We want to thank everyone that made our 2024 year a success.

The units were so dedicated to spreading our philanthropy of Shriners Children's through their fantastic attendance at parades.

A sincere thank you goes out to all the Divan for your loyalty and support. We are thankful for our growing report with Beja and Zor as we strive for the same reasons. Wishing everyone a prosperous year ahead with Building more, Appreciating more & Thanking more which needs to continue.

CONGRATULATIONS TO ALAN SORIANO ON HIS ELECTION

"Building More in 2024"

Potentate Message

Gerald G Arnholt III

As I look back to the past year as your Potentate of Tripoli Shrine, we have had a fantastic year of "Building more in 2024" and doing some wonderful things at Tripoli. We are privileged to be part of a fraternal organization that enables people to create their own Shrine journey, whether they want to be part of the Motor Corps, Animals or Clown units that come together for the local parades, or to be part of the Brew City Fezheads unit, helping to brew some new varieties of beer. Along with those experiences, we also get an opportunity to improve the lives of children facing various challenges by supporting Shriners Children's.

I am proud of all the things we have accomplished this past year. A big THANK YOU to everyone who has donated their time, treasures, and talents over the past year to help support Tripoli. While we have achieved much in 2024, there is still a lot of work ahead of us. Each of us has a responsibility to help build membership. Growing our Tripoli Shrine membership helps to ensure we are sustainable for years to come, and the best way to do this is to invite a friend or fellow Mason to our events at Tripoli. This gives them an opportunity to learn about who we are as Shriners and what we do. There are many people looking for opportunities to make a difference in their community, and what better way to do this than to support Shriners Children's. Every little thing we do can make a huge difference in the life of a child.

Wishing you all the best for the coming year. We will see you at Sportsman's Night on March 21, 2025!

Fraternally,

Gerald G. Arnholt III

Out with the old and in with the new, Happy New Year 2025. I hope that everyone had a great Holiday season. With the new year there are the dreaded new years resolutions, resolutions that may or may not happen. One resolution we should keep is to treat others as we would like to be treated. January 6th is the Epiphany, the day in which Jesus was baptized, according to the Gregorian calendar that is used by the Western Christian churches, Eastern Christian churches will celebrate the Epiphany on January 19th because they follow the Julian calendar. January 11th is the installation of officers for Tripoli. Let us all give our support to the new Divan to make 2025 a successful year.

Bob Lijewski, Chaplain

Nobles, Ladies and Friends,
To keep you updated with our client communications it is important to update your email address in our WebFez. Our emails import the list directly from there. Thank you for your assistance.

Tattler Deadline is the 15th of every month.
Please submit them to tattler@tripolishrinecenter.com

Please remember to submit all Shrine events that you are having, Christmas parties, picnics and fundraisers, no matter how small.
That way we can grow together.

Q: How many Shriners does it take to screw in a light bulb?

A: Three. One to screw it in, one to read the minutes of the previous light bulb replacement, and one to sit on the sidelines and complain that this wasn't the way they USED to screw in light bulbs.

Potentate Elect Message

Alan Soriano

Dear Nobles and ladies,
I hope everyone has had their fill and rest from this past holiday season. Thank you all for your support in electing the Divan and I as your leaders for 2025. We are all blessed and honored to serve you and our hospitals.

We look forward to seeing you all at the installation which is to be held January 11th. Cocktail hour starts at 5pm with installation and dinner to follow thereafter. There will be a live band for celebration immediately following the installation.

As we begin to prepare for the upcoming year, please make note that our ALL UNIT and CLUBS strategizing session is 1/25 starting at 9am in the crows nest. Please make sure your unit head or a designated representative can be present. We want to make sure we are aligned on this year's goals so we can execute accordingly.

February's meeting will be our annual desert auction so bring your lady and your favorite dessert to auction off. All proceeds go towards supporting our maturing membership fund.

Please keep in mind MSA Winter Session is in Mose Jaw Canada, Feb 19-22. Please let Pete Hennig know if you are planning on attending.

On behalf of your 2025 Divan thank you again for your continued support!

There are many new features in this new issue of the Tattler. We decided to renovate it to accommodate more pertinent information up front and increased visibility. This will make it a more valuable resource for contacting individuals or unit/club heads. Flyer will contain this also, so you can go straight to the noble or Lady in charge. Flyers can be created in a free program on the internet called Canva. It is simple to design a flyer in this program. There are so many tutorials to read and watch to help you through any situation. If you have further questions, call me. Go to canva.com to learn more.

I would like three flyers (very easy in Canva) made for each event. First, a half page (3 months before event) 5.5 x 8.5 for a save the date. This flyer should be complete with the event name, date, location, your group with contact name, number and who it benefits. This is a good time to ask for volunteers. Sample below.

Second, another half page with all the information that you have (2 months before to the event), minus any tear off or fill in information. Third, a flyer (1 month before event) full page flyer with the works. It is important to stick to this timeline to get the information out in a timely matter.

Please see that these are sent in by the 1st of the month.

Thank you,

It is hard to believe that 2024 is in the books. We hope that everyone had a great 2024 and will have a very prosperous 2025. Motor Corp had a very successful year in 2024, with the addition of several new members. We have a couple of applications in the 'pipeline' now and look forward to a great year in 2025!

The officers of Motor Corp are elected to a two-year term and the present Officers were elected to serve for the 2024-2025 term, so there were no elections this fall. The next elections for the Officers will take place in the fall of 2025 for the 2026-2027 term.

Motor Corp will have its annual Christmas party on Monday January 20th with a buffet dinner at 6:00 pm in the Melham Parlor at Tripoli Temple followed by installation for 2025. We will have our annual 'Secret Santa' gift exchange so bring that gift that you just hate to part with, but want to share with others, to the exchange and share it with others!! A good time will be had by all!

If you know of anyone who is interested in joining Motor Corp, please have them see an officer to obtain an application for membership.

Our next meeting will be the Christmas Party meeting on January 20th. We will have a buffet dinner at 6:00 pm followed by installation. See you there.

"Sketch has the unique and uncanny ability to take the most mundane or unusual characteristics or situations and turn them into hilarious and to-the-point cartoons. He has been able to do this for situations, personalities, conflicts, challenges, and much more."

Gary L Stang
Grand Master Free and Accepted Masons of Wisconsin

Being connected to Masonic Organizations has been part of Ray's entire life, being brought up in DeMolay in Jobs Daughters and his Father being a 33rd Degree Master Mason and Past Potentate of Minneapolis Zurah Shrine in 1974.

His Grandparents were into Eastern Star being Worthy Matron and Patron of Richfield Lodge, Richfield, MN.

Following in his Fathers footsteps after joining Zor Shrine of Western Wisconsin, Ray was asked to take a position on the Saint Croix Valley Shrine Club Board of Directors where he works with his peers at being a liaison between the organization and the Shriners Children's Health Care facility in Woodbury, MN. When he received his appointment to the board he stated; "I grew up around good men like these and I am proud to work side-by-side with them now for the betterment of children's health care everywhere."

Most know him as Sketch, a cartoonist who has been an artist practically since he could hold a pencil. Drawing for him was a way to create friends and new worlds then as well as now. Sketch navigated through his Minnesota Technical schooling as Class Vice President and then Class President; packed up a vehicle and moved across country headed towards Disney World with a stop at a prestigious Art School hoping to add to his knowledge only to be turned away. Determined to follow his dream, he found a place to call home then applied at the Disney World Park hoping for the Animation Department and ending up in, wait for it ... Food Service. Yes, starting in the Service side of Disney and transferring to the Character Department is pretty common. Some fantastic and heart-warming stories came out of being a Character at Disney World, and eventually led to an interview into the Animation Department.

Know Your Noble continued

He worked on Mulan, Goofy Movie 2, and my favorite, Toy Story 2.

He took a short sabbatical, moved back 'home' where he met his wife, Shannon, through divine intervention; they celebrated their 20th Anniversary, February 2022, and have remained in western Wisconsin since they met.

Sketch kept up drawing cartoons after leaving Disney and loves that he has complete creative control over his artwork. He started a comic strip called, Small Town Values, that mimicked his life with his family in a small town and ended up getting published in the local newspaper, publishing a few books based on that comic strip and created another comic strip, Falendor, that also has a few published books. Sketch's goal was to always keep the humor family-friendly and that same principle has carried through on everything he creates, less shock and more cute. Sketch has also done public speaking at Schools, Library's and 4-H groups over the years speaking about drawing and following your dreams. Being involved in different jobs and a member of different organizations for an artistic mind keeps Sketch drawing and creating for all types of audiences.

He has been hired by the Wisconsin Freemasons and the Local Shrine Organizations to draw cartoons for their publications, like Tripoli Shriners. Because he has so many artistic outlets, he created a website and grouped all of his interests and artwork into, KinniStudios.com, named after a local River. Sketch has 12,000 followers on Instagram.

Now spending his time between, Lodge, Chapter and the kids from The Hospital is a great honor for the Bloomington, MN born native. He has been attending the Shriner's summer camp program for the kids now for several years. "I sit down with them, and you can feel the life LITERALLY radiating off of them, it's a fantastic feeling and it's VERY addicting" Sketch said.

When at home you can find him in his office working creating new work for his clients but, every now and then you can find him spending time sneaking in stories to his Granddaughter RaeLynn, another fan of his stories.

There is never a time that Sketch does not have a notebook with him. He works at the Treasure Island Resort and Casino as a security guard, 6' 6" heavy set, he looks very intimidating till he pulls out that notebook and starts sketching cartoons in it. His personality, VERY friendly, personable and his words, with that gentle spellbound voice come out like a story book and they thought to take advantage of that, they transferred him to the resort side, greeting all the guests that come and go, some with a 'Sketch' original.

I feel very privileged to know him and for that out of the box kind of Noble, he has made this organization proud of him.

The Suit by Sketch

"Back in the mid 1960's when JC Penny's still had a fabulous store front presentation,

it is my understanding that a family friend 'helped Santa' in the department store visiting children who came to see him and when he could not, he would call on my Dad and my Father would fill in "Helping Santa" with a bright Red Velvet outfit that MY MOTHER HAD MADE BY HAND, which then was sent down the visitation line over the years in my family with my sisters, through me, on to the NEXT generation of nieces and nephew, then on through with my son and I am proud to say has continued on to this day with my Granddaughter, RaeLynn".

"I have "helped," Goofy, Darth Vader, Jafar, Governor Ratcliff, Baloo the Bear and MANY others, but I assure you their is NOTHING like "helping Santa," for the room ... or for the "helper" either".
