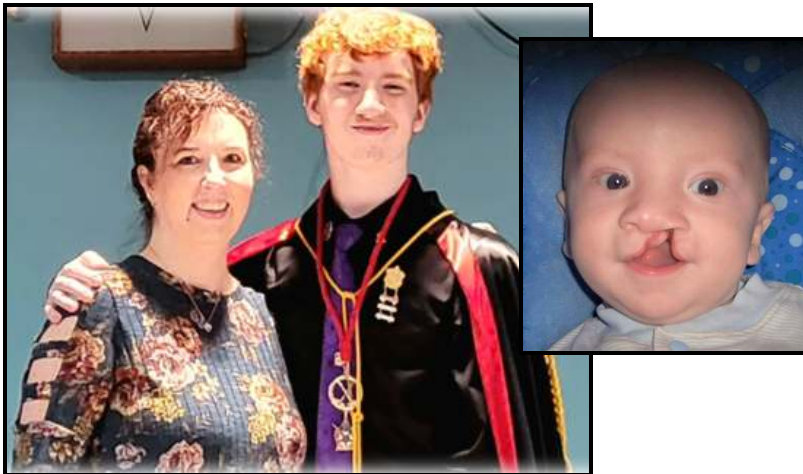

Jeffery and Adam continued

This year Adam brought his 11-year-old son, Jefferey, to his most recent appointment at Shriners Children's, there was something different about the dad.

Adam was wearing a Mirza fez, less than a week after joining Shriners International. "I was really proud to walk into the hospital with my son while wearing the fez," he said.

Adam's journey to becoming a Shriner really began almost a decade ago after that tragic accident at their home.

## Chaplains Corner

Robert Lijewski

The month of May is here and so are some special days. May 8th is VE Day or Victory in Europe Day, ending the fighting in Europe in World War Two. Next is May 14th, Mother's Day. That special day for your mother or the mother of your children. DeMolay has a public ceremony called the Flower Talk which is dedicated to our mothers.

If your mother is living, take a red flower, give it to her and tell her it is our recognition of God's best gift to a man, his mother's love". Finally, there is Memorial Day, May 29th. While many think this is the unofficial day to summer, it should be remembered for what it means. It is to honor people such as Senior DeMolay and Medal of Honor recipient, Lance Sijan who died while a prisoner of war in Viet Nam, or Harvey Hansen whose name is on a marble wall along with 1176 other men on the USS Arizona Memorial or Cheryl LaBeau-O'Brien who was killed in Desert Storm when the helicopter she was on was shot down while on a rescue mission. As you celebrate Memorial Day, take time to remember those service men and women who never made it home.

## Notes From the Recorder

A motion was made and seconded for a Tripoli dues increase in 2024, 2025, & 2026. This would be a \$10.00 increase in 2024, a \$5.00 increase in 2025, followed by a \$5.00 increase in 2026. The \$10.00 miscellaneous fee would be dropped completely. The motion required a 2/3 majority and passed at the April Stated Meeting. Our current and future dues schedule will be as follows:

Dues Payments with New Rates											
Year	Increase	Core Counties					Non-Core Counties				
		Temple	Per Capita	Hospital	Misc.	Total	Temple	Per Capita	Hospital	Misc.	Total
2023	\$0.00	\$90.00	\$30.00	\$5.00	\$10.00	\$135.00	\$49.00	\$30.00	\$5.00	\$10.00	\$94.00
2024	\$10.00	\$100.00	\$30.00	\$5.00	\$0.00	\$135.00	\$59.00	\$30.00	\$5.00	\$0.00	\$94.00
2025	\$5.00	\$105.00	\$30.00	\$5.00	\$0.00	\$140.00	\$64.00	\$30.00	\$5.00	\$0.00	\$99.00
2026	\$5.00	\$110.00	\$30.00	\$5.00	\$0.00	\$145.00	\$66.00	\$30.00	\$5.00	\$0.00	\$104.00

Basically, we will pay the same in 2024 as we paid in 2023 - \$135 or \$94. Dues will increase \$5 in 2025 and we will pay \$140 or \$99. Dues will increase an additional \$5 in 2026 and we will pay \$145 or \$104. The last dues increase for Tripoli was in 2010, that was 13 years ago.

The Divan wishes to thank the entire membership in passing this motion. We have been making continual updates to help us keep this beautiful building in great shape. Please help in encouraging the growth of our membership by supporting Tripoli and the Scimitar Foundation.

## Tripoli Auxiliary

Happy Mother's Day. I hope everyone had a nice day. Onion / Dressing Sales are behind us. I wish to thank everyone who ordered. We do get a small profit from all items we order.

The Circus is behind us. I hope some of you were able to attend. The new venue seemed to work out well.

I am sorry to report that we have lost two of our members, Diana Kifer & Greg Zarse. Please keep them & their families in your thoughts & prayers. Diana's family is planning a memorial service on August 13, 2023. Time and plan will be determined later. Greg's memorial service will be on May 13, 2023 at Bevsick & Verbick in Muskego.

Remember to get your Spring Luncheon Reservations to Peggy Studenec before the deadline. We are having entertainment that I think everyone will enjoy. Also consider donating a raffle item or gift card for the luncheon. As our luncheon is early in the month, we will not be having a June meeting on June 21st.

I know many of you will not be at the May meeting due to Eastern Star Grand Chapter. Drive safely & have a good time. Remember we are dark in July & August.

May Birthdays: Nancy Bugajski 5/1, Maria Boyer Jensen 5/28.
