"Building More in 2024"

As the old folklore saying goes about the month of March, "In like a lion and out like a lamb" ... that definitely holds true for things at Tripoli! We kicked off the month with our first parade by attending the Bluemound Road St. Patrick's Day parade. Tripoli was well-represented with the Legion of Honor, Highlanders, Animals and Pirates units, along with the Hillbillies.

This year's Sportsman's Night event was, by far, our **BIGGEST AND BEST** event ever at Tripoli, with over 500 people attending! We gave out more prizes than any of the other sportsman-related events in the area, and this is helping Tripoli to build a positive reputation with the community. We had a lot of new people attend the event – many who are planning to come next year! A big **THANK YOU** to the Sportsman's Night Committee for all of their hard work throughout the past year. Their tireless hours of hard work and efforts to get things organized each month does not go unnoticed and helped to make this a successful event. Also, thank you to all of the volunteers for their hard work on the night of the event – we couldn't have done it without their help.

April is a great time to re-engage with our Tripoli members at the Stated Meeting or at the Unit Club or Shrine Club meetings. Many of our members are returning "snowbirds" and looking to reconnect with our Nobles and Ladies. Reach out to our Nobles that you

may not have seen in a while and invite them to attend these meetings. It will give them an opportunity to learn about the exciting events we have in the coming year and how they can be part of that.

May is right around the corner and we'll start the month with our annual onion sales. We need everyone's help, whether it's selling at the onion booths, selling bags to your favorite local restaurant or selling onions to family and friends. Every bag of onions sold helps Tripoli!

It is important to remember that it is a privilege for us to be members of Tripoli Shrine. We're better together, and going forward, we'll continue to "Build More in 2024."

Fraternally,
Gerald G. Arnholt III
Potentate

Attention you onion sellers! Like the onions, time is growing close. On Thursday May 2nd, we'll be smelling that sweet aroma of Vidalia onions.

May 1st, we should have all of your selling locations with addresses and a tentative onion count. Second, we need your dressing count. They will be ordered on April 3rd.

We can add additional onions to our

orders at our Stated meeting on April 10th. The more pre-sales you do the easier it is. We will need help unloading the truck on Thursday, May 2nd. Some orders will be ready for pick-up by 8:00 AM. All information should go to either **Tom Schlicht** at taschlicht@aol.com or **Mark Norville** at minnesotamark@gmail.com. **We will need all emails of each unit onion head.**

April is here, and one friend in college once exclaimed "it's Spring, when young man's fancy turns from love to baseball!". April 2nd is the Milwaukee Brewers home opener and as usual, they talk about going to the World Series. Only time will tell. April 2nd is also my little girls 47th birthday, not sure how she grew up so fast.

April 22nd to the 30th is the Jewish holiday of Passover, Jews all over the world will celebrate this for seven (or eight days if they're traditional Jews living outside of

Israel) and while the dates vary, it is always on the same Jewish lunar calendar: the 15th day of Nissan, the first month of the Hebrew monthly calendar year, typically falling in mid-spring. According to the Hebrew Bible, Moses asked the Egyptian leader, Pharaoh, to free the Israelite slaves and was rejected repeatedly. So, Moses warned Pharaoh that God would punish Egypt with 10 plagues: frogs, boils, and hail among others. God told Moses to alert the Israelites to mark their homes so He would know to "pass over" their houses when casting down the last plague-hence the holiday's name. Passover greetings simply start with Happy Holidays, Happy Passover or Best wishes.

I also ask that you keep our sick brothers in your thoughts. This list includes Past Potentates Salza, 2008 and Vignyich, 1991. At the time of this writing, I was able to remove Don Adams from that list. If you know any other Nobels who are sick, please contact me at 414-422-9452.

Easte Egg Facts:
The first English chocolate egg was sold by Fry's in 1873, and Cadbury's quickly followed them, introducing their own chocolate egg in 1875. These early Easter eggs were made using dark chocolate, and were smooth and plain, but in 1897 the famous Cadbury's Dairy Milk Chocolate was first introduced. Chocolate eggs made with this new recipe were very popular and soon became Easter bestsellers. Even today, most Easter eggs are made using milk chocolate. There is a huge range available including milk, dark and white chocolate, and even eggs with our favorite sweets and chocolate bars included inside the packaging.

HAPPY APRIL FOOLS!

Legion of Honors

We had a successful St Patrick's Day parade on a windy 42-degree March 9th. We had 7 members on the float and that really looked good. Our next parades are as follows, May 27th, the Menomonee Falls Memorial Day parade, June 30th in Hartland, July 4th in Wauwatosa and New Berlin and July 14th in Sussex. We have not received the South Milwaukee and St Francis applications. July 31st is the Tripoli Shrine Day at the Milwaukee Milkmen's baseball game. We will probably be asked to do the color guard for the game, so let's have a good turnout.

The Legion of Honor meets on the third Monday at Tripoli, we have a meal with the Motor Corps at 6pm and will hold our meeting around 6:30. If you are a Veteran, please join us.

Adjutant

Onions

Saturday, February 17th the Animals had their annual "spring" meeting. Although a little early, there was a good discussion on our vision for 2024. Parade schedules were discussed as well as new membership. The Animal group has been around since 1965 but it's no secret we need more members. The group agreed that we need to explore more options. This until has always consisted of costume characters typically from Looney Tunes or Disney. While some of these costumes are still very relevant we want to appeal to younger generations as well so we have been talking about adding some Marvel characters to the unit.

As the new Animal Director, I'm very excited for this year, I will do my best to be involved and to keep all nobles and members of our group informed. If you would like to join or know anyone who might be interested in joining, please contact me anytime with any questions or even if you need help finding a costume, I will help you.

Greetings: The Director's Staff meeting started with some delicious Irish stew supplied by Michele Cervantes. Very Good!

The meeting was opened by John C at 7:29 on Friday March 8th. We welcomed and initiated a new member into our group, Dave Buddi. He answered all of our questions correctly and he'll make a good member. Under New Business we reported on our onion sale which will be arriving on Thursday May 2nd. We will have 3 locations to man. We'll assign locations at our April meeting. Start your pre-sale now. Under Old Business we heard the minutes and treasures reports. Our meat raffle at the Topsy Turtle (AJ) was our best one EVER. Thanks to all who participated. Here is a list of dates to reserve on your calendar for possible fund raisers:

Onions, Onions, Onions! The Onion season is here. The truck arrives on May 2nd and we will be selling our Onions the first weekend in May. Please let me know how many bags and sauces you need and if you will be able to help sell Onions. My email is blazercoach14@aol.com or call me @ 262-424-6041. This is a good fundraiser for both Motor Corp and Tripoli Shrine Center.

Our parade season is right around the corner with our first parade scheduled for Chilton, WI on June 16th. We will have a practice on April 18th at Tripoli so 'get your motor runnin'! I will send out an email as we get closer to the date as this practice is weather dependent. Motor Corp is still searching for a Quartermaster to drive our truck at the parades. If you know of anyone who might be available for this position, please talk to a member of the unit.

MSA is August 7th thru 10th in La Crosse, WI. Motor Corp is planning to participate in the parades and the competition to continue our 'award winning ways!' We will discuss practices for the MSA competition at our April meeting.

The Scrabs have two little cars for sale. If you know of anyone who might be interested in driving a little car in the parades, please have them talk to a Scrab. The Escorts are trying to recruit new members to expand the Escorts visibility in the parades as well. It is not work when you enjoy and have as much fun as the Scrabs and Escorts do! Anyone who would like to be part of this popular and fun unit should contact Chad Howard at 262-224-5904.

Our next meeting will be Monday, April 15th. See you then.
