# Potentate Message

Ill Sir Alan J Soriano

I hope everyone had a great summer. It's hard to believe it is already over. There seemed to be a lot of fun and fellowship going on from what can be seen on Facebook! Thank you to all those who participated in the parades, picnics, State Fair booth, MSA and fundraisers this summer. Now it's time to resume labor at the temple.

As a way to get back into the swing of things, we will be having our traditional stag dinner for the stated meeting on Sept 10th, where Hawaiian shirts are encouraged.

On September 13th and 14th, the Pirates will be docking their ship at the Germantown Pirate festival. Please feel free to join them in raising awareness for the shrine.

September 17th, we will be hosting the "Artist Who Care" benefit concert to raise money for our transportation fund. This will be a great event with a number of great entertainers. Feel free to bring family and friends to enjoy and raise money for a great cause.

Wednesday, September 24th the Brew City FezHeads will be hosting their annual Oktoberfest. There will be traditional food, games, and of course, your favorite German beers. Bring the family and come enjoy the fun!

This year's ladies fashion show is just around the corner. Mark your calendars for Saturday October 11th. Social hour begins at 11am in the main ballroom with lunch at 12pm and the fashions provided by Chico's begin at 1pm. The proceeds of this year's show will benefit the Tripoli Transportation fund.

We are looking for support to help get the word out for the event, volunteers to lend a hand, and donated items or soliciting donations for our raffles. If a company or person would like recognition for the donation, please make sure the information is left with the item or raffle basket. To assist, please contact Lady Carrie at [cbtobiason@gmail.com](mailto:cbtobiason@gmail.com) or 414-687-2945

There is a lot of exciting programming this month. Please remember to bring any prospective and new members to these events. It is a wonderful way to introduce nobles to what we do and is not only a great example but a reminder of why we are here, to have fun raising money for our great cause.

### Blazing' Through Rehab

Lighting the way to recovery at Shriners Children's Hawai'i If you've never heard of BlazePods before, you might assume they're high-tech fire starters, turbo-charged espresso shots or maybe even a group of thrill-seeking dolphins with a flair for fireworks. But in reality, BlazePods are a light-based training system designed to boost agility, coordination and strength, making workouts or rehab sessions feel more like a high-energy game than hard work.

Summer is winding down and we will once again we will be meeting, starting September 10th. September is also the time this year when our Jewish brothers celebrate Rosh Hashanah, which means the head of the year. This holiday starts at sundown on Monday, September 22nd and ends after nightfall on Wednesday, September 24th. It is the traditional anniversary of the creation of the world and the creation of Adam and Eve, who are known as the biblical first man and woman. Rosh Hashanah is also a judgement day, when Jews believe that their god considers peoples deeds from the previous year, decides what the next year will be like for them. Also mark your calendars for All Faiths Night on October 22nd. More details will be in the Tattler.

# Know Your Noble ~ Robert Haggarty

My Dad joined Pike Masonic Lodge when I was 9 years old. **I couldn't wait to become a member of DeMolay.** I petitioned for DeMolay membership six days after my 13th birthday. DeMolay was life changing for me, sending me to leadership school and being a member of the first three years of the Masonic Show Choir in Wisconsin. I was elected Master Councilor when I was just 14 years old. The Pike Chapter was very active, and it was an incredible learning experience. I am humbled to have received the Chevalier Award and the Active Legion of Honor from what I feel is the greatest young men's organization in America.

I joined Pike Masonic Lodge in 1990 where my dad was first line signer and Past Grand Master Bruce Christiansen were my two sponsors. I joined Masonry because I wanted to lead my life like so many of the men that I had met while in DeMolay. Men like my dad (Bob Haggarty JR), Bruce Christiansen, Bill Day, Bob Moore, Darrell Aderman, Jay Rosell, Vince Shuler and so many others I was and am truly honored to have been mentored by.

I became a member of Tripoli Shrine in 1998 when I was an officer in Rose Croix in the Valley of Milwaukee. It was an incredible experience. I still think back to that day: about the fun, about the brotherhood. I am currently an elected member of Divan, holding the Office of Oriental Guide. While I enjoy all aspects of the office, I believe that I enjoy planning for the future the most. Learning what has worked and what has not worked. Learning about Tripoli's past and hopefully being part of the growth of its future.

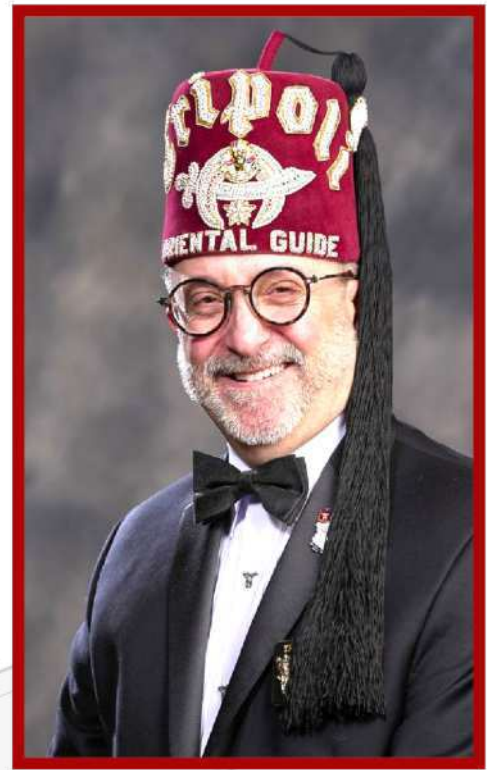

**Both Kristine and I grew up in Kenosha,** Wisconsin, attending local schools. We met when we were 15 and 16 years old, when my voice teacher wanted me to mentor her. She and I became best friends; however, we never dated. I would take her to dances and actually took her to her first nice restaurant (she ordered steak and potatoes while I ordered Lobster Thermidor). She would walk to school on her hands (a block short of two miles), even crossing the street that way. I would see her and pick her up in my 1972 Camaro. Upon graduation from Tremper High School, Kristine joined the United States Air Force, while I attended and graduated from Carthage College, staying in Kenosha. I had not wanted to stay here; instead, I wanted to go to the University of Notre Dame, and although I was accepted, I couldn't figure out a way to pay for it. Carthage College offered me two scholarships: 1) to be part of their debate team; 2) to sing opera.

Kristine went on to live in Texas, New Mexico and Pennsylvania prior to me bringing her back to Wisconsin.

She is an elite athlete who was invited to the 1980 Olympic trials in gymnastics and was also the first woman to qualify for the United States Air Force competition team.

I would see Kristine often when she came back to Kenosha to visit family. Again, we never dated, just good friends. As we look back, God kept bumping us into each other, each time harder than the last.

In 1994, I was a bank officer while Kristine was finishing Nursing School in Pennsylvania. During that time, the bank was robbed, and I was the

officer on duty. The bank robbers left a bomb upon their exit, and to try to ensure my employees' and customers' safety, I had them go into the vault and lock the door. I stayed out with the bomb, standing right next to it while I followed up with the police. I made myself and God two promises that day: 1) I was going to change careers; 2) I was going to marry Kristine.

Once the authorities arrived, a member of the Bomb Squad asked me if I was religious. I asked why and he responded that all the parts of the bomb had touched, but for some unknown reason, it just hadn't detonated. I then watched as they blew up the bomb in the field close to the bank. I woke Kristine up at 2 AM after returning from work that day. I told her about what happened and also told her she needed to come home on a break from school that was a month away. She said she couldn't because it was expensive, and I let her know I would pay for it. Once home, we took the train to Chicago to see Phantom of the Opera and then had dinner at Trader Vic's.

## Know Your Noble continued

She questioned why I asked her to come home, and I just blurted out that I loved her, and that I always loved her. She started to cry, and I thought I had really blown it. Instead, she said she had loved me since she was 15 but never thought I was interested.

We never really dated; instead, we got married. A client of mine (judge) married us on his 50th Wedding Anniversary and his wife was our witness.

We have five kids. Robert, Clayton, Claire, Christian, and Mary-Kate live all over the United States.

### **I am actively involved in:**

Divan, Motor Corp – most fun on four wheels. Actually, the most fun I have ever had in Masonry, Animals, Banquet and Catering Committee – Bar, and multiple Shrine Clubs.

Tripoli excites me because of the opportunity to make a difference. I want to leave Tripoli better than I found it back in 1998. While membership at 1990 level may not be possible, we can make changes to meet the challenges of the future.

I know that our community is better with masonry and Shriners and I want to be part of the leadership team that makes that happen.

I also promised my wife, Kristine, that if elected, Potentate will be my last major Fraternal office. I have been Master Councilor, Worshipful Master three times, Most Wise Master and Chairman of Trustees for Scottish Rite, and the Potentate for Tripoli Shrine. I am so incredibly honored to have been given this extraordinary trust from my brothers. After that time, with the exception of helping with the hospitals, and driving a scarab, I will spend my time with my bride traveling and experiencing life all over the world.

**Looking into the future**, I see Tripoli continuing to be forced to change. Tripoli, as well as all of Shrinedom, will continue to evolve in how we accept and welcome spouses. We must continue to realize that men committed to their families will encourage Masonry to foster a more family-friendly atmosphere at many of our gatherings. Look at most of the great leaders in our Country and our world.

*by Robert Haggarty*

*When asked for five words to describe Shriners, I said hope, dedication, faith, commitment, and success.*

Those Leaders have the support and the leadership of their spouses. We need men who have relationships with spouses like that. I am so blessed to write this upon having just this type of experience. We need to mentor men, recognizing that the most important decision we make in our lives is our choice of a life partner, which allows all of us to benefit.

Joining Tripoli, Motor Corp, Animals and finally being asked to be a member of Divan has made Masonry exciting. That is what Shrinedom is all about: having fun and in so helping kids and serving society.

*Potentates Picnic*  
Following the  
Sussex parade

Our parade season is over and I want to thank those members who participated. Our first meeting is September 15th; we will again be having a meal provided by the Motor Corps. The meal starts at 6pm and we will hold our meeting when we are through eating. The birthday of the US Air Force is September 18th, so happy birthday to all our Air Force Veterans. September 19th is the POW/MIA Recognition Day, please take a few minutes to remember our brothers and sisters who are still unaccounted for. Next month Tripoli will be sending out a signup sheet for volunteer hours for the Festival of Trees, for those members living in the Milwaukee area, don't forget to sign up. In August I also attended the GLSA-LOH convention in Indianapolis, and it was a wonderful time. On Thursday August 6th, we had a bus tour that included a visit to the Indiana War Memorial Museum, lunch at Murat Shrine and a tour of the Scottish Rite Cathedral. Next year's GLSA-LOH convention will be in London Ontario, August 5th to the 9th. I brought home some information packets with the details about next year's convention. I will bring them to our next meeting. Get your passports in order if you plan on attending.

Bob Lijewski, Adjutant

**OKTOBERFEST IN SEPTEMBER!!**

This is the moment y'all have been waiting for! And you don't have to wait for October! The Brew City Fez-Heads are hosting the main event of the year: Oktoberfest will be held on September 24th at 6:30 pm at Tripoli.

This will be a great event for all to attend. Bring your family and friends to show off your Tripoli Shrine Center. Join us for a traditional German Dinner, German Toasts and German Games. There will be prizes and plenty of Raffle items for you to win.

Our parade season has begun to wind down as we only have 3 parades left in our season, as of this writing. It has been a successful Parade season for Motor Corp as both our Escorts and Scarabs have made all the parade crowds very happy. The crowds have been large and very enthusiastic this year. We have one last parade left in Waukesha in October. Our parade season seems to go by fast so we are looking for a strong finish to our year.

The Escorts are looking to increase their visibility this parade season so if you know anyone who might wish to join the Escorts and be part of this very fun unit, please have them see Escort Captain Ryan Pringle. The Scarabs have 2 Scarab cars for sale. If you know of anyone who might be interested in driving a Scarab car in a parade, please have them talk to a member of the Scarabs. If you know of anyone who is interested in joining Motor Corp, please have them see a member to obtain an application for membership.

Our next meeting will be Monday September 15th at 7:00 pm.

Mike Hendren, Commander

You don't want to miss this, so sign up today, or if you are going to wait, at least by Friday, September 19th. Call our Braumeister, Kevin Smith @ 414-627-8713.

We are all looking forward to Willkommen You!  
Prost!!

Kevin Smith  
Braumeister

The summer months left us much too soon. May the great memories create, be there long into the future.

Our Supreme Queen Kathy Walliker's visit will be one of those memories. After our Session there was a Town Hall type of question-and-answer time that was very instructive, and provided a chance to get to become better acquainted with our Supreme Queen.

Four of the Ladies of the Household and one Shriner accompanied the Supreme Queen to Chicago to visit Shriners Children's. We had a wonderful and informative tour of the facilities. We took with us boxes filled with items collected from a wish list ranging from toys, art supplies, games, dolls, to gift cards. These items are utilized by the staff to encourage, reward and even celebrate the accomplishments of the kids. They really appreciate all we do for them. If you ever have an opportunity to visit this facility in Chicago, we encourage you to do. It is truly a remarkable place.

We will hold our third Kopps Custard Ice Cream social on Sunday, Sep. 7 at the Brookfield store. These little social events were well attended and, of course, the ice cream was enjoyed by all.

The Shelomoth Temple Ladies are now assembling jars for our Crock Pot Goodies fundraiser. We will be selling these jars filled with the dry ingredients and recipes to create a cherry, raspberry, peach, or apple cobbler in your Crock Pot. They are an easy dessert, taking five (5) minutes to prepare, two (2) hours on high or four (4) hours on low. Look for us at the Lake Lodge Craftfair to be held in Bayview on Saturday, September 27th, 11:30 a.m. to 2:30 p.m.

For the bird that struggles to fly, the Lord finds a low branch.

Nile hugs,  
Carolyn Heatwole, Queen

Welcome back from our summer break, and Hello Fall! Hope y'all had a fantastic summer and are doing well. Hope you're ready to meet again and get to work.

Wednesday, September 17th will be our next meeting, this will be held at Tripoli. Lunch from Bunzels for \$12; with a Fresh Homemade Sub, cookie, an apple, a bag of chips, and bottled water with one of four choices: Club, Ham, Turkey, or Veggie. Call Cheri Brus 262-332-7812 with your choice of Sub by Wednesday, September 10, 2025.

I am pleased to announce our Holly Luncheon will again be co-hosted with the Daughters of the Nile. I really look forward to this annual event together. This year, we will be going to Jack Pandl's of Whitefish Bay, located at 1319 E Henry Clay St, Whitefish Bay, WI 553217. This will take place on Saturday, December 6, at 11am. I hope to have more details at our September meeting, but for now save the date. At our meeting, plan to work on some projects for our Luncheon. We have talked about working on projects before and after the meeting, and Karen assures me this will be fun. We will need to gather items for the silent auction.

In closing, I want to thank everyone for their help and contributions to our Dairyland Luncheon in June. I believe everyone had a "Moo-velous time – I know I did! We do well when we all work together.

Shriners Children's Chicago was honored to celebrate a remarkable moment in philanthropy with the **Daughters of the Nile Foundation**.

During a recent visit, we proudly presented a medallion recognizing the Foundation's extraordinary milestone of \$5 million in lifetime contributions to our hospital.

We are deeply grateful for their commitment, enthusiasm, and passion for making a difference in the lives of our patients and families.

## Shriners Children's Opening First-of-Its-Kind Research Institute in Atlanta

### Idea born of inquiry

The proposal for a Shriners Children's Research Institute grew from a collaboration that started in 2019 between the Georgia Institute of Technology Pediatric Innovation Network and the Shriners Children's Research department, headquartered in Tampa, Florida. Leanne West, Chief Engineer of Pediatric Technology at Georgia Tech, worked with Marc Lalande, Ph.D., our vice president of research programs, to partner engineers with surgeons and physicians with the goal of making innovations to improve the lives of pediatric patients. Over 25 joint research projects have produced innovative devices, such as robotic exoskeletons to assist patients with cerebral palsy and flexible, wearable sensors to monitor sleep problems in cleft lip and palate patients. Using artificial intelligence has yielded new knowledge from the extensive Shriners Children's clinical database to pinpoint genetic markers in adolescent idiopathic scoliosis and other conditions.

### Once told he may never play again, Shriners Children's orthopedic sports medicine and rehabilitation therapy kept Jayden on the team.

Jayden suffered a complete fracture of his femur in football camp before high school. He's on track to play college football beginning later this year. The second-oldest of four siblings, Jayden, 18, of Chicago, was invited to a selective football camp in Tennessee at the end of his eighth-grade year, back in 2021. It was there that he was hit by two big defenders as his quarterback simultaneously rolled onto him. The impact caused his femur to snap, and Jayden's family wasn't sure where his football career would go from there. After emergency surgery in Tennessee, Jayden returned home.

After Jacky did her research online about orthopedic surgery, her son started receiving care at Shriners Children's Chicago. From the moment she called, Jacky said she knew the nonprofit healthcare system was the right place. "Football is Jayden's life ... I'm not just going to go to any doctor, I'm going to find the best doctor for him because this is something that he loves. This is his future," Jacky said.

Shriners Children's Chicago's walk-in Fracture Clinic offers same-day or next-day appointments and is specifically designed for kids and teens. From broken bones to sports injuries, expert care is available—often without a referral. Convenient and Compassionate. World-class.

Go to Shriners Children's Chicago for fractures suspected and/or documented by an X-ray. We accept most insurance, Medicaid, and patients without insurance.
