## Gerald G Arnholt III

April showers bring May ... ONIONS! May kicks off with our annual onion sales. A big THANK YOU to Tom Schlicht PP and Mark Norville who have spent countless hours organizing this fundraiser. Also, thank you to the Tripoli units and clubs, and everyone else who have taken the time to work the onion booths or to sell onions to family, friends and neighbors. Every bag of onions sold helps to support Tripoli!

May is packed with lots of exciting events, starting with the Potentate's Ball on May 18th. The ball features a prime rib dinner, along with lots of music and entertainment throughout the night. Sign up online at [www.tripolishrine.com](http://www.tripolishrine.com) or call the office at 414-933-4700 #2 to make your reservations.

Our first "Two-Wheel Tuesday" event kicks off on May 21st at the VFW in New Berlin from 5 – 9:00 pm. This is an event you won't want to miss – music, food & raffles! The second "Two-Wheel Tuesday" is scheduled for June 18th (same place & time). All proceeds support Tripoli Shrine.

Also, don't forget to sign up for the Brewers vs White Sox game held on Sunday, June 2nd. We'll meet at Tripoli for our tailgate (plenty of food & beverages)

and then head over to the game on the Tripoli bus (no need to worry about parking or the hassles of getting to the game!).

As the month ends, please have a safe and enjoyable Memorial Day weekend. It's a great time to honor America's military men and women who lost their lives in service to our wonderful country. Enjoy this time with family and friends.

Fraternally,  
Gerald G. Arnholt III  
Potentate

Have you missed your sweet vidalia onions? It may not be too late! Call The Shrine at 414-933-4700 and see if we have any left for you.

We want to thank all those who helped unload the truck and then help load the units and groups. We couldn't have done it without YOU.

Fraternally; Mark & Tom, Dustin & Scott

# Ukrainian teen severely hurt in bombing makes miraculous recovery in Chicago

## Shriners Children's Chicago

CHICAGO (CBS) – A teenager who narrowly escaped death when war broke out in Ukraine more than two years ago made what was described as a miraculous turnaround. That was in part due to the treatment he received in Chicago. **CBS 2 spoke with him and his mother at Shriners Children's Hospital.**

The road to recovery has been a grueling one for Ivan Povnenkyi. He survived a Russian airstrike. "I remember waking up and not being able to move," he said through a translator.

It was March of 2022, just weeks after war broke out in Ukraine, when the 17-year-old nearly died during the airstrike. He, along with his family, were inside a firehouse in the port city of Mariupol where his father worked when it was targeted. "I don't remember physical pain, but I remember the emotional pain. Both my heart and soul were hurting," he said.

"I did not think we were going to survive that moment," Ivan's mother Malia said through the translator. "It felt surreal. It felt like a movie."

That moment was documented by a film crew and was featured in the Oscar-winning documentary "**20 Days in Mariupol**." While the mother and son have not seen the film, they said they're happy it was filmed to show the world what happened.

Their journey for medical care to treat Ivan's multiple injuries, which included a broken leg and arm, would take the teen and his mother to Poland where they received help from the general director of the Dnepropetrovsk Regional Children's Clinical Hospital Alexey Vlasov along with his colleague, Harvard Medical School professor and Massachusetts General Hospital physician Gennady Fuzailov.

The family overcame unpredictable challenges that ranged from communicating with medical teams in Dnepr and Krakow to establishing an evacuation route from Ukraine to Poland. Vlasov and Fuzailov eventually found a plane that could travel from Poland to the United States that was able to accommodate Ivan, who had multiple braces on his limbs.

In addition, the pair had to establish contact with the Department of Homeland Security since the U.S. Embassy in Ukraine was evacuated. They organized the receipt of documents to cross the border to the U.S., and find a hospital that would agree to accept Ivan in serious condition with complex injuries.

After such a long, grueling flight on April 12, 2022, Ivan was accepted for treatment by the Burn and Reconstructive Centers of America in Augusta, Georgia, where, over the course of four months, he underwent several life-saving operations.

continued on page 9

Then, in August of 2022, they arrived at Shriners Children's Hospital in Chicago, where the rehabilitation has been a game changer.

"We were working on simple things as getting him to bend his knee a little bit more and now he walks, you know, pretty independently at times," said Dr. Gabby Martinez, Ivan's rehab physician.

After more than 10 surgeries and hundreds of hours of physical therapy, Ivan has his eyes on the prize and vowed to recover.

The family is telling their story to remind the world of the atrocities still taking place. They said war is the worst thing that could happen to people, especially children.

As Ivan's recovery continues, the future is looking bright for him. He said he was recently accepted into a physical therapy program in Ukraine, where he hopes to one day become a physical therapist.

The family said their long-term goal is to return back home.

## Chaplains Corner Robert Lijewski

The month of May brings two days of importance. The first one is Mother's Day on May 12th. This day honors the woman who carried you for nine months before you were born. She fed you, changed your diapers and worried over you during your growing up years. She was a super person, as comedian Jeff Foxworthy once stated that a mother's spit can clean and remove anything. The following poem best sums up what a mother is.

### What "Mother" Means

"Mother" is such a simple word,  
But to me there's meaning seldom heard.  
For everything I am today,  
My mother's love showed me the way.

I'll love my mother all my days,  
For enriching my life in so many ways.  
She set me straight and then set me free,  
And that's what the word "mother" means to me.

Thanks for being a wonderful mother, Mom!  
By Karl Fuchs

The other day of importance is Memorial Day, May 27th. While most Americans call this the unofficial of Summer, we should remember its true meaning. While you are grilling your lunch or dinner, please think about the men and women of our Armed Forces who died in the line of service to defend your freedom.

"In Flanders Field" by John McCrae

In Flanders fields the poppies blow  
Between the crosses, row on row,  
That mark our place; and in the sky  
The larks, still bravely singing, fly  
Scarce heard amid the guns below.

We are the Dead. Short days ago  
We lived, felt dawn, saw sunset glow,  
Loved and were loved, and now we lie,  
In Flanders fields.

Take up our quarrel with the foe:  
To you from failing hands we throw  
The torch; be yours to hold it high.  
If ye break faith with us who die  
We shall not sleep, though poppies grow  
In Flanders fields.

I also ask that you keep our sick brothers in your thoughts. This list includes Past Potentates Peter Salza (2008) and George Vignyvich. (1991) At the time of this writing, I was able to remove Don Adams from that list. If you know any other Nobles who are sick, please contact me at 414-422-9452.

Bob Lijewski, Chaplain

John McCrae  
1872–1918  
Born in Guelph, Ontario,  
Canadian poet, soldier,  
and physician.

Upon its publication in December 1915, "In Flanders Fields" quickly gained popularity and became one of the most famous war poems of its time. Its striking imagery and emotional depth struck a chord with people worldwide, inspiring countless individuals to reflect on the true cost of war and the importance of cherishing peace.

**The red poppy flower** mentioned in the poem has since become an international symbol of remembrance. The Royal British Legion, the Commonwealth nations, and other countries around the world adopted the poppy as a symbol of commemoration, raising awareness and funds to support Veterans and their families.

## Legion of Honor

May is here and our next parade will be on Memorial Day, May 27th in Menomonee Falls. Since my last article we applied for two more parades, South Milwaukee on July 27th and Muskego on August 25th. I am still waiting for the information for St Francis. As a reminder our other summer parades are Hartland on June 30th, Wauwatosa and New Berlin on July 4th, and Sussex on July 14. Please call me to let me know what parades you can attend. My phone number is 414-422-9452, which is a land line so no texts. We had to drop out of two parades last year due to lack of members being able to attend. Let's hope this doesn't happen again.

The Legion of Honor is a unit for Veterans, we meet on the third Monday at Tripoli. We start at 6pm with a dinner with the Motor Corps, then we start our meeting around 6:30. I hope you join us.

Bob Lijewski, Adjutant

## Brew City Fezheads

Brew City FezHeads are looking for members that like to drink, brew beer, wine or spirits, and have fun. We're meeting at breweries throughout the city and surrounding suburbs to get together to share ideas and suggestions to brew our own craft beers, wines and spirits. Our next meeting will be held on Tuesday, May 28th at Mob Craft Brewery located at 505 S. 5th St., Milwaukee, WI 53204. Please let me know if you're interested in attending and see what we're all about. You can reach me at kmanohyeah@yahoo.com or check out the contact information on the back of the Tattler.

Respectfully,

Kevin Smith, President

## Highlanders

The Highlanders Parade season has started!

March 9th the band kicked off its parade season marching the St Patrick's Day Parades in downtown Milwaukee, then on to Bluemound Avenue for the second parade of the day.

The following weekend we made our yearly trek to New Dublin (New London) Wisconsin for the largest St. Patrick's Day parade and celebration in the state. The Highlanders are the most popular unit participating, marching the parade, and playing in many venues over the weekend.

Sunday May 26th, the Tripoli Scottish Highlanders will be joining the Wisconsin Independent Pipes and Drums at the Southern Wisconsin Veterans Memorial Cemetery for its Memorial Day Ceremony. Following the ceremony, unit members disperse through the cemetery and play private grave side memorials at the request of loved ones.

Monday the Highlanders will be traveling to Burlington, followed by Rochester for Memorial Day parades and events. At the conclusion of this busy day, we will enjoy the annual unit picnic with our families.

Please enjoy the Memorial Day Holiday, and make sure to take time to remember those who made the ultimate sacrifice in service of our country.

Past Chieftain, Tripoli Scottish Highlanders
