# Potentate Message

Ill Sir Alan J Soriano

Parade season is upon us. Parading is a great way for us to raise funds to support our temple, recruit new members and create community awareness about what we do.

For those nobles who are not yet involved with a parade unit please take time to check out the Pirates, Long Riders, Highlanders, Legion of Honor, Hillbillies, Clowns, Animals, or our award-winning Motor Corps. Most of these units will allow you to walk/ride along with them to get a feel for what they do, and it's a blast to parade with these units! The contact information for these unit heads can be found in this tattler closer to the end.

The hard-working directors' staff is in full swing with car show season. Come check out the "Slick Rick" Loch Memorial Car, Truck, and Bike Show on July 12 at Bevsek-Verbick Funeral Home. As always, there will be food and refreshments served.

July 13th, Lady Carrie and I will be hosting a Picnic at the Potentates after the Sussex Days parade. I will have food and beverages available, and all nobles, ladies, and families are invited. There will be a bounce house and a water slide for the kids. So be sure to pack a swimsuit for the little ones if they are coming.

The Northwoods Shrine Club will be having its annual picnic on July 19th. If you haven't made it to one of these, it is a great time! Contact Al Rousseau if you are interested in coming. His contact information can be found with the rest of the unit heads at the end of our tattler.

State fair is coming up in early August, so if you haven't signed up to work the booth this year, please contact Ron Hack to do so. Parking and admission are included when you sign up.

## Potentate Message *continued*

MSA summer session will be August 20-23. Please see their website if you are interested in going it is always a great time!

There is quite a bit going on this summer but let's not forget to be safe when we are having fun. I look forward to seeing you at one of the parades or get together this summer.

Fraternally,

Alan J Soriano

For parents with children facing complex medical needs, care doesn't only happen in the hospital — a great deal happens at home, as well. Family caregivers manage medications, change dressings and coach their kids through rehabilitation exercises, all while coping with the day-to-day challenges of parenting. The responsibility can be overwhelming. At Shriners Children's, nurses and other clinicians are tuned in to the demands this places on family caregivers. Caregivers are not just seen as parents — they are vital partners in the care process. Our nurses and clinicians recognize the immense physical, emotional and mental toll of caregiving and work to support families every step of the way. **CLICK on the image to read the full article.**

July is here and it is time to celebrate our Nations birthday on July 4th. We need remember that some of our brother Masons played a part in helping us win our freedom; men such as Paul Revere, Marquis De Lafayette and George Washington. Our fraternity should be proud of these brothers. Members of Tripoli should also mark on their calendars the All Faiths Night that will be held at Tripoli on October 22nd. This is our annual dinner with the Knights of Columbus. More information will be in future issues of the Tattler. Stay safe this summer and see you in September. If you know of any brothers that are sick, please call me so I can add them to our sick list. Call me at 414-422-9452. This is a land line so please do not text. For our brothers who are in ill health. May our health, O God, be valued as we return to wholeness. Give us wisdom not to abuse, but to live in moderation and to take care of our bodies – as the house of your Holy Spirit. Gratefully we claim they healing. Amen

## Rainbows Over Health Care Places

Picture taken of  
Shriner Children's  
Chicago

When a rainbow appears over a healthcare place, like a hospital, it can carry various symbolic meanings, especially for those involved in healthcare settings or dealing with health challenges.

### Possible Interpretations:

**Hope and Healing:** Rainbows are often seen as a symbol of hope and new beginnings after a storm, which can be particularly meaningful for patients, families, and staff within a hospital setting. It can represent the promise of better times and healing.

**Gratitude and Appreciation:** In some instances, rainbows have been specifically used as a symbol of gratitude towards healthcare workers, acknowledging their dedication and service, especially during difficult times.

**Positive Sign:** The appearance of a rainbow can be interpreted as a positive sign, bringing a sense of comfort and encouragement to those within the facility.

**Connection to Nature:** For some, seeing a rainbow over a hospital can be a reminder of the connection to nature and its beauty, which can have a positive impact on well-being.

The summer parade schedule is in full swing. June 29th is the Hartland parade, step off is at 1:30, but get there no later than 12:30 so we can prepare the float. Take I-94 to the HWY 16 exit and then get off at the Merton exit. We will be staging by the shopping center that will be in front of you when you get to the stop sign. July 4th, we have the Wauwatosa parade in the morning and the New Berlin parade in the afternoon. We then have a parade in Sussex on July 13 th, July 26th in South Milwaukee, August 24 in Muskego and we close out the season with St. Francis on July 30 th . ## Tripoli Auxiliary

Our Tripoli Auxiliary Dairyland Spring Luncheon Fundraiser was a great success. The silent auction raised over \$400. Thank you everyone for finding time in your busy schedule to attend and donate items for the silent auction. Present from the Divan were Ill Sir Alan Soriano, Potentate with his Lady Carrie, Patrick Jackson, High Priest Prophet with his Lady Angela, James Burton, Chief Rabban and his Lady Karen Rudolph who were in attendance. As you can see Nobles are welcomed and encouraged to attend the Auxiliary.

We had some special people present with inspiring messages from Tripoli's Twin Cities Hospital Representative, Ill Sir Matthew Wright, PP and Kelly Miller, Director of Philanthropy of Shriners Children's Chicago. She definitely encouraged the group when we heard her journey with Shriners Children's. She is not only a Director for the Hospital, but she has firsthand experience as a mother of a Shrine Kid, Connor. Her talk was empowering and helped us remember "Why We Do, What We Do, for the Kids."

We had a wonderful Social Meeting at Mo's Irish Pub on Wednesday, June 18th. Fifteen people were in attendance, and everyone thoroughly enjoyed the food, accommodations, and fellowship. The meeting was productive in planning out the rest of our year with special emphasis on the Feztival of Trees.

We are planning for another social gathering in July. Please watch your Emails.

Keep saving those Pop Top Tabs! Feztival of Trees is looking for small toys (like those from McDonald's) for the scavenger hunt. We are looking for winter outdoor toys for under our tree for the Feztival of Trees.

James Burton, President

## Motor Corp

The parade season has started for Motor Corp as we opened in Rochester on Memorial Day on a bright and sunny day. This was a new parade for Motor Corp and a good time was had by all. Motor Corp will have several parades over the 4th of July week. Our parade Chairman, Ron Hack, will send out an email with details as the dates get closer. Our parade season is short and so we are looking for good participation from the members to remind the public of who the Shriners are and what it is we do for the children and our hospital system.

The Escorts are looking to increase their visibility this parade season so if you know anyone who might wish to join the Escorts and be part of this very fun unit, please have them see Escort Captain Ryan Pringle. The Scarabs have 1 Scarab car for sale. If you know of anyone who might be interested in driving a Scarab car in a parade, please have them talk to a member of the Scarabs. If you know of anyone who is interested in joining Motor Corp, please have them see a member to obtain an application for membership.

Our next meeting will be in September as we go dark during the summer parade season. See you at the parades.

Mike Hendren, Commander

Warm days are very much to my liking. Any time the sun is shining, and I don't have to put on a coat, it is a real treat. It's these simple things that can bring about a smile.

In mid-June five members of Daughters of the Nile No. 106 spent a week in Las Vegas at the 109th Annual Supreme 'Dreams Come True' Session. The focus was mostly on the business aspect of the organization, and the Installation of this year's Supreme Queen and her officers. Throughout the week the Ladies were able to enjoy a little Las Vegas fun.

Daughters of the Nile's new Supreme Queen is Kathy Walliker, a Past Queen of Nydia Temple No. 4 in Portland, Oregon. Supreme Queen Kathy will be visiting Shelomoth Temple on August 12, 2025, for our Supreme Queen's visit. There will be a luncheon served at noon, followed by our regular session and a Ceremonial. The following day, we will be escorting Supreme Queen Kathy to Shriners Children's in Chicago, where she will tour the facility. During her reign our Supreme Queen will visit every Daughters of the Nile Temple and Shriners Children's Hospitals across the country and abroad. It is a daunting, but very rewarding, schedule.

Our Temple was dark in June, but we held our regular stated Session on the 3rd Saturday in July. A full report of the Supreme Session was presented. The session was a little longer as we were preparing for our Supreme Queen's visit in August.

To add a little fun to our summer, the Temple decided they needed a little ice cream. Kopp's Frozen Custard has several locations across Milwaukee, and what better way to spend a summer afternoon than enjoying your favorite ice cream treat with a friend.

Today's new friend is tomorrow's family.  
With Nile Hugs,  
Carolyn Heatwole - Queen
